Pursuant to Section 2-303-(9) of the Worcester County Subdivision Ordinance the following statements are required to be attached to and recorded with the plat shown on page 1 hereof.

- A. The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee, or warranty of any kind by Worcester County or by any official or employee thereof of the practicability or safety of any proposed use, and shall create no liability upon the county, its officials, or employees.
- B. Any approval by the Worcester County Health Department of any sewer or water system or suitability therefore is based upon state and county standards existing as of the date of approval; such standards are subject to change and a building permit may be denied in the future, in the event standards cannot be met as of the date of application for such permit.
