"NO SUCH WORD AS FAIL."

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT.

Circular to the Sick.

The first hospital surgeons and medical practitioners of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment: testimonials sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflamation and corruption which underlie the external evidences of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

Salt Rheum, Fever Sores, Stiff Joints.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopœa have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews, is truly wonderful.

Discharging Ulcers.

A most remarkable and happy change is produced in the appearence of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A Word to Mothers.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases:

Bunions	Rheumatism	Mercurial Eruptions
Burns	Salt Rheum	Sores of all kinds
Chapped hands	Skin diseases	Sprains Scalds
Chilblains	Sore legs	Swelled Glands
Piles	Sore throats	Wounds of all kinds
Lumbago	Sore Heels	Venereal Sores

EASE AND COMFORT.

HOLLINGSWORTH'S *TWO HUNDRED FLOATING BALLS, or KNUCKLE WASHING MACHINE*, will wash one dozen pieces of clothes in two minutes without injury to the most delicate material.

This Washing Machine has taken the premium at all the Fairs where exhibited. It is pronounced by all who have seen it *the wonder* of the age. It is so simple in its construction as not to get out of order.

The Machine is so easy to work that small children can take part in it; any half grown girl of ordinary strength, however little used to labor, can do a regular week's washing, and derive great benefit from the exercise, it being of the very best kind for strengthening the arms, chest and loins.

BANK NOTES—It will wash bank notes without tearing or injuring them. Therefore not only is great labor saved, but the clothes are not injured as by other machines and rubbing boards. This will be apparent to all who see it in operation as it is not a rubbing machine. No boiling of clothes required. We invite the public to call and see it; also ask the Ladies (who wish to purchase) to send their servants with soiled clothing to No. 240 Baltimore street, (up stairs) where we wash them so quickly as to convince the most sceptical. To meet the circumstances of all we put it at $12. We give the testimony of a few of the hundreds who are using them.

THIS GENTLEMAN is well known throughout our own and other States as a chemist:

SYKESVILLE, Md., March 5th, 1856.

MESSRS. MORTIMER & MOWBRAY,

Gentlemen—in reply to your inquiries in regard to Hollingsworth's Floating Balls Washing Machine, I have to say the principle is certainly the best I have ever seen or used for the saving of labor, clothes, time and soap. Those in my family say they can wash six pieces by this machine to one on the old plan, and not feel the labor; the clothes being better washed. We are perfectly satisfied with the machine, and recommend it to all our friends.

Yours, with respect, WM. BAER.

BALTIMORE, June 19, 1855.

This is to certify that the undersigned has in use one of the PATENT KNUCKLE WASHING MACHINES, and finds it to be everything claimed for it. The labor is greatly lessened, and the expedition with which a heavy washing is accomplished is surprising. A washday is accompanied by many inconveniences to well-regulated households, and any improvement by way of speed should be hailed with pleasure; and in this machine that is certainly of intuitive. The undersigned believes that the KNUCKLE WASHER must be generally adopted, as much time and labor are both saved, and the work better done, while the articles are not injured by the usual friction of rubbing in the old way of washing.

JOHN F. MCILVOY, "Baltimore Patriot."

I fully endorse the above recommendation of Mr. McIlvoy. F. D. BENTLEY,

Baltimore street, near Light.

I have the KNUCKLE WASHING MACHINE in use in my family, and cheerfully concur in the above recommendation. JOHN L. REESE, JR.,

No. 82 Camden street.

[From J. WILLS, Esq., one of the proprietors of the Baltimore Patriot.]

I have had in use in my family for some time one of HOLLINGSWORTH'S PATENT KNUCKLE WASHING MACHINES, and feel no hesitancy in pronouncing it one of the very best instruments of the kind now in use. I make this assertion from having seen its operations, and upon the unreserved recommendation of washerwomen who worked it.—The principle on which this washer operates is thoroughly scientific, and at once indicative of its utility. My impression is that the Knuckle Washer must gradually find its way into general use. Some of the many advantages possessed by it are expedition, thoroughness in cleansing garments, and the ability to wash good of the finest texture without causing the slightest wear or injury. Every family who can conveniently, should have this most excellent Washer. J. WILLS, Baltimore, Md.

Having had the KNUCKLE WASHING MACHINE in my family, I cheerfully concur in the above recommendation. E. Y. BESST,

Editor of Methodist Protestant.

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are placed to furnish free to all inquiring.

Annexed we give *Directions* for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Piles, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of *Costiveness*, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the *heartburn, bodyburn*, and *sourburn* of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

FOR A FOUL STOMACH, or *Morbid Inaction of the Bowels*, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, *Pain in the Stomach, Back, or Side*, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, *and all Diseases of the Skin*, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

TO PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this process they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, *and all Bilious Affections*, arising from some derangement—either torpidity of the liver, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and danger ous train of evils. Costiveness, or alternately costiveness and diarrhœa, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, *and all Inflammatory Fevers*, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.
