State Archivist and Commissioner
of Land Patents
P.O. Box 828
Annapolis, Maryland 21404

Dear Mr. Papenfuse:

Allow me to acknowledge receipt of your letter of June 8 agreeing to the conditions stated in my letter of June 3 relative to microfilming our parish records. I am only too happy to clarify the points you raised.

You are quite correct in noting that my understanding is that access to records less than 100 years old is being restricted. In fact a clarification is needed here as well. The records which are being restricted are not those concerning marriages and deaths but only baptismal records. The purpose of this restriction is related to such matters as adoption and illegitimacy.

Permission is readily granted to have a member of your professional staff examine reels of film containing restricted records for a search of records dating before 1877 on an individual request basis. It is understood that these reels will not be available to the public. You may sell to the Maryland Historical Society those reels which contain restricted as well as unrestricted records only if they are able to guarantee the same understanding.

Hoping that this presents any clarification needed, I am

Sincerely yours,

William D. Borders

Archbishop of Baltimore

ROMAN CATHOLIC CHURCH
ARCHDIOCESE OF BALTIMORE

St. Joseph
Emmitsburg
Frederick County

Like members of other Catholic churches in northern Frederick County, persons in the Poplar Fields area were first served by the Jesuit missions of southern Maryland. About the time that Poplar Fields became Emmitsburg (1786), Father Mathew Ryan, on his way through the village, suggested that a church be built there. The small chapel was begun in 1793, attended for a brief time by priests at Frederick and Conewago. Then Father Ryan was appointed first resident priest. In 1841 a newer and larger church replaced the 1793 structure and soon thereafter the president of Mount St. Mary's College became rector of St. Josephs in addition to his other duties.

The church was placed in charge of the Fathers of the Mission (founded by St. Vincent de Paul) in 1852 and was the center for organized charity in the United States in 1981. St. Josephs continues to be served by the Vincentian Fathers Eastern Province, and the parish has been separated from Mount St. Mary's College.

IN MEMORIA.

Very Rev. F. Burlando died in Emmittsburg at the place of his residence on last Sunday evening, (the 16th. of February) at 9 o'clock, in the fifty-ninth year of his age. He was born in Genoa, Italy, of very respectable and truly christian parents, on the 6th. of May, 1814. He pursued his studies there, previous to his ordination. He was ordained Deacon by his Eminence Cardinal Tadini, his Archbishop in 1836. In 1837 he joined the Congregation of the Mission, (Lazarists) in the same city; and in the year following, shortly before his departure for the United States, he was ordained Priest in the month of June, by the Most Rev. Aloysius Fransoni, Archbishop of Turin, brother of the late Cardinal Fransoni, Prefect of the Propaganda.

On arriving in this country in Oct. 1838, after having learned the English language under Judge Moore, of Perryville, Mo. he was stationed at St. Mary's Seminary at the Barrens of the same county, in quality of procurator, professor of Latin Theology, sacred music and ecclesiastical ceremonies, until the year 1842, when he was sent by his Visitor, Very Rev. John Timon, the late Bishop of Buffalo, with Rev. Charles Boglioli, C. M. as his assistant to take charge of the ecclesiastical Seminary in Brown Co. Ohio, then offered to the Rev. Fathers, Lazarists by the Most Rev. Archbishop Purcell of Cincinnati, where he continued to act in quality of Superior and professor of Dogmatic Theology, Canon Law and Ecclesiastical History, etc. until 1845. From thence he was sent to St. Vincent's Church, St. Louis, Mo. in the capacity of Professor and Treasurer in the diocesan Seminary, then attached to St. Vincent's Church and, of which institution, he was for some time Vice-Superior. It is there that he manifested his truly apostolic zeal during the raging of the cholera in the said city, laboring indefatigably in visiting the sick, attacked by the dreadful disease, until he himself contracted it and was reduced to the very last extremity, but he happily recovered, by a special dispensation of divine Providence, who reserved him for greater works, that were to redound to the greater glory of GOD, his divine Master, and for eternal salvation of many souls. In the fall of 1852, he undertook to build the front of St. Vincent's Church and the beautiful steeple which surmounts it. The two side altars of the Passion and of St. Joseph in the same church are also his work; previously he had assisted in the construction of the altars of the Blessed Virgin and St. Vincent's, in all of which his natural taste for architecture is visible. Rev. F. Burlando had also an extensive knowledge of rubrics, and church ceremonies; and at the first plenary council of the Archbishops and Bishops in the United States, Archbishop Kenrick of Baltimore, after giving him charge of its ceremonies, entrusted also to him the revision and arrangement of the two last editions of the ceremonies for the use of the churches in the United States, the last of which he greatly improved. In the spring of 1853, when Father Maller, C. M. left Emmittsburg for Brazil. Rev. F. Burlando was chosen to succeed him as ecclesiastical Superior of the Sisters of Charity in the United States, a position, which he filled with ability and great success, amidst many labors, for the long period of twenty years. His amiability and his kindness endeared him to all those who approached him.

The Community of Sisters of Charity over which he presided, owes him all the development it has attained during the said period, having more than tripled it both in number and in establishments of different kinds, Hospitals, Insane and Infant asylums, Schools, Dispensaries, etc. East, West, South, North. The good Sisters have lost in him, a kind Father, a true friend, a wise adviser, and firm and enlightened director—and they are right to grieve bitterly as they do, at his demise. All his Rev. Confreres of the Mission, suffer in him the loss of a very valuable member, for his many christian and priestly virtues and his varied, eminent abilities; one whom they would have wished to retain in their midst for a longer time.

THE FUNERAL SERVICE.

The Funeral service took place on the 19th. of February; at 8 o'clock A. M. in the Church of the Sisters surrounded by the pupils of the Academy, amidst their general sobbing and tears. After the Matins and Lauds of the office of the dead had been chanted by the Rev. Gentlemen and Seminarians of St. Mary's College, headed by their very Rev. President John Mc. Closkey, Rev. H. Gandolfo sang the High Mass, Rev. R. Fitzgerald, C.M. Pro. Visitor, *pro tempore* and Rev. J. Gustiniani C. M. acting respectively as Deacon and sub-deacon. The Celebrant the constant companion and faithful assistant of Father Burlando, for twenty-one years as chaplain of the institution, attempted to address the Community and his Rev. Confreres, as well as the many who came to pay their last religious duty to the Rev. departed: But after a few sentences he had to stop, his heart was too full and the scene before his eyes too affecting.....

The Mass and Absolution being over, the remains were borne by the following Rev. gentlemen, Very Rev. John Mc. Closkey, President of Saint Mary's College, Rev. F. Mc. Murdie, vice President, Rev. Jacob Walter P. P. of St. Patrick's Washington, Rev. Father Waterson, Professor of Divinity in St. Mary's College. Rev. John Mc. Manus, P. P. of St. John's Church Baltimore, Rev. Daniel Mc. Carthy, C. M. and were consigned to their last resting place, close by the venerable Mother Seton, the saintly woman, whom GOD selected to be the Foundress of the Daughters of Charity, in this country.

"*Blessed are the dead who die in the Lord, that they may rest from their labors: for their works follow them.*"

March 31st	To balance Acct. forwd from fol. 22 —	151. 46½

On the 31st March 1841 I started for Baltre to remain at the Seminary after having exercised the Ministry at St. Mary's 10 years and in Emmittsburg 15 years. —
The Salary of the Priest in Emmittsb. has always been 200 Dll a year & he also has had the sunday collection out of which he pd the altar expences in part, the wax (yellow) & oil — also alms to the poor. —

— John Y. Hickey

P.S.
May my succesor repair all the evils of my exercise of the ministry in this interesting congregation — I have left several who are preparing for their 1st communion — I intended also to appoint a day to go to some house over the Pennsylvania line where I cd hear the poor Coloured people's confessions & give them communion, as they are not allowed to come to Maryland. —

St Vincent de Paul's
Sanctuary Society
Emmitsburg Nov 15th 18—

"I have loved O Lord the Beauty of thy House and the place where thy Glory dwelleth"

If Solomon spent so much riches, and so much attention in building a Temple to receive the Ark of the Covenant — and if the Jews of old could love the Beauty of the House where brute Animals were Sacrificed and where God only appeared by signs & figures — what ought not Christians to do for the temple & the Tabernacle where God vouchsafes to dwell in person; what love ought they to have for the beauty of that Sacred edifice; what gratitude & zeal ought to be felt by those, who, blessed with a lively faith, enjoy the happy privilege of ministering to the exterior decency & respectability of the Sacred Altar, where is offered a Sacrifice at which Angels are not worthy to attend. —

To exercise this privilege, the ladies of St Joseph's Congregation, Emmitsburg, have united together, — & happy in being so employed, filled with confusion, to see sinful hands, should be suffered to be engaged in so holy a work, they make it, their first & greatest object to sanctify themselves, & prove their devotion to the most adorable Sacrament of Love, by frequently receiving its life giving water & letting their effects be shown in the modesty, charity & piety of their lives.

For these purposes, they form themselves into an association called the St Vincent DePauls Sanctuary Society of St Joseph Church — Emmettsburg

endeavor to report to the officers of the Society as well as to the rest of the members belonging to St. Lucies the proceedings and movements of the Society during the last year, which commenced on the first day of January 1866 & ended on Dec 31st 1866. On the first place, there were two general meetings during the year one on the first day of the year 1866 & the other on the Sunday within the Octave of Corpus Christi. At the first meeting (Father Dwyer presiding) the following officers were elected by the members present.

Miss J. Shoebs. President
Mrs. D. Lawrence V. President
Mrs Daniel J. Adelsberger Secretary & Treasurer
Mrs Mooney
Miss Martin
Mrs J. Land
Mrs E. Wise
Directors

The above named meeting the following resolution was adopted. Viz; That there shall be a meeting of the officers of the Society on the first Sunday in each month, in order to appoint Members to attend to the Altar; also that those persons who do not pay their yearly subscription punctually shall have their names erased from the list of Members. There name & the above mentioned names of those taken from the list, and other persons in suspense will be taken from, of whom have payed the amount and remain in the society, and who of them shall have their names struck off, which was accordingly done. At the above meeting there was very little business transacted worthy of notice. Within the year there has been $21.85 received into the

Treasury and 64.34 paid out leaving a balance
of 20 remaining in the Treasury at the present
time. I will now mention the various expenditures
paid towards painting the church windows
&c. of Goods at Mrs Bean's 98 cts at one time, $1.60
on other, and 75 cts settled by her subscription &
for a sheet of paper, amounting in all to 66.39. There
were also, 10.00 advanced to buy the materials
for making the washbench & boxes for the pain[ters]
at amount was returned to the Treasury by
Father Dwyer. We have now 63 Members in the
Society, a deduction of 32 Members within the last
year some having died, others moved their a-
ddresses, and several names taken from the list
by their own desire, or by the resolution adopted at
the general meeting. No of persons still owing to the
Society for 1866 is 20, also 17 owing on 1865. There
was a Mass said for the welfare of the Souls in
Purgatory by Father Gallagher. There were 10 Masses said for the
Benefit of the Members of the Society, five by Father
Dwyer by Father Hendel, and four by Father Gallagher
One month having been missed, Father Dwyer
wish. The Members have all been called on once
this subscription, and what is still owing must
be collected by the new Treasurer elected
this year. I believe I have mentioned all the cash
affairs of the past year and I hope it will meet
with the full approbation of all present at the
meeting. No mysterious of office has existed. I am
ready to hand over the books and funds to the
elected Treasurer at Father Dwyer's for year to year
Ladies.

Dear Friend

I purchased the damask & sent it by Mr Knight The piece you wanted I have sent but not in one piece three remnants one twenty five yds another nearly five yds & third three yds
I would not have taken this but in looking around I found I could not get the flour any other place than Mr Cooks & he had only three pieces & this was decidedly the handsomest piece

I could not make up my mind to buy either of the other pieces, as they are small pieces & would not make such handsome hangings You will find the three pieces contain about two & a half yds which he gives you for $7.50 & thats what is $2.50 more the amt you sent me

You have the privelege of sending back the small remnant if it is no use to you, & if you should not like it & two pieces you can return it all by express & I think you could get the other in time, & make for Christmas I write pray the expressing

I was afraid perhaps you would think I ought to have got other pieces being in pieces (one piece too) but in such goods as damask the smallest pieces can be used up which makes them stiff I could have got you other red for $2.45 but this shade very few keep as it is mostly used for church purposes I hope you will be pleased but if not be sure & send it back I will be perfectly satisfied for you know I have a great interest in the Ebenezer therefore do not think any thing too much trouble I was going to write but

Rules for the Children of Mary conceived without sin — Regulations also — Ladies Department

The object of this Society is to honor the Blessed Virgin Mary, the Mother of God, in a special manner by imitating Her virtues, but as no virtue is to be acquired without humility which is the foundation of Christian perfection & the origin of every virtue dear to the Immaculate Heart of our Blessed Mother, so the members of this Society will endeavour to practice this virtue by an humble submission to the following Rules, in the exact observance of which the principal virtues are to be found and practiced —

1st. The Ladies Department of the Society will be devided in three orders, first Married Ladies, second Single Ladies, over Sixteen years of age & third female Children, under Sixteen, who are considered as Children of the same family, whose Head & Mother is the Immaculate Mother of God. — Second the Society will meet & elect the following Officers, President, Vice President, Secretary & Treasurer, two Prefects & Six Councillors, on the first sunday of January of each year — the members for this occasion must be at least two thirds of this Society & in case of equality of votes, the President may have the casting vote

4th As the Sanctuary Society formerly established in this church forms part of this Society, & in order to show respect to the zealous Ladies belonging to it, the election will be conducted by the following regulations

The President will be elected from among the Married Ladies belonging to the Sanctuary Society, the Vice President & Secretary, the latter being also Treasurer, from among the ladies of

the same Society.

2nd. The counsellors will be elected from among all the members of the Society, (children excepted) as well as the Prefects — Of the six counsellors, four will be married Ladies & two will be single ladies — the duties of each officer will be explained in separate articles — The Parish Priest is the Spiritual Director of the Society by right —

3rd. As charity is the bond of perfection according to St. Paul, so the members of this Society will endeavour to practice this great virtue, by performing the Spiritual & temporal works of mercy, whenever they will be requested by the Spiritual Director, or the President, to teach the ignorant & especially children, the truths of our Holy religion, they must kindly & with pleasure accept the invitation, esteeming themselves honored, in being allowed to imitate Jesus Christ, who travelled from place to place, in order to teach ignorant people & show them the way of Salvation. Second, They will also do their best to correct with Charity, the faults of each other, advise each other when they think it necessary to denounce the faults of some individual it must be done in a secret and charitable manner & only to the Director or President that the delinquent may be corrected, without hurting their feelings & they will avoid every thing which may injure the beautiful virtue of Charity — 3rd. The members of the Society will visit the poor sick when they will be requested as above but if some of the members, happen to be sick it will be the strict duty of each member to visit her, as soon as her Sickness shall be announced to the members & the patient recommended to their prayers, but in order to avoid confusion in such visits of Charity it will be the duty of the first Prefect to appoint two members

married ladies and of the second prefect to appoint one young lady, on each day as long as the sick shall last, who shall visit the sick on the day appointed for them, — The President & other officers being the first to show the example, — The object of these visits must be to console the sick person administering to her spiritual & temporal consolations & if the disease is discovered to be dangerous, they must advise the patient with prudence & zeal to ask for the consolations of her holy religion, and in this case they should warn the Parish Priest of her danger & should any member of the Society be in the agony of death, the Parish Priest or the President for any other member of the Society knowing it, shall cause the sexton of the church, to give the sign of agony by twelve strokes of the bell & then those members who can possibly go, shall hasten to the death bed of their agonizing sister & will accompany her soul into Eternity by their prayers & those who cannot go, shall pray at home for her a happy death, reciting the little Rosary of Immaculate Conception for this purpose as soon as the bell gives the sign of agony — Sixth All the members of the Society must get from the Director a certificate of their admission into the Society, in order to enjoy the advantages and honors of the Society, & this certificate must be presented every three months, to said Director, who will at each time certify the good conduct of the members for three months — 7th In the case of the death of some of the members, the two Prefects by order of the President or Director will help in dressing the body & will place the insigna

of the Society upon it — Then they will ask for the papers of admission & good conduct of the deceased & if it is judged that she has been a good member of the Society by the Parish Priest & Officers, they will decide that the deceased deserves the honors of the Society, giving directions to the Prefects to prepare for the funeral service which will be as magnificent as possible and will be performed as follows; first the Prefects will notify the members of the Society both male & female, that the funeral service will take place at such & such an hour & request them to be in full Regalia

2nd If the deceased was a married woman at the appointed time, all the married ladies will repair to the house & accompany the body to the church, where the young ladies & girls will meet the funeral procession at the gate & after the usual ceremony performed by the parish priest, the procession will move to the church in the following order: The girls & young ladies will be arranged by the Prefect two by two & the married ladies by their Prefect will follow; the boys & gentlemen will walk after the coffin; but if the deceased is a young lady the order will be reversed.

3rd When the funeral services in church is over, the procession will move to the grave yard in the same order, and after the burying the ladies will return to the church & say the Rosary for the soul of their departed sister — All the members will offer their first communion after the burying for the repose of the soul of their deceased sister — If the ladies be invited to attend the funeral of a gentleman, they will follow the coffin, & Every year within the Octave of all Saints a solemn funeral service will be performed for the repose of the decease members of this Society.

A high mass will be offered for the same object & all the Members are requested to be present & wearing their Insignia will receive Holy Communion which will be offered for the repose of the Souls of the Persons deceased

9th The Zeal of the Members of the Society is to be particularly displayed in the celebrations of the Festivals of their Blessed Mother & the Mysteries of our Redemption in which She had so great a Part.

10th The festivals of the Society are the following The Immaculate Conception of the Blessed Virgin Mary, Mother of God, 2nd The Holy Week, 3rd The Month of May 4th The Novena & the Assumption of the Blessed Virgin Mary. On some Sunday before these celebrations a Meeting of the Members will be called at which all are requested to attend—

Eleventh The Conversion of Sinners, for whom these Mysteries were more especially wrought must be the great object of the Members prayers

12th Every Saturday the Members are required to be present at the Holy Sacrifice, before which the Second Prefect will read the "Remember Oh! most Compassionate Virgin for the Conversion of Sinners" after mass the little Rosary of the Immaculate Conception will be said in Common by the Members present. And those Members, who cannot be present are requested to recite the Rosary at Home. On the last day of the Month of May a high Mass will be offered up with great pomp for the living Members and a Solemn procession, in which all the Members are required to join, will be the conclusion of the celebration of the Month of May—
