Trustee's Sale.

BY virtue of a decree of the Circuit Court for Talbot county, in Equity, the undersigned as Trustee, will sell at public auction in front of the Court House, in the town of Easton on

Tuesday, 12th of February next,

that handsome farm called "ARCADIA," known as the farm of Thos. M. Faulkner, situated about half a mile from Easton upon the Dover Road, in full view of the town, and containing

102 ACRES OF LAND,

more or less. The location is one of the most desirable in the vicinity and possesses greater advantages than any so near the town, that can be purchased on moderate terms. The soil is of the finest quality, susceptible, highly productive and easily cultivated. The dwelling is small, but comfortable, with FOUR ROOMS and a KITCHEN. Also there are three small tenements very important for the accomodation of labor for the farm. The out buildings consist of a Corn House, Shed-Stables, Granary, &c. The farm is in three fields: has two wells of pure and most excellent water; is adapted to the growth of Grass as well as Grain, and has an ORCHARD of choice fruits, Peaches, Apples and Pears.—The land is mostly arable, only a few acres being in WOOD. It is very desirable as a dairy and market farm, and valuable for raising Stock. The Easton Market is one of the best in the county, and the Md. & Del. R. Road now in course of completion will still improve the market and increase the value of the farm. The R. R. Station will only be a few hundred yards from the place. There is a rare chance for a bargain in this property.

Terms:—One fourth of the purchase money must be paid on the day of sale—the residue secured by bond with sureties approved by the undersigned payable in three equal instalments at twelve, eighteen and twenty-four months, with interest from day of sale—cost of stamps and title papers at the expense of the purchaser. Possession 1st of January, 1868—proportion of rent from day of sale to purchaser, he paying taxes for the year 1867.

I. C. W. POWELL,
jan 12-3t Trustee.

Ayer's Cherry Pectoral

IS a soothing expectorant, prepared to meet the urgent need of a safe and reliable cure for diseases of the throat and lungs. A trial of many years has established the fact, that it is more efficacious in pulmonary affections, than any other remedy. Its efficacy has now become so generally known, that it is justly regarded in many countries as a medicine of indespensable necessity. In Great Britain, France and Germany, where medical science has reached its highest perfection, it is prescribed in domestic practice, and constantly used in the armies, in hospitals and other public institutions, where it is regarded by the attending physicians as the most speedy and agreeable remedy that can be employed. Scarcely any neighborhood can be found where well known cases of diseased lungs which had baffled the efforts of the most skillful and experienced doctors, have been permanently cured by it. These results are the most convincing proofs of the superior curative properties of this preparation; and to them the authors point with peculiar satisfaction. While it is most powerful against confirmed diseases, it is extremely gentle as a medicine in infancy and youth, being quite harmless to even the youngest, when administed judiciously.

This health-restorer accomplishes even more by prevention than cure. If taken in season, it heals all irritations of the throat and lungs, whether arrising from Colds or Coughs, or from other causes, and thus prevent that long train of painful and incurable diseases, which would arise from the neglect of them. Hence no family should be without it. Influenza, Croup, Hoarseness, Whooping Cough, Pleurisy, Incipient Consumption, and other affections of the breathing organs, give way before this pre-eminent combination of medical virtues.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass, and sold by all Druggists and dealers in medicine everywhere. [jan 5-2m

THE FALL FASHIONS.

MY friends and the public generally are notified that I have just received the FLL FASHIONS, and am prepared to "cut and fit" coats, pants and vests in a manner to please all.

I hope my friends will all give me an early call and leave their measures, as nothing sets off a gentleman so much as a new suit of fashionable clothes.

All work made by me warranted to fit. Cutting done as usual.

I want all my friends to know that I work *very cheap* for CASH; and it is better to pay the cash than to have their work done on a credit;

All whose accounts have been standing over twelve months, are notified that *one year* is the limit of the law; if they don't call and settle, I shall be compelled to send some one to hunt them up. So, come up, friends, and do the fair thing, that there may be no hard thoughts between you and your tailor.

TO meet an urgent necessity in this community I propose to open in Easton, a *first-class* Seminary for Young Ladies and Misses, assisted by accomplished Instructors.

There will be two departments, the Primary and Senior; embracing a thorough and practical course of instruction, from the simplest rudiments of an English to the most finished studies of a Classical education, together with French, German and Music—vocal and instrumental.

The Scholastic year will be divided into two terms of five months each, commencing on the first Monday in September, and ending on the last Friday in June.

I will take pleasure in obtaining pleasant accommodations for those living remote, desiring board.

All who wish to avail themselves of this opportunity will address me at Easton, on or before the 15th of August, and I will send them as Circular containing full information.
