A New Era in Washing.

LABOR, TIME, CLOTHES & Fuel Saved
By use of WARFIELD'S Celebrated
Cold Water Self Washing SOAP.
The First to Introduce It
IN THIS MARKET.

JOSEPH RASIN, opposite the Bank, after four months of successful sales with the celebrated Cold Water Soap, has introduced it into the families of hundreds with entire satisfaction. By using it you get rid of the annoyance of hot water in Summer, and of steam in the house, (so productive of colds,) in winter. When used according to directions, one good washerwoman can do more and better washing with it than two can do in the same time with the best machines, using the ordinary soaps in market. This Soap washes the finest as well as coarsest fabrics in cold, hard, soft or salt water, without boiling or machinery, and is guaranteed not to injure clothes in the least.—And it is excellent for the Skin, having a healing effect on skin diseases. To consumers it is the CHEAPEST SOAP manufactured. For sale by

The 'Florence'
IS THE BEST
Family Sewing Machine
IN THE WORLD.

IT is so easily managed, that an ordinary girl of ten years of age has sense and muscle enough to run it perfectly.—It is the only machine that makes *four* kinds of stitches, and the only one that has a *reversible feed*, whereby the operator is enabled to sew backward or forward without stopping the work. It is the only machine having a *self adjusting* shuttle tension—a great improvement over all others, rendering it easy to do good work on any fabric. It has an improved hemmer which will hem anything and make perfect corners. It tucks, hems, tells, cords, braids, quilts, etc., without basting. It makes a gather and sews it to a band at one operation perfectly. It fastens the ends of a seam better and quicker than can be done by a seamstress. It runs light and quickly; the needle is easily adjusted and it uses less thread than any other machine.
We respectfully refer to the following ladies and gentlemen who have the Florence' machine in use in their families—(some of them for five years past) as to its merits, &c.:

Hair, Lime and Gelatine FERTILIZER.

A MATTER OF INTEREST TO EVERY AGRICULTURIST IN THE STATES.

The Cheapest Article Offered to the People—The Reason Why.

BECAUSE it contains more Ammonia, Potash and Bone Phosphate of Lime combined, for the money, than any other.—These ingredients are necessary to the growth of vegetation, and the intrinsic value of any Fertilizer is in proportion to the amount of these articles which it contains.

The estimated intrinsic value of Absolute		
Ammonia is	25 cents	per lb
Of Potential Ammonia	15 "	"
Of Potash	8 "	"
Of Bone Phosphate of Lime	5½ "	"

Taking the above prices as correct, (using the same for calculating the value of all other manure's) it gives a reliable result of the intrinsic and comparative value of this Fertilizer with other; and upon this basis of value for the commercial and executive fertilizing articles, we will estimate the intrinsic worth of this Fertilizer to the agriculturists, from the result of the analysis made by Prof. C. P. WILLIAMS, of Newark, State Chemist of Delaware, to wit:

	Per-centage.
Moisture expelled, at 212° Fah.,	8.47
Organic matter	38.37
(Yielding Nitrogen, 2.09.)	
Bone Phosphate of Lime,	3.68
Sulphate of Lime,	.91
Lime,	13.03
Sand and Clay	13.52
Chloride of Potassium,	5.30
Carbonic Acid, Magnesia, Oxide of Iron and Loss,	14.21
	100.00

The above shows 2.09 per cent. of Nitrogen or 2.54 per cent. of Ammonia, equals 57.—90 lbs. at 15c. $8.53
5.80 per cent. of Chloride of Potassium, equal to 82.53 lbs. of Potash. at 8c., 6.60
5.09 per cent. of Bone Phosphate of Lime, equals 82.69 lbs. at 5¼ 4.75
Making the intrinsic value $19.88 per ton $19.88
This Fertilizer is sold only pure and unadulterated, which I will guarantee, and furthermore, any person desirous of purchasing has the privilege of having it analized by any reliable chemist, and paying for it at its intrinsic worth.
The above fertilizer is the Refuse of Glue factory—one of the largest in the world. Experience has proved that there is no better Manure than the Refuse of a Glue factory. Solon Robinson in his facts for Farmers says: "Of the value of hair for manure, we can say that we have used a good many loads of the refuse of a glue manufactory, composed mostly of hair and found it a most valuable manure. The waste of glue-makers, tanners, and all other trades, where hair or wool forms the bulk of the waste, is worth *ten times as much* as stable manure." Weight—75 to 80 lbs. to the bushel. Sold 33 bushels to ton, unobserved when delivered. Delivered by water at the following prices, viz:

Ten to 15 tons	$15.00 per ton.
Fifteen to 40 tons	$14.00 " "
Forty to 100 tons	$13.00 " "
100 tons and over	$12.00 " "

HEALTH! BEAUTY!
Strong and pure rich Blood—Increase of Flesh and Weight—Clear Skin and Beautiful Complexion secured to all.

DR. RADWAY'S
Sarsaparillian Resolvent
Has made the most astonishing cures; so quick, so rapid are the changes the body undergoes, under the influence of this truly wonderful medicine, that
Every day an increase in Flesh and Weight is seen and felt.
THE GREAT BLOOD PURIFIER,
Every drop of the Sarsaparillian Resolvent communicates through the Blood, Sweat Urine, and other fluids and juices of the system the vigor of life, for it repairs the waste of the body with new and sound material, Scrofula, Syphill, Consumption, Glandular diseases, Ulcers in the throat, Mouth, Tumors, Nodes in the Glands and other parts of the system, Sore Eyes, Strumous discharges from the eyes, the worst form, of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worms, Tumors, Cancers in the Womb, and all troubling and painful disebarges, Night Sweats, Loss of Sperm and all wastes of the life principle, are within the curative range of this wonder of Modern Chemistry, and a few days use will prove to any person using it for either of these forms of disease its potent power to cure them.
If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood—and this the Sarsaparillian will and does secure—a cure is certain; for when once this remedy commences its work of purification, and succeeds in diminishing the loss of wastes, its repairs will be rapid, and every day the patient will feel himself growing better and stronger, the food digesting better, appetite improving, and flesh and weight increasing.
Not only does the Sarsaparillian Resolvent excell all known remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin diseases; but it is the only positive cure for
KIDNEY AND BLADDER COMPLAINTS, Urinary, and Womb diseases, Gravel, Diabetes, Dropsy, Stoppage of Water, Incontinence of Urine, Bright's Disease, Albuminuria, and in all cases where there are brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark bilious appearance, and white bone dust deposits, and when there is pricking, burning sensation when passing water, and pain in the Small of the Back and along the Loins.

MILLIONS Bear Testimony to their Wonderful Curative Effects.
Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.
They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.
FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.
For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.
DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.
They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.
FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.
Cleanse the Vitiated Blood whenever you find its impurities b
