CENTREVILLE SELECTED

As The Place For Holding Republican Judicial Convention.

The Republican State Central Committees from the counties comprising the Second Judicial Circuit of Maryand met in Centreville last Wednesday for the purpose of fixing the time and place of the Republican Judicial Convention, to nominate two Associate Judges.

Their meeting was held at the Hotel Arlington with Mr. Wilbur Ellason, of Kent county, as chairman, and Mr. W. Cookman Orrell, of Centreville, secretary.

Centreville was selected as the place for holding the Convention, and the date decided upon was Tuesday, August 20th.

It is stated that Messrs. Wm. T. Warburton, of Elkton, and Albert G. Towers, of Denton, are slated as the nominees.

Those who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. This may be done by taking something that contains natural digestive properties—something like Kodol for Indigestion and Dyspepsia. Kodol is a preparation of vegetable acids and contains the very same juices found in a healthy stomach. It digests what you eat. Sold by J. T. Holland.

WORKINGMEN EVERYWHERE USE PE-RU-NA.

The Average Household Finds Pe-ru-na Not Only a Friend in Time of Need, But a Saving of Doctor Bills.

Pe-ru-na is to Be Found in Thousands of Homes of the Working Men.

Mr. Victor Patneaude, 328 Madison street, Topeka, Kas., a well-known carpenter and member of Knights and Ladies of Security, writes:

"Twelve years ago I had a severe attack of la grippe and I never really recovered my health and strength, but grew weaker every year, until I was unable to work.

"Two years ago I began using Peruna and it built up my strength so that in a couple of months I was able to go to work again."

A workingman's home is usually one with a large family. Children of all ages and both sexes are being reared. They are subject to slight ailments, winter and summer. A doctor is sent for every time a petty sickness occurs. The expense will keep the family poor.

In such a household Peruna becomes a real blessing. It promptly meets the most common ailments due to the cold of winter or the heat of summer. A stitch in time saves nine. A dose or two of Peruna prevents serious and extended illness many a time.

The workingmen everywhere have come to realize that Peruna is the workingman's friend and saves him not only sickness, but a great many dollars every year.

Rev. J. G. Dukes, Pastor of the Unitarian Church of Pinetown, N. C., writes:

"My *wife* has been in a very *bad state of health* for several years, and nothing seemed to do her any good until she began to use *Peruna*. Since then the color has returned to her face, and she is *gaining in flesh* every day, and I believe she is a *well woman* today. We always keep a bottle in the house, and Mrs. Dukes thinks it has done her more good than anything she has ever taken.

"My little *boy* ten years old was *pale* and had but *little life*. He began to use *Peruna* the day his mother began. To-day his face is rosy, and he is out in the yard romping and jumping with the best of them."
