"NO SUCH WORD AS FAIL."

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT.

Circular to the Sick.

The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflamatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflamation and corruption which underlie the external evidences of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

Salt Rheum, Fever Sores, Stiff Joints.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopœa have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews, is truly wonderful.

Discharging Ulcers.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A Word to Mothers.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases:

Bunions	Rheumatism	Mercurial Eruptions
Burns	Salt Rheum	Sores of all kinds
Chapped hands	Skin-diseases	Sprains
Chilblains	Sore Legs	Scalds
Piles	Sore throats	Swelled Glands
Lumbago	Sore Heads	Wounds of all kinds
Fistula	Gout	Venereal Sores
Scalds	Sore Breasts	Stiff Joints
	Tetter	Ulcers
		Ringworm

LATROBE'S JUSTICE.

LUCAS BROTHERS,
170 *Market Street,*
BALTIMORE, MD.

HAVE IN PRESS & WILL PUBLISH ON MONDAY, AUG. 18, '56,

A NEW EDITION OF

Latrobe's Justices' Practice,

IN ONE VOLUME, 8vo., OF 624 PAGES.

PRINTED ON SUPERFINE PAPER, FROM NEW TYPE, AND BOUND IN LAW SHEEP.

PRICE $4.00.

THE last edition of this work was published in 1847. It had been long out of print. Since then there have been material alterations in the laws, and the State has a new Constitution.—In the interval, imprisonment for debt has been abolished,—the Justices have had their jurisdiction enlarged. Attachment on judgment, attachment against absent and absconding defendants and replevin have been added to it. The laws relating to the colored population have been modified; the District court has passed away and the stamp act repealed; married women have had new rights given them; and, though last, not least, the Legislature has adopted a system of pleading which promises to supersede the old one. In no period of ten years, since the publication of the first edition of the Justices' Practice, have there been so many matters to be noticed. A large part of the work has been re-written; a more copious index than heretofore accompanies it, and the acts of Assembly referred to in it, some three hundred and fifty, are enumerated with a reference to the paragraphs relating to them. In every respect, it is believed, that the work is improved as well as enlarged.

☞ Early Orders are solicited as the work will not be sent on Commission. [aug 9-4t

Talbot County Fair.

THE Board of Trustees of the Maryland Agricultural Society for the Eastern Shore, and the Chapel Farmer's Association recommend to the farmers of Talbot, the project of holding at the town of Easton, semi-annual Fairs for the sale and exchange of live stock.

At such Fairs all of the live stock of the county that may be for sale, such draught animals as it may be desirable to match, and such breeding stock as it may be judicious to exchange, can be assembled, and thereby superior attractions and advantages will be offered to butchers, drovers, farmers and others interested in the sale, exchange or purchase of live stock.

Mr. Wm. T. Hardesty, the proprietor of the Easton Hotel, and who is also the lessee of the Cattle Show lot, offers to furnish accommodations for all kinds of stock that may be entered for sale or exchange, at the usual livery charges for such food as he may be requested to supply. Those who may prefer to do so can bring food for their stock with them.

To defray the costs of providing suitable stalls and fixtures for the care and exhibition of the stock, the costs of advertising and other costs incidental to the business, the following scale of entrance money for stock will be charged:

$1,00	per head for	horses,
$1,00	do	" mules,
50	do	" cattle over one year old,
12½	do	" calves,
12½	do	" sheep,
12½	do	" hogs,
5	do	" pigs.

Ten cents per head admission will be charged for all persons entering the Cattle Show lot, within which the stock will be exhibited.

In order that Mr. Hardesty may be enabled to make suitable provision and fixtures for the stock to be offered, and also that the public in other parts of the State may be informed through the newspapers of their number and description, all persons wishing or intending to offer stock at this Fair should in person or by letter, or otherwise, have entered in a book to be provided and arranged for the purpose, at the Easton Hotel, on or before the 10th day of September, the number and kinds of stock they respectively design to offer.

Stock which may not have been previously entered, will be admitted to the Fair, and likewise stock from the adjacent counties.

The Fairs should be held in March and September, just previously to the commencement of the Spring and Fall plowing, and *Wednesday, the 24th September*, is named as the day for the first Fair.

On the 9th of September those who have entered stock will meet at the Easton Hotel, at 11 o'clock A. M., and appoint officers and committees to conduct and arrange the Fair, and to protect their interests involved in the same.

Auctioneers will be in attendance to offer at auction, such stock by direction of the owners, as may not be sold at private sale.

Bayside Land for Sale.

WILL be sold at private sale, a Farm in Bay Hundred, Talbot County, Md. It contains **136 ACRES**, mostly arable, with sufficient WOOD for the use of the farm. It is one of the most delightful situations in the County, being immediately on Eastern Bay, and on the county road leading from St. Michaels to Tilghman's Island; also near a school house and church, and in an agreeable neighborhood. All the luxuries of the salt water can be had on its shores. The land is kind, and easily tilled and improved, and yields good crops of Wheat, Corn, &c. The whole farm is enclosed with a new Chestnut fence.—The improvements are a commodious new two story DWELLING, (now building) a very good *Dwelling* now occupied by the subscriber, and the necessary OUT-BUILDINGS. The attention of persons desiring salt water situations is respectfully invited to this farm.

Also, 134 ACRES OF WOOD LAND, divided from the above by the county road, heavily set in WOOD and TIMBER. This land is convenient to navigable water, and to a person wishing to cut wood and timber, offers great inducements.

VALUABLE

FARM FOR SALE.

THE undersigned offers for sale his FARM, called *CASTLEHAVEN*, containing

517 ACRES OF LAND,

situated in Dorchester county, Maryland, on the great Choptank river, five hours travel by steam boat from Baltimore, and within an hour's ride of the beautiful town of Cambridge. This Farm presents many advantages which are rarely met with so advantageously combined. The situation is healthy, the land high, easily drained, of good quality, and retentive of improvement. About 100 Acres is loam land, particularly adapted to the growth of vegetables. Its close proximity to both the Baltimore and Cambridge markets, is at all very desirable both for gardening and farming.—The tract may be divided into two farms if desired, both of which will have good buildings. Each field has a water front, where lime, ashes, and manure of all kinds can be landed when needed. There is a large and valuable bed of marl, depths of shell mold and sea ore upon the shores, all of which are valuable manures. The river abounds in large oyster bars, the oysters from which are esteemed with little labor. The fencing has nearly all been re built within the last two years. There is a *Sufficiency of Timber* for the use of the farm and at least two thousand cords can be cut for market. There is also a large tract of young timber from which, in a few years, can be cut from 5 to 4 thousand cords of wood. The extensive shore which this farm presents and its being well adapted for the planting of oysters, a large quantity having recently been bedded, makes it a most desirable location for the oyster business. There is no place where that business can be more profitably carried on. Seed oysters are to be procured at the low price of 24 cents per bushel. As a place of residence or recreation few situations in the State surpass it, as it affords the finest fishing, bathing and ducking in their seasons. The improvements are good, consisting of a large and commodious DWELLING, substantially built of brick, containing 15 rooms with a FRAME KITCHEN attached, comfortable Overseer's House, Barn, Stable, Corn Shed, Carriage House, Work-Shop, Negro Quarter, Ice-House and Dairy, all in good order. There are several *Wells of Excellent Water*, one being within a few steps of the house.—The undersigned will sell the above property at a low price and on liberal terms. It will be offered at private sale until *4th of September*, if not sold then it will be offered at public sale at the Merchant's Exchange, Baltimore. For further information apply to the undersigned, Cambridge Maryland, or to James L. Bartol, Superior Court, Baltimore. JAMES BUJAC.
