WORCESTER COUNTY PLANNING COMMISSION

Pursuant to Section 2-303 (9) of the Worcester County Subdivision Ordinance, the following statements are required to be attached to and recorded with the plat shown on page 1 hereof.

- A. The grant of a permit or approval of this subdivision shall not constitute a representation, guarantee, or warranty of any kind by Worcester County or by any official or employee thereof of the practicability or safety of any proposed use, and shall create no liability upon the county, its officials or employees.
- B. Any approval by the Worcester County Environmental Programs of any sewer or water system or suitability therefore is based upon state and county standards existing as to the date of approval; such standards are subject to change and a building permit may be denied in the future, in the event standards cannot be met as of the date of application for such permit.

WORCESTER COUNTY ENVIRONMENTAL PROGRAMS

This subdivision is approved for interim individual water supply and sewage disposal systems in accordance with the county comprehensive water and sewer plan. The applicant or any future owner must discontinue use of these systems and connect to the community system(s) when available.

Soil evaluation was completed based on existing elevation. Any alternation of elevation or change of grade level are prohibited without prior approval of this office. Sewage reserve area cannot be within 5 feet of property line.
