HASHEESH CANDY.

HASHEESH CANDY.
FOR
ASTHMA,
ASTHMA.

MR. WM. H. HEAD:
Dear Sir—I wish to inform you by this writing that I have been suffering with Asthma in its worst form for 30 years, spending within that time hundreds of sleepless nights in the most suffering manner. Everything failed to give relief until I obtained a box of HASHEESH CANDY, which proved the most wonderful remedy or agency I ever used, relieving me immediately whenever attacked by the disease. Often I have been so severely attacked that I could with great difficulty breathe at all, and was compelled to sit up all night, facing such a terrible smothering sensation. Medical men of all schools failed to afford the least relief. Without much hope I resorted to this wonderful remedy in February, 1861, ever since when time I have slept without the least trouble by using some whenever threatened by an attack, and am thankful that such a remedy is to be found. I can recommend it to all afflicted by Asthma, Rose Cold, Hay Fever, or diseases of that class.
