Ayer's CATHARTIC PILLS.

Are you sick, sallow, and crabbed? Are you out of order, with your system deranged, and your feelings generally deadened? Do you wish a cathartic to clear the prelude to serious illness? Some of the diseases to which you are exposed should be warded off by a timely use of the right medicine. Take Ayer's Pills, and expel the disordered humors—purify the blood, and let the health course unobstructed in its channels. Their stimulation the functions of the body into vigorous activity, purify the system from the effete matters which make disease, and restore to healthy action the organs of digestion, circulation, and secretion. Hence, if they be followed, result upon the intestines and the surrounding organs, producing general aggravation, suffering, and disorder. While in this condition, exposed to the deleterious, take Ayer's Pills, and see how quickly they restore the normal action of the system, and what a flood of health follows in their train. What is true in this instance, is true in many a similar complaint, is a cause in many of the deep-seated and dangerous ailments. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the bowels, they require the same treatment, and are cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in one of the principal cities, and from other well-known public persons:

*From a Forwarding Merchant of St. Louis, Feb. 4,*

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of severe sores upon her hands and feet that had passed incurable for years. Her mother had been long grievously afflicted with bronchitis and lung complaint, for which she has tried your Cherry Pectoral. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

*As a Family Physic.*

*From L. L. W. Cartwright, New Orleans.*

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

**Headache, Sick Headache, Foul Stomach.**

*From J. L. Edwards, Baltimore.*

DEAR DR. AYER: I cannot answer you what compounds I have cured with your Pills better than to say all that we ever cure with a purgative medicine. I place great dependence on that effectual cathartic in my daily contest with disease, and believing as I do, that your Pills afford us the best we have, I of course value them highly.

PITTSBURGH, Pa., May 1, 1855.

DR. J. C. AYER: Sir, I have been repeatedly cured of the worst *headaches* anybody may have by a few doses of your Pills. Relieving to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. FEERLE,
*Clerk of Steamer Clarion.*

**Bilious Disorders—Liver Complaints.**

*From Dr. Theodore Bell, of New York City.*

Not only are your Pills admirably adapted to their purpose as I experience, but I find their beneficial effect upon the liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely believe that we have at last a cathartic which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1855.

SIR: I have occasion to use your Pills in my general and hospital practice, and have found those you made them, and cannot hesitate to say they are the best cathartic we employ. Their alterative action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* in which I did not feel confident of doing well by them. Internally yours, ALONZO FALL, M. D.,
*Physician of the Marine Hospital.*

**Dysentery, Diarrhoea, Relax, Worms.**

*From Dr. J. G. Green, of Chicago.*

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses, for *bilious dysentery and diarrhoea*. Their sugar coating makes them very acceptable and convenient for the use of women and children.

**Dyspepsia, Impurity of the Blood.**

*From Rev. J. V. Himes, Pastor of Advent Church, Boston.*

DR. AYER: I have tried your Pills with extraordinary success in my family and among those I am called to visit in my ministry. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to clear the system and purify the functions of the blood. JOHN G. MEACHAM, M. D.

**Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.**

*From Dr. J. P. Vaughn, Montreal, Canada.*

Too much cannot be said of your Pills for the cure of *costiveness*. Hosters of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the precursor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

*From Mrs. E. Stuart, Physician and Midwife, Boston.*

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural functions when wholly or partially suppressed, and also very effectual to *cleanse the stomach and expel worms*. They are so much the best physic we have that I recommend no other to my patients.

*From the Rev. Dr. Hawker, of the Methodist Episcopal Church.*

TULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the real service which your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains*, which ended in *chronic rheumatism*. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that has afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its injudicious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

PROVOST MARSHAL'S OFFICE,
FIRST DISTRICT MARYLAND,
Easton, July, 1863.

**Men Wanted for the Invalid Corps.**

Only those faithful soldiers who, from wounds or the hardships of war, are no longer fit for active field duty will be received in this Corps of Honor. Enlistments will be for three years unless sooner discharged. Pay an allowances same as for others and men of the United States Infantry; except that no premiums or bounty for enlistment will be allowed. This will not invalidate any pensions or bounties which may be due for services.

The following uniform has been adopted for officers and men of the Invalid Corps:

FOR OFFICERS.—Frock coat—Of sky blue cloth, with dark blue velvet collar and cuffs; in other respects, according to the present pattern for officers of infantry.

Shoulder straps—According to present regulations, but worked on dark-blue velvet.

Pantaloons—Of sky-blue cloth, with double stripes of dark-blue cloth down the outer seam, each stripe one-half inch wide, with space between of three eighths of an inch.

Forage cap—Present regulation.

FOR ENLISTED MEN.—Jacket—Of sky-blue kersey, with dark-blue trimmings, cut like the cavalry jacket, to come well down on the abdomen.

Trowsers—Present regulation, sky-blue.

Forage cap—Present regulation.

Men who are still in service and unable to perform effective field duty, may be transferred to this corps.

Medical Inspectors, Surgeons in charge of Hospitals, Military Commanders, and all others having authority to discharge, under existing laws and regulations, are forbidden to grant discharges to any men under their control who may be fit for service in the Invalid Corps.

For the convenience of service, the men will be selected for three grades of duty. Those who are most efficient and able bodied, and capable of performing guard duty etc., etc., will be armed with muskets, and assigned to companies of the First Battalion. Those of the next degree of efficiency, including those who have lost a hand or an arm; and the least effective, including those who have lost a foot or leg, to the companies of the Second or Third Battalions; they will be armed with swords.

The duties will be chiefly to act as provost guards and garrisons for cities; guards for hospitals and other public buildings; and as a clerks orderlies, etc. If found necessary they may be assigned to forts etc.

Acting Assistant Provost Marshals General are authorized to appoint Officers of the Regular Service, or of the Invalid Corps, to administer the oath of enlistment to those men who have completely fulfilled the prescribed conditions of admission to the Invalid Corps, viz:

1. That the applicant is unfit for service in the field.

2. That he is fit for the duties, or some of them, indicated above.

3. That, if not now in the service, he was honorable discharged.

4. That he is meritorious and deserving.

For enlistment or further information apply to the Board of Enrolment for the district in which the applicant is a resident.

### Poco-Metalic Paint.

THE experience of the past season warrants the conclusion that the above is the cheapest and best Paint for several purposes, and especially for the bottom and decks of Vessels.—It is said to be, by those who have tried it, fully equal, if not superior to the *celebrated Patent Paint*, for the bottoms of vessels, in preventing them from *fouling*, and in its durability it has no superior. Its cost is only about ½ that of the Patent Paint, and in this particular it should recommend itself to vessel owners. We mention the names of vessel owners and masters below, all of whom have tried it, and who will take pleasure in giving any information with regard to it that may be desired. They all speak of it in the highest terms:
