Poro-Metallic Paint.

THE experience of the past season warrants the conclusion that the above is the cheapest and best Paint for several purposes, and especially for the bottoms and decks of Vessels. It is said to be, by those who have tried it, fully equal, if not superior to the *celebrated Patent Paint*, for the bottoms of vessels, in preventing them from *fouling*, and in its durability it has no superior. Its cost is only about ⅓ that of the Patent Paint, and in this particular it should recommend itself to vessel owners. We mention the names of vessel owners and masters below, all of whom have tried it, and who will take pleasure in giving any information with regard to it that may be desired. They all speak of it in the highest terms:

Capt. ED. LEONARD,
" N. E. NICOLS,
THOS. C. NICOLS, JR.,
JNO. BECKWITH, Capt. of Schooner Easton,
JAS. CHRISTOPHER, Capt. of " Eliz. Jane,
EDW. BLAND, Capt. of " Bucephalus.

BARBER SHOP

OF

PHILEMON FLOYD

WHICH has been in your midst for so many years is still in existence, next door to Merrett's Hotel, where you can be shaved, trimmed, clipped, curlest, dyed or shampooned at short notice and on terms the most reasonable.

The shop is undoubtedly the best and most commodious on the shore; the chairs pleasant, the razors keen, the attendance polite, and altogether there is no other place of the kind where you would be so likely to get the worth of your money. Come therefore and try it. Returning thanks for past patronage a continuance of the same he earnestly solicits.

The public's obedient serv't,
PHILEMON FLOYD.

A Card to our Customers.

NOW is the time to buy your Hardware.—Every thing is advancing at such a rate there is no telling where it will get to. As usual we are selling at the lowest rates the market will afford. We can and do sell lower than retailing in the city and therefore every one should deal at home.

Those indebted to us for long standing bills would do well to attend to them at once. We cannot practice the virtue of *forbearance* much longer, and you need not be surprised to see a stranger coming to see you pretty soon, unless you come to see us.

Hurry up and see how glad you can make us. Every little helps. Very respectfully,

HARRISON'S FERTILIZER.

A PERFECT FOOD FOR EVERY VARIETY OF FARM & GARDEN CROP.

THE invention of the compound bearing the foregoing title, was prompted by the conviction, that no means of fertilization, either natural or artificial, yet existed to meet the demands of Agriculture and its kindred interests, or re supply the nutritive elements which present methods were constantly removing from the soil, and with the means of but partial and very limited restoration.

It contains all the elements of nutrition, for every plant, shrub and tree, and their seeds, grains and fruits, cultivated for the use or benefit of man or the lower animals.

It will furnish every element requisite for the most rapid, equable and enlarged growth, the most perfect structure of every organ of each plant, the most mature development of their fruit, and, consequently, the most healthy constitution possible to attain.

It will give fertility to the most barren soils, and maintain the highest fertility in all soils.

☞ Discriptive Circulars, of its character, properties and uses, and testimonials of its great practical results—sent free by mail. *Price not advanced*—$50 per ton, of 2000 lbs., in bags of 200 lbs., each—net cash.
