LOCALS.

CHANGE OF PROPRIETORSHIP.—For several days invoicing has been going on at the Brick Hotel, in Easton, preparatory to Mr. C. W. Bennett, of the Dorchester House, Cambridge, taking charge. For several years Mr. J. C. Norris has been conducting the "Brick" in the most satisfactory manner—in fact we doubt whether there ever was a more popular hotel keeper in Easton than Mr. N., and he retires from the business with the good wishes of his numerous friends.

Mr. Bennett comes among us highly recommended, and as having large experience in the hotel business. The Cambridge Chronicle, in speaking of the change says:

"We were sorry to learn on Saturday last, that Charles W. Bennett, the popular proprietor of the Dorchester House, had made final arrangements with J. C. Norris, of Easton, to take the Brick Hotel at that place, and would remove on Monday to his new residence.

Mr. Bennett came to our town some ten or twelve years ago, a stranger, but from his enterprising character, his excellent management and obliging disposition and manners, he introduced a new era in the hotel business in our town, and has made hosts of friends who will regret his departure. He leaves here with our best wishes, and we have no doubt will meet with even greater success in Easton—we cordially commend him to our neighbors in Talbot.

Mr, Henry M. Bennett will continue to conduct the Dorchester House, in the name of Bennett Brothers.

The negotiations were made by our young fellow-townsman, Wm. Hemsley, Esq., now of the firm of Pentose, Porter & Hemsley, Philadelphia. In the last three or four changes that have taken place in the proprietorship of this Hotel—Mr. Hemsley—notwithstanding his youth—has been the third party. He is the travelling member of his firm and has proven himself, not only to be a live man in his own business, but that he is ever ready to lend a helping hand to a friend or to any one in an hour of need.

Mr. Bennett takes charge of the 'Brick' this (Saturday) morning.

AMERICAN WINES.—It is not generally known that Cape Colony produces the most delicious wines grown on the face of the earth. A cargo received as a remittance by our neighbors, Dr. J. C. Ayer & Co., contains several varieties raised there, among which the Constancia commands the highest price of any in the world. Almost the entire crop of it is consumed in the palaces of Europe, this rare excepition being sent to them in exchange for their medicines, which have long been the staple remedies of South Africa. (Boston Journal.

TOWN ELECTION.—On Monday last, there was an election held in Easton, to fill the vacancy caused by the term of R. H. T. Councell, Esq., in the Board of Town Commissioners, expiring. There were no political issues connected with it—all parties voting as they thought the occasion required, and particularly with an eye to the finishing up the late town improvements. There were 139 votes cast—out of which R. H. T. Councell received 101 and James C. West 38.—Twenty-two colored voters availed themselves of the opportunity of depositing their ballots.

☞ IN Easton, on Thursday last, about 11 o'clock, John R. Thomas, son of Hon. P. F. Thomas, died, after several months of declining health. He was a young man of good business qualifications and of congenial disposition. His remains will be taken to Christ Church to-day, where the funeral will take place at 2 o'clock P. M., and from thence to "Perry Hall," the old family burial ground, where they will be interred.—The friends of the deceased are respectfully invited to attend.

☞ THE Md. & Del. Rail Road is now run by the Company. On Tuesday last at a meeting of the directors, the contractors—Messrs. Caldwells—delivered up the stock, road, etc. Mr. J. L. Caldwell still continues to superintend the whole line, and the travelling public would very much regret to have him leave that position. Thos. W. Scott, Esq., the Auditor of the Company, was also elected Secretary and Treasurer, in the place of Dr. G. W. Goldsborough, resigned. Mr. Scott has been in our midst for the last eighteen months or two years, and has been a most faithful officer.—He is accommodating and always at his post.

THE AFRICAN M. E. CHURCH CONFERENCE.—The Annual Conference of this Church closed its session in Easton, on Tuesday last.

On Sunday Last, Bishop Wayman preached in the Town Hall, as announced in the *Gazette* of Saturday last. At the appointed hour the Hall was filled and among the audience there were some fifty or seventy-five of our white citizens. The Bishop took for his text, "I commend you to God and the word of his grace." &c., 20th chapter of Acts, 32d verse.

In the afternoon Dr. Revels occupied the pulpit and preached from the following text:—"Behold I will stand before them upon the rock in Horeb, and thou shalt smite the rock, and there shall come water out of it that the people may drink,"—Exodus 17th chapter, 6th verse. At night Bishop Brown of the South Carolina Conference preached. During the day and at night there was also preaching in the colored Churches.

On Monday, the Conference met as per adjournment, Bishop Brown in the Chair, and was addressed by Rev. A. J. Young, of the Kentucky Conference and the endowment agent of the Wilberforce University.

At 4 o'clock the Conference assembled in the Town Hall to hear the annual missionary sermon, which was preached by Rev. J. H. A. Johnson. The congregation was very large, and the sermon was spoken of in the highest terms.

At 8 o'clock P. M. the anniversary of the Conference Missionary Society was held in the Town Hall. Rev. G. T. Watkins presided, Bishop Brown, Dr. Revels and H. J. Young delivered eloquent speeches. The room was densley crowded. At 10 o'clock the meeting adjourned.

On Tuesday morning the Conference met, Bishop Wayman in the chair. Rev. W. H. Russell opened the service. A few reports were presented, read and adopted. Then the usual complimentary vote of thanks were returned to the citizens of Easton, *The Baltimore American*, *Sun*, and the Easton *Gazette* for publishing the proceedings. Bishop Wayman then addressed the ministers upon the duties of their calling, and read out the following appointments:

Baltimore City.—Bethel Church, W. R. Revels; Ebenezer, J. A Handy; Union Bethel, J. R. Henry; Waters Chapel, J. M. Mitchell; Allen Station, D. W. Moore; City Mission, to be supplied; Tessier Street, J. H. W. Burley

Washington, D. C.—Israel Church, G. T. Watkins; Union Bethel, D. P. Seaton; St. Paul's, R. A Hall; Georgetown, W. D. W. Schureman; Good Hope, D. Draper; Pisgah Chapel, W. M. Johnson; Bladensburg, Abram Dent.

Maryland.—Annapolis Station, W. R. Arnold; Frederick, G. M. Wittes; Hagerstown, J. H. A. Johnson; Cumberland, C. Sampson; Clearspring, J. L. Hatten; Petersville, L. Benson; Ellicott City, John J. Herbert; Long Green, D. Ridout; Ranalstown, A. Woodhouse; Port Deposit, J. Nicholson; Havre-de Grace, J. H. Hughes; Chesapeake City, W. H. Smith; Easton and Denton, A. Jones; Cambridge, to be supplied; Crowdensville, S. P. Byard; Potomac Circuit, J. H. Sliner; Mount Pleasant, E. C. Steward; Chestertown Mission, J. P. Cox; Church Hill, Augustus Robinson; Kennedyville J. S. Daniels.

W. H. Waters transferred to North Carolina Conference, J. P. Lane the Virginia, and J. R. V. Thomas to the Lousiana Conference.

The members of the Conference left in the Steamer Pentz for Baltimore at 12 M

"A HORSE, A HORSE."—Prof. Pratt, the great horse educator, arrived in Easton, on Thursday last. The Professor goes it on rather a larger scale than most of the men in his profession. He carries with him several magnificently trained horses, has a large canvass tent, nicely seated, where he gives lessons at set hours and free exhibitions, at 2 o'clock in the afternoon and at 7 in the evening. During the past winter the Professor created quite a sensation in Baltimore and Washington with his wonderful feats in horsemanship.

☞ THERE will be an entertainment at the Town Hall, in Easton, on the evenings of the 10th, 11th and 12th instants, by Mr C. Garwood, The entertainment will be as follows:—On Wednesday evening, there will be exhibited traces of travel, or glimpses at the various costly edifices on the Eastern and Western Continent. Also the Falls of Niagara. On Thursday, Scripture views and the wonders and beauties of Astronomy, will be exhibited. On Friday, Syria and Palestine—representing the chief and most sacred localities of the Holy Land.

FIRST OF THE SEASON.—On Tuesday last we received a portion of a box of Strawberries, presented to J. C. Norris' Esq., by Capt. W. D. Kelly, of Caroline county. Capt. Kelly supplies our market with the finest Strawberries, in their season, that are produced in this section of the country.

☞ WE were in error last week in giving the dimensions of the new residence in the course of erection by M. M. Higgins, Esq. We gave it as being 20 by 30 feet, when it should have been 24 by 30 and large back building.—The foundation is up and in the course of a few days the frame will be raised.

FLY IN THE WHEAT.—A number of farmers say that the fly has damaged their wheat crop considerably—owing to the cool, dry weather. It is to be hoped that the late heavy rain will force these pests from the wheat and that there may yet be a pleatiful harvest.

FLOWERS.—On Thursday last Messrs Nicols and Taylor received a case of 200 very beautiful flowers, in small pots, by the 3 o'clock train, and by 7 o'clock the lot was nearly closed out.

☞ MR. JOHN CHALCUTT has a field of white wheat in blossom.

☞ THE numerous friends of E. B. Bates, Esq., attorney at law, will be pleased to learn of his return. Mr. Bates has been absent for several months, on account of feeble health, but he has sufficiently recovered to again resume business.

REV. DR. WILLSON, the newly chosen rector at Christ Church, was instituted on Thursday last by Bishop Lay, assisted by Revs Messrs. Dashields, Beven and Mitchell. The ceremony was very imposing and was witnessed by quite a large audience.

HEAVY RAIN.—We have had a regular soaker. For two or three days and nights there has been frequent showers, and on Thursday night the fall of water was very heavy—raining during the whole night.

THE AID ASSOCIATION.—We have been requested to say that there will be a meeting of the Ladies' Masonic Aid Association, on Tuesday next, at 3 o'clock P. M., in the Masonic Hall. All ladies interested are earnestly requested to attend.

☞ J. M. BAKER, Esq., took off another drove of some fifty or sixty cattle on the 10½ train on Thursday last. Some of them were very large and fine.

☞ N. WILLIS, Esq., the efficient Collector of State and County Taxes of Talbot county for 1870, has been re-appointed for 1871.
