QUESTIONS ASKED AND ANSWERED.

—OX—

WHY do the people RUSH to M. M. HIGGINS' of late and buy his *SUGAR, COFFEE, &c.?*

Because HE is selling them *CHEAPER* than any can elsewhere be purchased.

WHY is HIGGINS selling so much *BACON, LARD, FISH, CHEESE, FLOUR,* by the barrel as well as by retail, Salt, Tobacco, Crackers, &c.?

Simply because he has proven his ability and intention of selling them a little mite lower than any one else.

Why is it that HIGGINS is obliged to keep twice as large an assortment of

BOOTS AND SHOES

last year, and also be constantly replenishing his stock?

Only because the public are finding it to their advantage (hugely) to buy of him, where they can *without partly,* be positive that they are saving from 25 to 50 cts. on each pair of Shoes or Boots they buy of him.

How is it that "Higgins" can afford to sell cheaper than others, his goods being purchased, perhaps, of the same houses?

Because his store expenses are very light and he aims to be as economical as possible.

Are the above questions answered? If so, let everybody call and see if they are answered truly, and if truly, then let all so convinced benefit themselves thereby.

He can be found at his old stand, No. Washington & Dover Streets
