Methodist Church

Powelluille Charge,
Methodist Church,
Historical Record of
Permanent Data.
(St. John's, Mt. Pleasant, Willards,
Mt. Olive Congregations) 1943-1966
Baptisms, 1943-1966
Marriages, 1946-1964
Deaths, 1954-1966

PURPOSE OF THIS BOOK

This can be one of the most interesting and valuable records of the local church. It is intended to record the human side of the church's life and activities.

Matters of unchanging data are to be entered in this volume such as:

1. Historical record of the church, the date of erection, repairs, remodeled. Also, gifts and memorials such as an organ, pulpit, memorial windows, and any outstanding service rendered to or by the church.
2. Record of Baptisms. A complete record of all persons baptized by the pastor of the local church.
3. Record of Marriages. All persons married by the local pastor, names and addresses and date of ceremony, etc., are to be entered in this volume.
4. Record of Pastors serving the local church, when appointed, when removed and to what place.
5. Record of Bishops and District Superintendents who served the conference and district.
6. Record of Official Members, when appointed or elected and when official relation ceased.
7. The Statistical Record shows at a glance the progressive or retrogressive state of the church.
8. Disciplinary and Annual Conference benevolences are recorded by the year in the Benevolence Record.
9. Record of Deaths of Members, date of death, date and place of funeral and officiating minister.

This record stays in the local church and is maintained by the pastor who passes it on to his successor. At a reading the new pastor can get a substantial background of the entire history of the church of which he has just become the pastor.

MOUNT OLIVE METHODIST CHURCH

FOUNDED SHORTLY AFTER CIVIL WAR

Mount Olive Methodist Church near Snow Hill, formerly the Mount Olive Methodists Protestant Church, was dedicated on September 13, 1868. It was originally a part of the Snow Hill Whaleyville Charge, but for many years now it has been part of the Powellville Charge.

After the Civil War the people of Piny Grove Community in Coulbourne Election District felt the need of a place to worship God. They had been holding a Sunday School in Piny Grove School House, but felt they needed a special house for worship. So George W. Gordy and Mary Pusey Gordy his wife, and John William Gordy, a son of George W. Gordy and his deceased wife, Sarah C. Coulbourne Gordy, gave two acres of land from the Coulbourne estate known as "Dennis' Last Choice," to be used for a church and cemetery. It is located on a hill in a grove of pine and oak trees where the old Salisbury-Snow Hill Road met with the road from Powellville. In 1901, Alexander Malone gave three more acres of land of the same Coulbourne, Gordy estate. There is a back road running along the east side making the grounds triangular in shape.

Times were hard after the Civil War, but Mary Gordy and other women said, "We can have a church if we want it bad enough." So the people of the community set to work to clear, felled and saw their best hard pine for the foundation of their church. Even the children helped, we are told. Some of the families who helped with the founding of the church were: the Carmeans, Chathams, Coulbournes, Dickersons, Parsons and Shockleys.

The church was named Mount Olive and dedicated on September 13, 1868. The deed recorded at Snow Hill, Worcester County Court House, dates September 16,1868. The ground which was given was left by Sarah Coulbourne Gordy, first wife of George W. Gordy, to her son John William Gordy, who was still a minor, so that it was necessary for all the heirs of the estate to sign the deed. It was signed by

George W. Gordy and his wife, Mary, John William Gordy, William J. C. McKee and his wife, Rachel, William H. Coulbourne and his wife, Margaret, Perry W. Coulbourne and his wife, Laura, Samuel Morris and his wife, Emeline, and John P.Pusey and his wife, Nancy. The deed was wittnessed by Benjamin Carmean, and gave the land to the trustees of the Mount Olive Methodist Protestant Church.

The bodies of many of the founders of the church lie at rest in the cemetery near the place they loved so well and where they worshipped their God. The first one buried there was Laura Chatham, who died before the church building was finished.

A record of the pastors who have served the Mount Olive Church are as follow: Thomas Burgess, Charles Thompson, and C. M. Dennis, 1868, W. D. Litzinger, '69, J. T. Lasswell '70, '71, F. T. Mount Olive Methodist Church today as when it was built stands as a beacon light on a hill to turn Men's thoughts toward God.

Mr Lester Hales thought that the building would bring more than that amount of $4000.00. But that motion was voted out by the magority. It was then agreed by all to let Mr Rascoe Holland have the propierty. The drive way between the church and parsonage will be the line The east side goes to the parsonage and the west side to the church. It was agreed and settled on that.

Church,

Register (Mt. Olive, Mt. Zion,
Powelliville) 1921 - 1933
Baptisms, 1923 - 1933
Marriages, 1921 - 1933

EXPLANATION.

1. When a name is received on probation, make your entries on *"Record of Probation,"* (See page 40), as follows: Enter the name under the heading "Names," and enter the date under the word "Probation," and when a probationer is elected *into full membership*, enter that date under the word "Election," after which transfer the entire record thus made to that of Qualified Members, (see folio 1), but no name shall be so transferred until elected to *full membership*.

2. When a name is received by *Certificate*, fill the blank under the head "Probation or Certificate," (see page 1), with the word "Certificate," and enter the date under the head "Election or Admission."

3. In case of discontinuance of a member, who subsequently rejoins, the name must be re-entered.

4. Be careful in entering a discontinuance to place the entry opposite the name to be discontinued, but if mistakes do occur they must be corrected by erasures, or by placing a blank over the erroneous entry.

5. When a woman's name is changed by marriage, enter *after her maiden name, on same line and in same column*, her name by marriage in brackets. [ ]

6. Let the numerals under "No." beginning left hand side of page 1, commence with the organization of the church, and continue on with its history, so as to show the whole number of members received, but use only the left hand column. (See 7th explanation for use of right hand column.)

7. Let the "No." on the right hand page of the "Pastor's Record," (see page 1), represent the number recorded by each Pastor. Each succeeding Pastor beginning as his predecessor, with number 1.

8. On Pastor's Record (see page 1), under head "Name of Pastor and President," with date, let each Pastor enter his own name, date of appointment, and name of President.

9. The *blank* spaces under "Discontinuance," (see folio 1), represent *the actual number* of members belonging to the charge.

10. In the "Alphebetical List of Members," under the heading "No." insert the chronological number preceding the members' name in the "Record of Qualified Members."

Notice. The names in this Book are the names of active members of Powhatan Circuit.

EXPLANATION.

1. When a name is received on probation, make your entries on **"Record of Probation"** (See page 50), as follows: Enter the name under the heading "Names," and enter the date under the word Probation, and when a Probationer is elected **into full membership,** enter that date under the word "Election," after which transfer the entire record thus made to that of Qualified Members (See folio 1), but no name shall be transferred until elected to **full membership.**

2. When a name is received by **Certificate,** fill the blank under the head Probation or Certificate (See page 1), with the word "Certificate," and enter the date under the word Election.

3. In case of dismissal of a member, who subsequently rejoins, the name must be re-entered.

4. Be careful in entering a dismissal, to place the entry opposite the name to be dismissed, but if mistakes do occur, they must be corrected by erasures, or by pasting a blank over the erroneous entry.

5. When a woman's name is changed by marriage, enter **after her maiden name, on same line and in same column,** her name by marriage in brackets. [ ]

6. Let the numerals under "No." beginning left hand side of page 1, commence with the organization of the Church, and continue on with its history, so as to show the whole number of members received, but use only the left hand column. (See 7th explanation for use of right hand column.)

7. Let the "No." on the right hand page of the "Pastor's Record" (See page 1), represent the number recorded by each pastor. Each succeeding Pastor beginning as his predecessor with number 1.

8. On Pastor's Record (See page 1) under head "Name of Pastor and President," with date, let each pastor enter his own name, date of appointment and name of President.

9. The **blank** spaces under Dismissal (See folio 1), represent **the actual number** of members belonging to the charge.

NEW YORK:—EATON & MAINS.

CINCINNATI:—JENNINGS & PYE.

Entered according to Act of Congress, in the year 1876, by the Methodist Book Concern, in the office of the Librarian of Congress, at Washington, D. C.

PREFACE.

This Record is divided into Seven Parts, as follows:

I.	Record of Pastors,	Page 1.
II.	Record of Official Members,	2.
III.	Record of Classes,	7.
IV.	Record of Members in Full Connection,	10.
V.	Record of Probationers,	90.
VI.	Record of Marriages,	130.
VII.	Record of Baptisms,	142.

It is believed, after the most careful study, that the due proportion of space has been allowed to each Department of the Record.

We trust the volume will meet the demand so frequently made for a Church Record smaller in size, and, therefore, less expensive and better adapted to the requirements of many of our Churches.

EXPLANATION.

1. When a name is received on probation, make your entries on "*Record of Probation*," (see page 40), as follows: Enter the name under the heading "Names," and enter the date under the word "Probation," and when a Probationer is elected *into full membership*, enter that date under the word "Election," after which transfer the entire record thus made to that of Qualified Members, (see folio 1), but no name shall be so transferred until elected to *full membership*.

2. When a name is received by *Certificate*, fill the blank under the head "Probation or Certificate," (see page 1), with the word "Certificate," and enter the date under the head "Election or Admission."

3. In case of discontinuance of a member, who subsequently rejoins, the name must be re-entered.

4. Be careful in entering a discontinuance to place the entry opposite the name to be discontinued, but if mistakes do occur they must be corrected by erasures, or by pasting a blank over the erroneous entry.

5. When a woman's name is changed by marriage, enter *after her maiden name on same line and in same column*, her name by marriage in brackets. [ ]

6. Let the numerals under "No." beginning left hand side of page 1, commence with the organization of the Church, and continue on with its history, so as to show the whole number of members received, but use only the left hand column. (See 7th explanation for use of right hand column).

7. Let the "No." on the right hand page of the "Pastor's Record," (see page 1), represent the number recorded by each pastor. Each succeeding Pastor beginning at his predecessor with number 1.

8. On Pastor's Record (see page 1), under head "Name of Pastor and President," with date, let each Pastor enter his own name, date of appointment and name of President.

9. The *blank* spaces under "Discontinuance," (see folio 1), represent *the actual number* of members belonging to the charge.

10. In the "Alphabetical List of Members," under the heading "No." insert the chronological number preceding the member's name in the "Record of Qualified Members."

Powelliille Charge
Methodist Church

Powelliille Circuit,
Methodist Episcopal Church,
Church Record (Mt. Pleasant,
Wesley, St. John's, Friendship
and Parker's Chapel) 1882-1906
Baptisms, 1882-1901
Marriages, 1882-1906

PREFACE.

THIS RECORD is divided into SEVEN PARTS, as follows:

I.	RECORD OF PASTORS,	PAGE 1
II.	RECORD OF OFFICIAL MEMBERS,	2
III.	RECORD OF CLASSES,	7
IV.	RECORD OF MEMBERS IN FULL CONNECTION,	10
V.	RECORD OF PROBATIONERS,	90
VI.	RECORD OF MARRIAGES,	130
VII.	RECORD OF BAPTISMS,	142

It is believed, after the most careful study, that the due proportion of space has been allowed to each Department of the Record.

We trust the volume will meet the demand so frequently made for a Church Record smaller in size, and, therefore, less expensive and better adapted to the requirements of many of our Churches.

PHILLIPS & HUNT.
