GODEY'S LADY'S BOOK FOR 1863.

Great Literary and Pictorial Year!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty-three* years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND.

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"

who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will all continue to furnish articles throughout the year.

THE BEST

Lady's Magazine in the World, and the Cheapest.

THE LITERATURE

is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE MUSIC

is all orignal, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS.

All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

Immense Double Sheet Fashion Plates.

CONTAINING

From five to seven full length Colored Fashions on each plate. Other Magazines give only two. FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost

$10,000 MORE

than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefitted.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

OUR WOOD ENGRAVINGS,

of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS.

Beware of them. Remember that the Ladys' Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen.—Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar feelings for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTAGES.

No other magazine has this department.

Terms, Cash in Advance.

One copy one year, $3. Two copies one year, $5. Three copies one year, $6. Four copies one year $7.

Five copies one year, and an extra copy to the person sending the club, $10.

Eight copies one year, and an extra copy to the person sending the club, $15.

Eleven copies one year, and an extra copy to the person sending the club, $20.

And the *only* magazine that can be introduced into the above clubs in place of the Lady's Book is Arthur's Home Magazine.

Special Clubbing With Other Magazines.

Godey's Lady's Book and Arthur's Home Magazine both one year for $3 50.

Godey's Lady's Book and Harper's Magazine both one year for $4 50.

Godey, Harper, and Arthur will all three be sent one year, on receipt of $6 00.

Treasury Notes and Notes of all solvent banks taken at par.

Be careful and pay the postage on your letter.

BARBER SHOP OF PHILEMON FLOYD

WHICH has been in your midst for so many years is still in existence, next door to Merrett's Hotel, where you can be shaved, trimmed, clipped, curled, dyed or shampooned at short notice and on terms the most reasonable.

The shop is undoubtedly the best and most commodious on the shore; the chairs pleasant, the razors keen, the attendance polite, and altogether there is no other place of the kind where you would be so likely to get the worth of your money. Come therefore and try it. Returning thanks for past patronage a continuance of the same he earnestly solicits.

The public's obedient serv't,

To the Farmers of Maryland.

THE undersigned having reason to believe that certain commission merchants of Baltimore are using old orders of Farmers, exempting their grain from inspection under the law prior to the late amendment, for the purpose of withdrawing it from Inspection or Weighing under the amended law, contrary to the interest and the intention of the Farmers.

I respectfully suggest to the Farmers that the amended law being for their protection, and reducing the fee for Weighing and Inspection to one quarter of a cent per bushel, the amount heretofore charged by the unofficial weighers, it is advisable that they revoke the old orders, written before the amendment, as the best way to prevent their being deprived of the benefit of the law so essential to their security, by commission merchants disposed to embarrass its execution.

B. F. MAY,
Inspector General of Grain.

CIRCULAR

TO THE FARMERS OF MARYLAND.

WE, the undersigned, State Inspectors of Grain for the City of Baltimore, having entered upon the duties of our office, respectfully beg leave to submit to the special consideration of the Farmers generally, this our Circular, showing the advantages to be derived by them in submitting their Grain for sale under the provisions of the Law regulating the Weighing, Inspecting and Measuring of Grain sold in the City of Baltimore.

By ordering Grain inspected, the Farmers will have the advantage of the inspection gratis; have their Grain weighed and measured by sworn officers, who will be entirely independent and impartial, and pay no more for the whole than they usually do for weighing and measuring Grain when those duties are performed by parties (who are not sworn) provided by the purchaser.

In addition, if Grain is refused to be taken by the buyer, under the law, and for any cause it is rejected, ample provision is made to test the validity of his conduct.

If the value of the rejected Grain be less than $100, the case is to be tried in five days, before a Justice of the Peace, and if it exceed that amount, it shall be tried at the first term of the Court of Common Pleas, or the Superior Court of Baltimore City, and in either event the seller, if successful, shall recover double the damage sustained, with the addition of ten per cent for delay.

If Grain should not be inspected all these generous provisions are lost to the Farmer, and he is left to pursue the ordinary dilatory proceedings of Courts and Justices.

The Inspectors will make no Additional Charge for Inspecting Grain.

Their only charges will be ¼ per cent for Weighing, and ¼ per cent for Measuring: the cost of weighing, by the recent Act, is chargeable to the purchaser. Should the Farmer desire to waive the Inspection, as provided for under the Law, he can have us (and we claim the right) to weigh and measure his Grain.

But to promote the general interests of the Farmer, and to sustain a law so long desired by the people of the State, we respectfully ask that you direct the Captain who carries, or Agent who sells, to submit all Grain sold for you, to the Inspection Law.

We remain, with highest considerations of respect, your, &c.,
