The following report of a Committee was laid before the Vestry and on motion with the resolution annexed was unanimously adopted.

"The Committee appointed under "resolution of the Vestry April 28th 1865 re-"spectfully report. That they received from "the Vestry of Coventry Parish an offer "of Six Hundred dollars for St Stephens Church "which offer they accepted and acting under "the authority given them in said resolution "and with the consent of the Bishop of "the Diocese transferred the Church

"as it stood to the Vestry of Coventry "Parish and that said Church has since "been removed from its position on Dividing "Creek and re-erected within the bounds "of Coventry Parish and that the treasurer "of the Vestry now holds the note of the "Building Committee of Coventry Parish for "the sum of Six Hundred dollars bearing "interest until paid at the rate of Six "per cent per annum.

"The Committee would now recommend "the adoption of the following resolution.

"Resolved That the money received from "the sale of St Stephens Church - say Six "Hundred dollars - be invested at com-"pound interest and be held by the Ves-"try with its accruing interest as a "sacred trust for the purpose of building "another Church within the bounds of Po-"comoke Parish whenever in the judgment "of the Vestry the Providence of God shall "seem to present a favorable opening and "that preference shall be given to that "portion of the parish lying between Di-"viding and Naseongo Creeks"

The Committee on the enlargement of St Marys Church made the following report which was unanimously adopted and the Committee continued with the power asked.

"The undersigned appointed "under resolution of the Vestry March 26th 1865

"a building committee to procure subscriptions
"and superintend the work of the enlargement
"of St Marys Church respectfully report that they
"have in part discharged the duty entrusted
"to them and that the Church as enlarged
"was reopened for Divine service on Sunday
"16th day of July last.

"From the statement submitted herewith (A)
"it will appear that the whole amount expen-
"ded was $1009.21
"and that they have
"received from subscriptions 634.00
"leaving an apparent balance of $375.21
"to be provided for
"But if from this sum be deducted
"the amount of subscriptions yet
"to be collected - say $130.
"and proceeds of sale
"of Vestry room say $40
"making in all the sum of $170.00
"there will only be left a deficiency of $205.21
"to be provided for.

"The excess of expenditure over the original
"estimate submitted to the Vestry was mainly
"produced by the re-plastering of the entire
"church which was not at first contemplated
"but which in the judgment of your Committee
"was afterwards deemed necessary to the proper
"completion of the whole work. and also from
"the apparent inability of the Contractors to give
"in the first instance any thing like a correct
"estimate of the quantity of materials required
"by them.

"In order to sustain the credit of the Ves-
"try and congregation your Committee borrowed
"from your treasurer as a temporary loan the
"sum of One Hundred and eighty three dol-
"lars

"lars and fifty one cents which amount
"they hope they will be able eventually to
"refund from the uncollected subscriptions
"and from the proceeds of the sale of the
"old Vestry room.

"In order to provide for the remaining
"deficiency of Two hundred and five dollars

Mr. C. C. Lloyd –

My Dear Sir:

Yours of the 6th inst. reached me yesterday. Please inform your vestry that the invitation, which they have been kind enough to tender me, to become the Rector of Pocomoke Parish, is hereby accepted, and that I shall be ready to take charge of the Parish, on Sunday the 15th of September.

In accepting the charge of your parish, I throw myself on the consideration and cooperation of your people. I have been reading, within the last few days, the tribute paid by Bp. Lay, in his last Convention Address, to your late Pastor, and I cannot but feel, that a people, who enjoyed, and, for so long a time, retained the services of such a man, might well be trusted by any faithful clergyman to sustain and encourage him in his work.

Invoking the blessing of God upon the relation, which will soon exist between us, I remain, with many thanks for your kind letter.

Your and the Vestry and your peoples sincere friend –

Francis W. Hilliard.

Gentlemen:-

Your communication of the 19th inst: conveying a "call" to the Charge of St. Mary's Church, Pocomoke Parish, is just received.

And as the circumstances of the Parish make a speedy reply desirable, I make this immediately:

And accept the charge upon the terms you state in your letter, with this understanding, that the four hundred dollars pledged by the Parish be paid Quarterly in advance, as has been the custom (so I am informed) heretofore.

In the matter of furnishing the Rectory, your proposition is not quite what I could have wished; But I am persuaded that things can be so arranged in a little while as to make your Rector comfortable, as I am sure it is the aim and purpose of your Parish to do so.

I will, please God enter upon my duties on Tuesday next the 23rd. And I take occasion now, to express the hope, that all things may "work together for good" that God's blessing may rest upon the Parish; and that our relations as Rector, Vestry and Congregation, may be profitable, that the cause of Christ and His Church may be advanced and strengthened by our harmonious, zealous and faithful efforts; in that mutual aid, which should mark the solemn duties and responsibilities which we respectively have to discharge.

I am, Gentlemen
Sincerly yours

Notitiae of Coventry Parish or that portion of it now known as Pocomoke Parish consisting in part of extracts from the parish Registers now in possession of William Williams M. D.

In A. D. 1692 "Pocomoke and Annamessex Hundreds" constituted Coventry Parish.
Vide Records of Gov's Council A.D. 1696.

A.D 1705: An application made to the Governor of Maryland for licence to allow certain Presbyterian preachers to preach in Somerset Co was opposed by the Rev Robert Keith, the Episcopal Minister at Dividing Creek.
Vide "Letters on the early history of the Presbyterian Ch in America" by Irving Spence of Snow Hill Maryland.

In A. D. 1714 The Vestry purchased a farm called "Adam's Garden" for the purposes of a glebe and in A. D. 1719 exchanged it for "Mitchells Lot" containing One hundred and fifty acres more or less.

In A. D. 1748. Rev James Robertson, Rector of the parish departed this life

In A. D. 1751 Nassenga Creek was established as the South Western boundary of All Hallows parish. Vide laws of Maryland

In the same year an act was passed by the Assembly to enable the Vestrymen and Church Wardens of Coventry Parish to purchase two acres of land at some place between Dividing and Nassenga Creeks in Worcester Co fit and convey

nient to build a chapel of ease on"

The purpose of the Act was carried out in A. D. 1753 as will appear from the following extract from the Records of Somerset Co. Court

"December 9th 1753
Rector, Ch. W. & Vestry
of Coventry Parish
from
John Scott

All that tract or parcel of land - - - -
"Beginning at a marked Red Oak tree standing near the bank of Finding Creek and near the Southernmost point of the upland that is between the public road that leads to Finding Creek Bridge and the same creek. Thence North 32° E 20 poles - thence South 58° East 16 poles - thence South 32° West 20 poles and from thence a straight line to the first founder - containing two acres more or less."

In A. D. 1848 it being difficult to establish the above metes & bounds in consequence of the decay of the initials founder a deed was given by J. J. McMaster and Anne E his wife and Angelo Atkinson for one acre of ground around the Church as will appear from the following extract from the Records of Worcester Co. Court.

"Sept. 4th 1848
Vestry of Coventry
Parish from
Sam. J. McMaster
Ann E his wife
&
Angelo Atkinson

All that tract or parcel of land &c
"Beginning at a spring on the bank of Finding Creek - thence South 38° 30' East ten poles to a stone founder - thence South 20° West twelve and a quarter poles to a stone founder - thence North 85 West to a marked Cypress standing in the swamp near the Creek, fourteen poles - thence to the Creek - thence N 40° E by and with the Creek, twenty poles to the spring aforesaid".

* In A. D. 1774 An act was passed by the Assembly to empower the Justices of the Counties of Somerset & Worcester to levy on the taxable inhabitants the amount of 32000 lbs of tobacco to be paid to Samuel Sloan William Allen Thomas Bruff Joseph Scott and Thomas Hayward for the purpose of purchasing two acres of ground on the East side of Pocomoke river at or near Steven's ferry and of building thereon a chapel of ease.
Vide Laws of Maryland.

This pious undertaking, (doubtless frustrated by the troubles of the time) was consummated seventy one years afterward by the erection of the Church of St Mary the Virgin" on almost the same spot.

* In A. D. 1774 John Taylor was granted "liberty to build a house or houses on that part of the chapel land at Finding Creek which lyeth to the Northward and Westward of the road, and to hold the same during life in consideration of his performing the duties of sexton in said chapel".

* A. D. 1776 Aug 5th. In a letter to the Vestry the Rev Sam. Sloan resigned the Rectorship of the parish "after the said Vestry shall have procured some other clergyman to the said parish" "At the request of the Rev Mr Sloan the Vestry gave him a certificate" wherein they set forth that "the said Samuel Sloan had conducted himself in all things to the entire satisfaction of the people of said parish; and that the said Sam. Sloan left the said parish of his own free will" At the same

meeting the Vestry returned "thanks" to Mr Sloan "for his constant care and attentions to the welfare of the people of said parish during his rectorship"

℣ A. D. 1779. The members of the Vestry renounced their "obedience to the King of Great Britain his heirs and successors" and swore that they would be "true and faithful to the State of Maryland and to the utmost of their power maintain and defend the freedom and independence thereof"

℣ "Ordered that any persons that have surreptitious borrowed books that belong to the library of the parish to return the same on the first monday in August next"

℣ "Ordered that each vestryman have a subscription papers to offer to the inhabitants of the parish to raise money for the support of a minister for one year."

℣ A. D 1781 March 26th Sundry papers were laid before the Vestry for their consideration relative to the vestries of the different parishes joining in a petition to the next General Assembly for "an act to pass to impose an equal tax on the inhabitants of the parishes for the support of the clergy &c" and that a deputy from each parish should meet on the 10th of April at Talbot Court House "to consider the ways and means that may best answer for the conducting of the said business"

℣ The Vestry thereupon appointed Mr Wm Handy a deputy.

℣ April 16th "Ordered that Mr George Waters be requested to take charge of the books belonging to Dividing Creek Chapel"

℣ A. D 1782. Aug 5th "Ordered that Mr George Waters and Mr Francis Lane let out the repairs at Dividing Creek Chapel".

Also. "That Mr Thomas Bruff and Mr George Waters draw subscriptions to hire some person to officiate in the parish".

℣ Septr 2. "The Vestry taking the case of Mr George Tarfort's ~~into~~ not being in Holy Orders into consideration, do agree unanimously that no person be permitted to preach in the Church or either of the chapels in this parish unless he be in Holy Orders and that the sexton or any person having charge of the same may expect to answer the consequence if they admit any person in future to preach in the said Church or chapels without leave of a majority of the Vestry of said parish."

℣ A. D 1783. Sept 1st "Ordered that advertisements be set up for the inhabitants to meet the Vestry at the Church and the two chapels in order to fall on a mode of procuring a Clergy Man to officiate in said parish"

℣ September 29th "Ordered that the Vestry do not agree to divide the parish as required by the Vestry of Green Hill"

℣ A. D. 1784 May 31st. A letter was handed to the Vestry from Rev Jamᵉ Keene informing

ing them of an intended meeting of the clergy and others at Annapolis on the 22d day of June next to consult of Church matters and that a delegate or representative be sent from each parish." &c

The said letter having been taken into consideration by the Vestry it was "Ordered that the Register advertise the parishioners to meet at Rehoboth Church on Monday the 7th day of June at 11 o'clock forenoon to elect some person to represent the parish in the aforesaid Convention". On the day appointed the meeting was held and Mr Henry Ennis unanimously chosen as their delegate.

¶ Sept 13th "Major Thomas Bruff was unanimously chosen to represent the Vestry parish in a Convention to be held at Chester Town on the 28th day of Oct next"

¶ October 18th "The Vestry agree that two of their number should draw a petition to the Assembly for a law to pass to call out of the different sheriffs hands a sum of money heretofore collected for to build a Chapel of Ease over Pocomoke River and apply to the building of Rehoboth Church"

The petition was presented & granted. Vide Laws of Maryland.

¶ November 15th. "Major Thomas Bruff reported to the Vestry that he had attended the Convention at Chestertown and gave account of its proceedings and offered

for their consideration a subscription paper for the purpose of raising a sum of money for defraying the expenses of a clergyman to go to Europe for consecration". "The said subscription was approved by the Vestry and ordered to be handed about for the purpose aforesaid"

¶ A. D. 1785 June 29th. "The Vestry of Lower Parish do engage to pay unto the Rev Samuel Tingley yearly in consideration of his doing the duty of a clergyman to the said parish the sum of Two hundred and fifty pounds; as also to find the Rev Mr Tingley a comfortable house to live in and the hire of two negroes a man and a boy."

Thus after the expiration of Nine years from the resignation of Mr Sloan the parish was supplied with a Rector. It is probable however that during all this time the Rev Mr Sloan continued to perform occasional services in the parish as he resided therein to the day of his death which occurred in the year 1800. Mr Tingley it appears had held occasional week day services in the parish previous to becoming Rector.

¶ In the same year some ineffectual efforts appear to have been made towards building a house on the glebe lands.

¶ In A. D. 1786 The pews in Annamessex and Dividing Creek Chapels were elected and taxed for the purpose of raising a salary for the Rector.

My Dear Mr. McMaster

Your valued letter of the 27th to hand & noted. I was under the impression as you express it that my interest money was due Dec. 31 – 1934 or Jan 1st – 1935 – I have not been able to find any of my misplaced day books or correspondence & I presume that the statement as above made, namely that my legacy amount will be forthcoming again to me Jan 1st 1935 – We had a beautiful & mad day here, cold & bright with snow at night, however it was a sad one for me as my wife is prostrate with Diabetes – she has had this for some time & has been in the Hospital a great deal, dieting & taking insolin, but there seems no absolute cure for it. Rheumatic pains of a severe racking nature attack the limbs, caused by improper circulation & she is thus frequently in distracting pain especially so at night so she can not sleep & it therefore is very exhausting – such is life & there is no way of escaping the various trials which beset us – I hope you are finding monetary conditions improving – I think Roosevelt is a very strong, conscientious, non partisan character & will eventually prove the worthiness of the confidence imposed in him. Win or loose, he impresses me as the man of the hour –

Very sincerely yours

St. Mary's Episcopal Church,

Pocomoke City, Maryland.

Dear Sirs :

I am afraid this letter will be along the impossible but I was advised to make the try.

I am trying now to obtain a delayed birth certificate for the purpose particularly at this time of social security.

I was born on the 2nd day of October, 1888, near Pocomoke City, and my mother advises me that the Minister of the Episcopal Church at that time came to the home for the baptism (Rev. Hilliard I believe was the name). If by any chance your Church records have been preserved for that long, I am wondering if you would check to see whether or not there is any such record as the above. If there is any chance at all of your finding any such record, would you be good enough to send me a copy thereof, and I should be very glad to reimburse you for any inconvenience.

The name would be Mary Estelle Hearn.

Yours very truly,

Dear Dr. Clarke,

It seems that birth records have become very important of late and neither my brother nor I have any bona fide record of the date and place of birth. It occurs to me that the nearest approach to an actual official birth record might be the baptismal record kept by the churches. We were both baptized in St Mary's Church or at least by the rector then having that charge, either Mr Hilliard or Mr Crosdale. My date of birth is Oct 21, 1878 and that of my brother, Harry D. Nov. 17 or 19, 1881. Would it be much trouble to look these up for me and if found to have a copy of each made on different sheets of paper and have the copies certified or attested by some official of the church? It is possible that the baptismal record may show the age at that time but whether it does or not would like the copy anyway. Would appreciate any help you can give me in this. Thanking you
Should there be any charge let me know the amount.
Yours truly
Howard U Clogg

My Dear Bro -

Ever since you have been Rector of Pocomoke Parish, I have had it in mind to write you about what I suppose to be a rather strange 'hiatus' in the Parish records. I am somewhat concerned in the matter from personal reasons as well as from my interest in all things however and all relating to the people, whom I still love so dearly.

When I resigned my rectorship, I was in New York, in attendance upon the General Convention of 1889 - Knowing that the Registrar was away from home - (in fact I was myself acting Registrar) I addressed my letter to Mr Lloyd, as Senior Warden -

It so happened, that, so far as I know, no action was taken with

St. Paul's Rectory,
Monroe, N. C.

regard to the resignation - The people were so kind as to profess themselves unable to believe, that I was really going, and altogether, except through the town paper, which contained kind enough words, until I had actually gone, no mention in writing of my departure came under my eyes - Even then the letter, which I received was private and not official -

Thus it comes to pass, that the impression is strong in my mind, that there is nothing on record in the parish to show, when I resigned, or even, that I did resign - It is desirable both for them and for me, that the break in the record should be filled. If you have "Nov 1 - 1889" entered as the date of the resignation, I think you will be sufficiently accurate -

St. Paul's Rectory,
Monroe, N. C.

And now, my dear Bro - let me congratulate you, on the great work of improvement in Church and parish house, which you have accomplished, and on the success of your work in other respects -

With compliments to Mrs Van Dyke, and love to all my dear Pocomoke friends -

I am -

Yours in X't & the Ch -

I am living at a new address & see going to my present address in some of my letters &c have become misplaced or lost & your last letter to me remitting me $25.00 for 3 yearly payments of my Bowles legacy I can not be found & some of my pay books. One of which showed I had entirely has likewise disappeared in the transfer of my goods & effects. My recollection is that I asked this favor of you in Sept. 1929, as this is the year I intended with that property on Woodland Ave. & needed the money asked for to tide me over in opening up my establishment there. If this is the case you obtained your 1st installment of money on Jan 1st 1930. The second installment 1931 & the third & last installment 1932. If I am right you then owe me Jan 1st 1934 the usual annual remittance. — Over

I lend money with me so light & demands upon me so urgent that am endeavoring to raise some dollars to carry me into sep. when conditions will become more normal. My interest money is due this coming Jan. 1st 1933 & it has occurred to me that you would be willing to advance me the same at this time less 5% for the accommodation. I am only receiving 5% of my Uncle's defaced for the whole year & I am offering you 5% for 4 months equal to 15% counting it by the year.

The interest money would be worth more to me at this time than in Jan. & I hope you will see your way clear to accommodate a faithful. Yours truly

EASTON

After twelve ballots, all of which were close, the Rev. George W. Davenport of New York City was elected Bishop of Easton on the second day of the fifty-second annual convention of the diocese, which met at Sudlersville, Md., on June 1 and 2, 1920. The Rev. W. D. Gould, Jr., was the next highest candidate, and on several ballots secured a majority in one order or the other, but not concurrently. On the seventh ballot one more lay vote would have elected him. On the ninth ballot he lacked but a single clerical vote of securing the election. After the eighth ballot the luncheon recess intervened, and thereafter the proportion of votes in favor of the Rev. Mr. Davenport gradually increased. Henry B. Martin. D.D.,

When the delegates assembled in St. Andrew's Church on June 1st the Rev. ~~George C. Sutton~~ D.D., was celebrant. Afterwards the convention organized by electing the Rev. L. L. Williams as presiding officer. The business sessions were held in Cox Memorial Hall.

DAVENPORT, GEORGE WILLIAM,

Bishop of Easton, was born in Brandon, Vt., August 14, 1870, the son of the late Rev. Willard G. Davenport, who was rector of Emmanuel Church, Washington, D. C., for over thirty years, and died during the session of the General Convention in 1919. His mother still lives in the city of Washington. Mr. Davenport was educated in the Washington High School, at St. Paul's School, Baltimore, at Hobart College, the Maryland Theological Class, and the General Theological Seminary. He was ordered deacon by Bishop Paret in 1893 and in 1896 was advanced to the priesthood by the same Bishop. He was in charge of the Church of St. John the Baptist, Baltimore, from 1893 to 1895, and then became assistant at St. Matthew's Church, New York City. He was rector of the Church of the Resurrection, Richmond Hill, Long Island, from 1896 to 1899, and of the Church of the Redeemer, Astoria, from 1899 to 1902. From 1902 until 1913 he was rector of St. James' Church, Danbury, Conn., which he resigned to become Secretary of the Province of New England. In 1915 he became rector of St. Paul's Church, Burlington, Vt., remaining until 1919 when he was chosen General Secretary of the Seamen's Church Institute of America, with headquarters in New York City.

The service of consecration at Trinity Cathedral, Easton, on Wednesday, September 15th, was under the direction of the Rev. Samuel Borden-Smith as master of ceremonies. The procession formed in the Home for Friendless Children, which is in the rear of the Cathedral, headed by the crucifer and choir of the Cathedral, its trustees, and the members of the Standing Committee. Next came the crucifer of St. Peter's, Salisbury, the visiting clergy, and the clergy of the diocese. In the third division, preceded by the crucifer of Christ Church, Cambridge, there came in order the presenters, the attending presbyters, the Bishop-elect, the preacher, and the consecrating bishops with the Presiding Bishop.

The sermon was preached by the Bishop of Georgia. After the sermon the attending presbyters, the Rev. C. L. Pardee, D.D., and the Rev. W. D. Gould, escorted the Bishop-elect to the chancel, where he was presented to the Presiding Bishop by the Bishop of Long Island and the Suffragan Bishop of Connecticut. The certificate of election was read by the Rev. L. L. Williams of Pocomoke City; the canonical testimonial by Mr. E. S. Shanahan, secretary of the diocese; the evidence of ordination by the Rev. G. C. Sutton, D.D., president of the Standing Committee; the consent of the standing committees by Mr. Edwin Dashiel; the consent of the bishops by the Bishop of Cuba. The Litany was said by the Bishop Coadjutor of Southern Virginia. These bishops, with the Bishop of Ohio and the Bishop of Southern Virginia, united with the Presiding Bishop in the consecration.

The Bible presented to the newly consecrated Bishop was the gift of his mother and the episcopal ring was furnished by the congregation of Trinity Cathedral. All the clergy and representatives of all the parishes in the diocese attended, as well as many residents of Easton.

Rev. Louis L. Williams, resigned 15th May. 1922.

DIOCESAN TRIBUTE TO BISHOP ADAMS.

In loving memory of the Right Rev. William Forbes Adams, D. D., Second Bishop of Easton, who entered into rest March 5, 1920.

In behalf of the clergy and laity assembled in Trinity Cathedral, Easton, Md., on the 8th day of March, 1920, immediately following the burial of the mortal remains of our late Bishop, and as voicing the tender and reverent remembrance of the Diocese in its full membership, clergy and people, we would place on record our loving tribute to the memory of one of whose devoted ministry and service we have reaped the fruits for a full generation past.

Endowed with large intellectual gifts, that might have won for him exceptional prominence in his profession and influential position in public life, he chose to devote all to the special service of his Master in the work of ministry to souls.

Following an extended period spent in parish activity, the call came to him in 1875 to serve in the Missionary Episcopate as Missionary Bishop of New Mexico and Arizona, to which he had been nominated by the House of Bishops. Here he labored until compelled by physical disability to resign his charge. Having entered anew the field of parochial service; and continuing therein for a term of years, the call again chial service, and continuing therein for a term of years, the call again came to him, this time from the Diocese of Easton, to assume Episcopal charge of the Diocese as its Second Bishop. Accepting the call, he began among us a ministry that had substantially rounded out at the time of his death a full period of thirty-three years of fruitful service.

It has been a ministry marked by a steadfast, unwavering devotion to the interests of the Diocese. The natural physical infirmity attaching to advancing years in a life prolonged beyond the usual term allotted to man has not been allowed to diminish the full measure of public official service on the part of our late Bishop. Up to the last he has continued, faithfully and unflinchingly, his round of visitation to the parishes embraced within his charge. He has left among the people of his Diocese the impress of his forcible and persuasive utterances as the Christian preacher and teacsher and of his affectionate, fatherly counsel to those upon whom he has laid hands in confirmation. In his preaching he has been wont to emphasize a Heavenly Father's tender love and a Saviour's compassion and helpfulness. His relation to his clergy and people has ever been characterized by a broad, tolerant spirit. It was his nature to be just. He had his settled convictions as a churchman; but he knew how to speak the truth in love and Christian courtesy. Among his fellow-bishops his judgment carried weight and persuasiveness. Noticeable in his character were the qualities of simplicity and humility. No desire with him to "lord it over God's heritage." He was both father and brother to his clergy. In a marked degree the gift of sympathy was his. With his people he was a friend among friends, and a playful humor added to the charm of social converse.

Such was our Bishop, and such his work. Thankfully would we make acknowledgment to Him from Whom cometh every good and perfect gift; to Him Who is the Chief Bishop and Shepherd of Souls, for the many benefits inuring to our diocesan flock through the long-continued ministry among us of this venerable servant of God, and taking up the strain

"Father, in Thy gracious keeping
Leave we now Thy servant sleeping."

To the bereaved household of our departed Bishop we would tender our sincere and hearty sympathy, the sympathy of our whole Diocese indeed, in their great sorrow. May the Father of Mercies and God of All Comfort make His face to shine upon them and be gracious unto them, and Christ, the common Brother, grant them His peace.

Rev. G.V.Bell
Rector, St. Mary's Church
Pocomoke City, Md.

My dear Mr. Bell:

I find that I would have to search back pretty far to trace the last payment of dues by the chapter of St. Mary's Church and under the circumstances I feel that we ought not to consider dues so far back but simply make a fresh start. We shall be very happy to welcome the Daughters if they will pay their per capita tax for this year, which is $1.00, and order the Crosses which are fifty cents each.

I enclose herewith a blank form of application for re-organization which I should be glad to have you return at the earliest possible moment. Those who have not been admitted to the order must serve a probationary period of three months. Crosses will be sent them when they pay their registration fee.

I sincerely hope that the Daughters will keep up their membership this time for it means much to the parish if they continue their affiliation with the Order which does assist them in great measure to observe the rules of prayer and service and tends toward fellowship in the Parish as well as in the Diocese thru the Local Assemblies. I am sorry that I have not a copy of "The Royal Cross" to send you but the 6250 copies ordered in November have all been sent out. If there are any of the February copies left I shall send you one.

Faithfully yours,

Barbara Horn

Order of Service

OPENING HYMN, 491

The Church's one foundation
Is Jesus Christ her Lord;
She is His new creation
By water and the word:
From heaven He came and sought her
To be His holy Bride;
With His own blood He bought her,
And for her life He died.

2 Elect from every nation,
Yet one o'er all the earth,
Her charter of salvation,
One Lord, one Faith, one Birth;
One holy Name she blesses,
Partakes one holy food,
And to one hope she presses,
With every grace endued.

3 Though with a scornful wonder
Men see her sore oppprest,
By schisms rent asunder,
By heresies distrest;
Yet saints their watch are keeping,
Their cry goes up "How long?"
And soon the night of weeping
Shall be the morn of song.

4 'Mid toil and tribulation,
And tumult of her war
She wants the consummation
Of peace for evermore:
Till with the vision glorious
Her longing eyes are blest,
And the great Church victorious
Shall be the Church at rest.

5 Yet she on earth hath union
With God the Three in One,
And mystic sweet communion
With those whose rest is won:
O happy ones and holy!
Lord, give us grace that we
Like them, the meek and lowly,
On high may dwell with Thee.

Opening Sentences:

Lord's Prayer

PSALM 84:

O how amiable are thy dwellings: thou Lord of hosts!

2 My soul hath a desire and longing to enter into the courts of the Lord: my heart and my flesh rejoice in the living God.

3 Yea, the sparrow hath found her an house, and the swallow a nest, where she may lay her young: even thy altars, O Lord of hosts, my King and my God.

4 Blessed are they that dwell in thy house: they will be always praising thee.

5 Blessed is the man whose strength is in thee: in whose heart are thy ways.

6 Who going through the vale of misery use it for a well: and the pools are filled with water.

7 They will go from strength to strength: and unto the God of gods appeareth every one of them in Sion.

8 O Lord God of hosts, hear my prayer: hearken, O God of Jacob.

9 Behold, O God our defender: and look upon the face of thine anointed.

10 For one day in thy courts: is better than a thousand.

11 I had rather be a door-keeper in the house of my God: than to dwell in the tents of ungodliness.

12 For the Lord God is a light and defence: the Lord will give grace and worship, and no good thing shall he withhold from them that live a godly life.

13 O Lord God of hosts: blessed is the man that putteth his trust in thee.

Scripture Lesson:
Apostles Creed:
Prayers:

HYMN, 418

O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast
And our eternal home:

2 Under the shadow of Thy throne
Thy saints have dwelt secure;
Sufficient is Thine arm alone,
And our defense is sure.

3 Before the hills in order stood,
Or earth received her frame,
From everlasting Thou art God,
To endless years the same.

4 A thousand ages in Thy sight
Are like an evening gone;
Short as the watch that ends the night
Before the rising sun.

5 Time, like a never-rolling stream,
Bears all its sons away;
They fly, forgotten, as a dream
Dies at the opening day.

6 O God, our help in ages past,
Our hope for years to come,
Be thou our guide while life shall last
And our eternal home.

Addresses:

Rt. Rev. George W. Davenport, D. D., Bishop of Easton; and others.

OFFERTORY HYMN, 672 X

Blest be the tie that binds
Our hearts in Jesus' love:
The fellowship of Christian minds
Is like to that above.

2 Before our Father's throne
We pour united prayers;
Our fears, our hopes, our aims are one;
Our comforts and our cares.

3 We share our mutual woes,
Our mutual burdens bear;
And often for each other flows
The sympathizing tear.

4 When we at death must part,
Not like the world's, our pain;
But one in Christ, and one in heart,
We part to meet again.

5 From sorrow, toil, and pain,
And sin, we shall be free;
And perfect love and friendship reign
Throughout eternity.

Prayers and Benediction:

CLOSING HYMN, 450

All hail the power of Jesus' Name!
Let angels prostrate fall;
Bring forth the royal diadem,
And crown Him Lord of all!

2 Crown Him, ye martyrs of our God,
Who from His altar call:
Extol the Stem of Jesse's rod,
And crown Him Lord of all!

3 Hail Him, the Heir of David's line,
Whom David, Lord did call;
The God incarnate! Man divine!
And crown Him Lord of all!

4 Ye seed of Israel's chosen race,
Ye ransomed of the fall,
Hail Him Who saves you by His grace
And crown Him Lord of all!

5 Sinners, whose love can ne'er forget
The wormwood and the gall,
Go, spread your trophies at His feet,
And crown Him Lord of all!

6 Let every kindred, every tribe,
Before Him prostrate fall!
To Him all majesty ascribe,
And crown Him Lord of all!
