IN THE CIRCUIT COURT OF BALTIMORE CITY.—JAMES S. FORBES vs. MARY C. ERVIEN.—The object of this proceeding is to obtain a decree of sale of certain property on Gibson street, in the city of Baltimore, for the payment of an unpaid balance of purchase money. The bill states that the complainant, on the 14th day of November, 1859, contracted with the defendant to lease to her a certain lot of ground, fronting 18 feet 2 inches on the southwest side of Gibson, (otherwise called Hollins) street, running back to Morris alley, in said city, for a term of ninety-nine years renewable, subject to an annual rent of time for $3,000. That the defendant contracted, in consideration of such lease, to pay the complainant money and paid and delivered her four promissory notes, dated October 1, 1857, for $750 each, payable 1, 2, 3 and 4 years after date, and her eight promissory notes for the interest to accrue thereon, payable semi-annually. And that the complainant was ready to execute a sufficient lease, conditioned for the payment of said contract on his part, and put her in possession of the property. That all of said purchase money notes are over due, and there remain unpaid in the hands of the complainant, three notes for $750 each, payable at 2, 3 and 4 years from October 1st, 1857, and two interest notes for $22.50 each, payable at 42 and 44 months from said date. And that the defendant has removed out of the State of Maryland, and now resides in parts unknown to the complainant, he therefore asks for a decree for the sale of said lot, for the payment of said over due purchase money notes.
It is thereupon ordered this 23d day of December, 1861, that the complainant, by publication in the Daily Transcript, a daily newspaper of the city of Baltimore, once in each of four successive weeks before the 1st day of February next, give notice to said absent defendant of the object and substance of this bill, and warn her to appear in this court in person or by solicitor, on or before the 5th day of May, to answer the same, and show cause, if any she has, why a decree should not pass as prayed.

TREGO'S CEREAL AND PLANT FOOD AND RUST PREVENTIVE,

TESTED AND APPROVED BY
DAVID STEWART, M. D.
CHEMIST
MARYLAND STATE AGRICULTURAL SOCIETY.
SOLD BY
P. MALCOM & CO., General Agents,
BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that enter into CEREAL and PLANT FOOD. It hastens, by ten or twelve days, the maturity of the Plant and Grain, and specially adapted to crops requiring an early and vigorous start to bring them to perfection. For sale resting (especially upon Corn) where the food for nearly has been almost entirely removed by the previous crop, it SECURES THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.
We present the following results of the use of the "Plant Food":
LOST PAWN, Feb. Sept. 7, 1861.
Messrs. Trego & Son, Baltimore.—The "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, double, and I think, trebled (as the weights will prove) my product of both grains and straw. There was no doubt about that. No marks nor stakes were required at any period, the dark green color, the *shooting* of the grain, giving the *appearance* of being the number of plants from the same number of seed; the early appearance and maturity of the crop which the PLANT FOOD was applied, the sturdiness and vigor of the plant and the straw, all told the same story, where was deficient. No other reason could possibly be assigned, as the crop was sown and harrowed in *before* the manure was spread as a top dressing.
Yours respectfully,
DAVID STEWART,
Professor of Agricultural Chemistry,
St. John's College.
NORTH EAST, Md., Sept. 5, 1861.
I applied the "PLANT FOOD" at the rate of one to two hundred lbs per acre on Oats ground last spring, and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, the corn started and has kept far ahead of that on the side of it, which was manured with ashes in the hill.
From the little experience I have had with it, I think it preferable to Guano or dones—and shall so recommend it.
Yours respectfully, JURSELL THOMAS.
The PLANT FOOD is put up in substantial bags of 150 lbs each.
