I advise all who are suffering from a recent Cough, Cold, Sore Throat or Hoarseness, to procure at once a single 25 cent box of HANCE'S COUGH CONFECTIONS; before they have used one-half of the box they will perceive the disease speedily giving way to their curative effects, and oftentimes be astonished to find so much medicinal virtue could be contained in so small a space. HASTINGS' COMPOUND
SYRUP OF NAPTHA,
NOT ONLY A POSITIVE BUT A WARRANTED CURE FOR CONSUMPTION AND ALL DISEASES OF THE LUNGS.—This Medicine has decided the dispute about the curability of consumption, and satisfied the Medical Faculty and all who have used it that consumption and all affections of the lungs cannot only be cured, but that they are as easily and simply CURED as almost any of the disorders to which the human frame is liable. The operations of a single bottle, which costs $1, is sufficient to satisfy any patient—if not already too far gone with the disease—of this fact, and even a single dose gives evidence of its extraordinary influence in arresting and eradicating the malady by the immediate relief which it affords.
This is no quack or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent Physicians of the age, and has made a full disclosure of its history and all its component parts to the world, not wishing to incur the possibility of confining to himself, for the sake of profit, a secret which was calculated to do such universal good. And such has been the wonderful results of its operation that the London Lancet and Medical Times, and the most eminent physicians of both hemispheres are anxiously calling upon sufferers to have immediate recourse to it, and proclaiming that, of all known medicine, it alone has positively established its efficacy by undeniable proofs of curing consumption and all diseases of the lungs.
