LOCALS.

CHRISTMAS.—The casual passer by has only to cast an eye into the windows of the places of business on Washington street to thoroughly convince him that Christmas is nearly upon us, but the greatest variety of toys, Christmas presents and everything that is calculated to gladden the heart of the little one, may be found at the establishment of Professor Minnick, successor to Chas. Robinson.

Messrs. Henry & Goldsborough, have also opened a fine assortment of fancy boxes, vases, perfumery, &c., for the holidays.

Bateman & Trippe, (next door to Mrs. A. E. Mason's Millinery Store,) have on exhibition a beautiful assortment of Christmas goods, calculated to please the fancy of all, besides fruits, confectionery, &c.

Messrs. Dawson & Bro., have just returned from the city and are now opening Christmas goods in variety.

Powell & Wright have just received a new stock of goods—such as dry goods, groceries, &c., and wines, brandies, whiskeys, &c.

Mr. Joseph Rasin invites special attention to his stock of liquors—which has just been received.

D. B. Griffith's variety store is still replete with all kinds of goods such as are used in families—from a pickled bean to a ham of the most delicious flavor.

Messrs. Nicols & Taylor are constantly receiving hardware of all kinds, and many articles that would make handsome Christmas presents to mothers' fathers, sisters and brothers. They also have a very fine variety of robes and knee blankets.

J. T. Rathell, at the old stand of J. H. Grace & Co., is still closing out his stock at very low figures.

Messrs. Cheezum & Co., have now a full stock at their established stand, where cloths, cassimeres, Ladies' dress goods and notions can be had on the best terms.

Wilson & Son, we see have also just received another addition to their already large stock of dry goods, groceries, Christmas goods, &c.

Messrs. Thompson & Kersey, as usual, are in pace with the times. New supplies are arriving by almost every boat, and their motto is "Not to be undersold."

J. J. Jump & Co., at the corner of Washington street and the market, are making their cash store a great success. They are constantly on the stir and go it on the principle of "quick sales and small profits."

R. Tharp, on the corner of Washington street and Rail Road Avenue, has laid in a full supply of fruits, candies, nuts, etc., for Christmas. Also, flour and groceries of all kind constantly kept.

In the "Head Gear" line, Barston, at his old stand, can supply in any style, variety or price.

Higgins, at the corner of Washington and Dover streets, has received a supply of the latest styles and finished off with the neatest touch.

Jesse Hughes has a full stock of boots and shoes for the present and approaching seasons—of the heaviest make or the lightest dress.

C. Elliott has just returned from Baltimore with a large lot of the best that Dixon & Bro's., large establishment could furnish. He is now opening at his old stand, where the public can examine them.

Jos. Thompson can also be found at his post, dealing out boots and shoes of a quality unsurpassed.

Moses Herz, the clothing man, has garments of all kinds, to fit all sizes of men and boys.

S. L. Steinem's stock of ready-made clothing will favorably compare with any that can be found, in style, price or quality.

$100 REWARD.—It will be seen by advertisement in another column that the Commissioners of Talbot county have offered a reward of "$100 for the arrest and delivery in Easton jail, of Chas Hughes, a fugitive from justice, charged with committing an assault with intent to commit a rape on Sallie Davis, a white girl 12 years of age, on her way to school" For description see advertisement.

SALE OF HORSES.—Mr. F. G. Wright, of Easton, a few days ago, sold a very fine pair of cream colored colts to Dr. N. Pinkey, of the U. S. Navy, for $550.—These ponies are of good style, fine travelers and of desirable stock. They have been driven almost entirely by Mr Wright himself and there will be found very few more handsome and gentle turn outs than that of the Doctor's.

ILL.—We regret to learn the illness of E. M. Dawson, Esq., Book Keeper of the Easton National Bank of Maryland. His disease is Pneumonia and yesterday he was in a very critical condition.

RAIL ROAD ELECTION.—The Stockholders of the Md. and Del. Rail Road Company, met at their office in Easton, on Wednesday last, for the purpose of electing officers of the Company for the ensuing year, when the following named gentlemen were elected:

President—C. W. Huntington.
Treasurer—Dr. G. W. Goldsborough.
Directors—Wm. Slaughter, David Knotts, J. A. W. Powell, Dr. G. W. Goldsborough, Dr. Alex. Hardcastle, J. P. Manlove, Saml. Hambleton.

In the afternoon the newly elected officers and a number of citizens made a trip down the road in the direction of Oxford, as far as the track is laid. The iron is laid within a mile of the above named place and those who made the trip were highly gratified at the smoothness and good condition of the road.—Mr. Caldwell, the stirring and obliging Superintendent of the road has been pushing the work rapidly to get the road completed before the freezing weather commenced and he has performed his duty admirably. In the course of three or four weeks the track will be in sufficient order for the cars to run regularly, but it is doubtful whether there will be regular trains to Oxford before the Spring trade opens, but should there be sufficient freight at that point at one time to load a car, we are sure that accommodations will be provided. The Pier, which is to be located at some point on the river between the old Wind-Mill and the main road, in all probability will not be commenced until the Spring.

Dr. N. PINKNEY, U. S. Navy, and family have removed to Washington, where he has been appointed to take charge of the medical department at the Navy Yard. The Doctor's ability in this profession and long experience in the Navy amply fits him for the position.

PRESENT OF A FLAG.—Dr. N. Pinkey, U. S. Navy before his departure for Washington, made a present to the "Fire Brigade" of Easton, Capt. Roberts, of a very nice flag. It will be presented to the company on the Court House Green on Monday night next, by Mr. W. Hulse.

DIED AT SCHOOL.—Stephen J. Chilcutt, son of John Chilcutt, Esq., of this county, died at the Ashland, (Va.) Macon College, on Monday last his remains were accompanied home by his father, sister and four of his school mates. On Thursday he was interred in the M. E. Cemetery at Easton.

MARRIED.

ROBERTS—SATTERFIELD.—At the residence of the bride's father, in Easton, on the 13th inst., by Rev. D. L. Greenfield, Decatur H. Roberts and Miss Fannie M. Satterfield, all of this town.

Amid the festivities of the occasion, the Printer was not forgotten and the happy twain will accept our hearty congratulations.—May the blending of these two spirits be to their joy as the harmony of sweet music is to the sensitive ear.

DIED.

GANNON.—At his residence, near Jarrelltown, in Chapel District, on Thursday, the 15th inst., of Pneumonia, R. H. Gannon, after an illness of two weeks, in the 59th year of his age.

The friends of the family are invited to attend his funeral at his late residence, this (Saturday) morning, at ten o'clock.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption:

R Probably never before in the whole history of medicine, has any thing won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonory complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affection of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever Chill Fever, Remittent Fever, Dumb Ague, Periodical or Billious Fever, &c. and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As it names implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or traveling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Billous Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass. and sold all around the world. Price $1.00 per bottle. (nov 12 3m
