The Easton Gazette,

Saturday Morning, Jan. 14.

The Gazette is Published

EVERY SATURDAY MORNING

BY

WILLIAM H. COUNCELL,

EDITOR AND PROPRIETOR.

TERMS:

TWO DOLLARS PER ANNUM IN ADVANCE, or TWO DOLLARS AND FIFTY CENTS if not paid within ONE MONTH of the time of subscribing, or the renewal of subscription—a failure to notify a discontinuance considered as a new engagement.

ADVERTISEMENTS

Or one square (8 lines,) inserted ONE TIME FOR ONE DOLLAR, and TWENTY-FIVE CENTS for each subsequent insertion. Longer ones in proportion. A liberal deduction to yearly advertisers. Advertisements not marked the number of insertions desired, will be continued until forbid, and charged accordingly.—Marriages and Deaths inserted without charge. Merchants and others who advertise by the year, will in no case be allowed to insert any advertisements not connected with their regular business, without an additional charge. All orders addressed to the Editor, will receive prompt attention.

REDUCTION IN TARIFFS.—With the First of January, 1871, according to the recent law passed by Congress, a material change took place in many household commodities kept by all grocery men.—For the benefit of the public we name in part the articles coming under these reduced rates:—Teas, from 25 to 15 cents; coffe, from 5 to 3 cents; new sugar, from 3½ to 1¾ cents; sugar above No. 7 from 4 to 2 cents; refined sugar, from 5 to 3 cents; cane molasses, from 8 to 5 cts, brandy from $3 to $2; liquors, from $250 to $2 per proof gallon; wool, from 30 per cent. to 11 and 10 cents; steel railway bars, from 2½ and 10 per cent. to 1¼ cents; pig iron, from $9 to $7; cast and wrought scrap are each increased $1 per ton. Fifty two articles, mostly drugs are placed upon the free list; and the tariff upon forty reduced. These reductions might be expected to make them selves felt in cheapening prices, but whether the effect will be immediately or not, remains to be seen. Who will be the first one of our merchants to proclaim the glad tidings.

SUDDEN DEATH.—On Thursday morning last Mrs. Alice Goldsborough was found dead in her bed at the boarding house of Mr. Hugh Hambleton, in Easton. Mrs. Goldsborough has been afflicted for a considerable length of time with asthma and in a very delicate state of health generally, but up to about four o'clock Thursday morning appeared as usual. About 6 o'clock it was supposed she was asleep, but it was soon ascertained that she had died with an effection of the heart. She was the widow of the late Charles Goldsborough.

SILVERSMITHING.—Mr. E. H. Anderson has returned to Easton for the purpose of again conducting the Silversmithing business, and can be found at the furniture ware room of Mr. Samuel Patchett, one door South of Dover street Mr. Anderson, as a workman, needs no recommendation. He is known to have but few superiors in the State. He also repairs and puts in order Sewing machines of all kinds.

NEW ESTABLISHMENT.—It will be seen by advertisement in another column, that Samuel Patchett, E-q., has fitted up the room next door to Elliott & Rathell's boot and shoe store, where he keeps furniture of all sorts. He has also purchased a nicely finished hearse and will furnish coffins and attend funerals when ever desired.

SCRIBNER'S MONTHLY.—We have received the January number of Scribner's Monthly, published in New York—conducted by J. G. Holland. This Magazine contains 352 pages, mostly illustrated, large, clear print, and matter of great interest. "Fairmount Park." "Kings of the Air," the "Goblin of the Ice; or. Christmas at the North Pole," "A Christmas Eve in Germany," "The Old Cabinet," "Books and Authors at Home," are a few of the subjects given in this number. $3 a year. Address Scribner & Co., 654 Broadway New York.

"WOMANS' JOURNAL.—We have received a copy of the Womans' Journal, which advocates the equal rights of Woman and especially her right of suffrage. Mary A. Livermore, is the managing editor, Julia Ward Howe, Lucy Stone, Henry B. Blackwell, T. W. Higginson, associate editors. It is an eight-page paper, ably edited and of beautiful typographical appearance. The Journal is published every Saturday in Boston and Chicago at $2.50 per year. Address Henry B. Blackwell, Box 4297, Boston.

DEATH WARRANTS SIGNED.—Governor Bowie signed and sent to the Sheriffs of the different counties, the following death warrants: John Howard, alias Evans, alias Lewis, convicted of murder in the first degree in Allegany county; Mary Wallis (colored) convicted of murder in the first degree in Prince George's county; and John Martin (colored) convicted of rape in Frederick county.—The 10th day of February next is fixed as the day of execution of the above convicts.

NEW STOCK.—Mr. Joseph H. Thompson, opposite the post office, requests us to say that he has just returned from the city with a large and neat assortment of Boots and Shoes of all sizes and kinds.—He invites the public to examine his house.

The steamer Kent arrived at Easton Point Wharf on Wednesday evening last, the first boat we have had since the freeze commenced. She brought a quantity of freight. The boat due at Miles River Ferry yesterday, did not arrive.

We have been laboring under difficulties in our office this week, which were unavoidable. Our foreman, Mr Loveday, has been engaged with his father, A. J. Loveday Esq., who is very ill, a considerable portion of his time, and in consequence which our paper has suffered very materially.

A HOUSEHOLD REMEDY.—No family should be without some efficacious remedy for the cure of affections, so universally prevalent as coughs, colds, sore throat, whooping cough and croup—some remedy, too, which can be relied upon as safe cure and certain. *Dr. Wistar's Balsam of Wild Cherry* combindes the *desideratum.*

TRAPPE ITEMS.

Samuel Bantum was arrested by Constable Rathell, on last Wednesday, on the charge of stealing rails from the woods and doing up his fence, he was committed to jail in default of bail.

It appears, that the rails were counted, put up in the woods, and Mr. Jesse Mullikin's name (who rents the farm) was written upon the rails and found upon the fence of Sam and his brother Sol. Bantum, a colored preacher and school teacher. Sol. has left for parts unknown.

Rev. Dr. Munsey will lecture in the M. E. Church, South, in this place on the 24th, on the Philosophy of Music.

The proceeds to be applied to the use of the Church.

An attempt was made last Monday night, to enter Isaac Bryan's store, by boring through the front door, but from some cause was unsuccessful.

Mrs. Elizabeth Rolle has sold one hundred acres of her farm (near Trappe,) with the improvements, to Mr. John F. Mullikin for $200.

Manhood: HOW LOST, HOW RESTORED.

Just published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure, (without medicine,) of Spermatorrhoea, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents.

The celebrated author in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, private and radically.

This Lecture should be in the hands every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of 6 cents, or two post stamps.
