LIME.

To the Editor of the Annapolis Gazette:

WE deem it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality

RETIRED PHYSICIAN
75 YEARS OF AGE,

WHOSE sands of life have nearly run out, discovered while in the East Indies, a certain cure for Consumption, Asthman, Bronchitis, Coughs, Colds, and General Debility. The remedy was discovered by him when his only child, a daughter, was given up to die. He had heard much of the wonderful restorative and healing qualities of preparations made from the East India Hemp, and the thought occurred to him that he might make a remedy for the child. He studied hard and succeeded in realizing his wishes.—His child was cured, and is now alive and well. He has since administered the wonderful remedy to thousands of sufferers in all parts of the world, and he has never failed in making them completely healthy and happy. Wishing to do as much good as possible, he will send to such of his afflicted fellow-beings as request it, this recipe, with full and explicit directions for making it up, and successfully using it He requires each applicant to inclose him one shilling—three cents to be returned as postage on the recipe, and the remainder to be applied to the payment of this advertisement. Strawberry Plants for Sale.
STRANDBERG'S
CHAMPION STRAWBERRIES.

AFTER four years of careful selection and cultivation, with personal attention, I have produced the finest Strawberries in the country; some of them measuring 5 inches around, in fact they are all very large and of a superior flavor.—As an evidence of their superiority over all other Strawberries that was in the Baltimore market, when the best sold for 12½ cents per quart retail, Strandberg's Champion Strawberries sold readily for 50 cents wholesale, throughout the season; nor could he supply half the demands at that price.—They were also sent to New York and pronounced by Taylor, the best ever sent to New York market I offer my plants to the public, there is no humbug about them I refer to gentlemen who have seen my Strawberries, and some of them examined my beds, and ready to testify to the above as correct I refer to
