FIRE AND LOSS OF LIFE. A most distressing fire occurred in New Orleans on the morning of the 27th ult. It originated in the buildings between the two markets on Old Levee street.—The calamity involved great loss of life as well as property. The Bulletin of the 28th remarks that the buildings were occupied by Mr. Joseph Morrison, ship chandler; by the proprietors of the Independence Coffee House; by Mr. ——, as a dry goods store, and by sundry small dealers. On the breaking out of the fire, all the inmates of the edifice essayed to escape, most of whom succeeded. Mrs. Morrison, who was in the interior, finding her way blocked up by the flames, seized her infant and reached the roof through the scuttle, whence she proceeded to another roof and was taken off. Others escaped almost as narrowly. The mother could not take her oldest son, 4 years of age, and he perished in the flames. Mrs. Brown, the sister-in-law of Mr. Morrison, with her two children, was also unable to escape, and they perished. A black woman and her child shared the same fate. Even this was not all: Mr. Cunningham C. H. Rowan, a spirited young gentleman, and one of the firemen attached to Engine No. 14, was crushed to death by one of the rotten walls of the building. The funeral was attended from the residence of Doctor Farrell in Canal street, yesterday afternoon, by a large concourse of citizens, his brother firemen and others.

Mr. Morrison, who was not insured, lost to the amount of $15,000. The total loss of property is estimated at $31,000.

CHARGE OF SLAVE DEALING. Nathan Augustus Frye, master, Samuel Burnham, mate, and five of the crew of brig Tigris, of Salem, were brought up before Judge Davis, of the U. States court, at Boston, on the 1st inst. charged with having in their possession, at Ambriz, on the coast of Africa, a slave boy named Heme, contrary to the laws of the United States, and the statute of 1818.

The boy Heme understands no language but that of his tribe, which is called Krooman. Any one who understands the Krooman language it is hoped will make himself known, as he may be of much service at the examination.

REPORTED MURDER. The Ithica Chronicle says a girl, about seventeen years old, has been missing for some time from the family of Mr. A. H. Truman, of Owego. She was an indented girl, and Mr. Truman advertises a reward of $50 for her discovery. Her disappearance induced considerable suspicion of foul play somewhere. It is reported that the body has been discovered about eight miles from Owego, murdered.

WHIPPING THE SCHOOLMASTER. At Boston, on the 1st inst. Gilbert Cummings was brought up to the police court on complaint of Wm. K. Vaill, usher in the Mayhew School, for an assault. It appeared that Vaill had corrected Cummings' son, who attends the school, for a misdemeanor, at which the father took offence, went into the school house, and gave Vaill a blow which felled him to the floor. Cummings was held to bail in the sum of one hundred dollars for his appearance at the municipal court.

ACCIDENT AND DEATH. An old gentleman residing in Brentwood, N. H., was killed a short time since by his son. He was insane, and in one of his paroxysms, rushed on his son, when the latter thrust his hand towards him, and struck him on the nose, which immediately commenced bleeding, and so continued until he died. No blame whatever is attributed to the son—as he merely intended to defend himself from the attack of his father.

BICKNELL'S COUNTERFEIT DETECTOR. This valuable paper has changed owners. It is now published by Matthew T. Miller, exchange broker, successor to Mr. Bicknell. The Reporter will in future be published monthly, in pamphlet form. The number before us is full of valuable information touching monetary and commercial matters—it is composed of 48 pages.

WEBSTER'S DICTIONARY. A new edition of this great work is about to be published, in large 8vo. It will contain 8,000 to 10,000 words not included in the quarto heretofore published. The whole number of words will be at least 80,000, being 20,000 more than are contained in Todd's Johnson, and 35,000 more than are to be found in Richardson's Dictionary.

KENTUCKY BANKS. The last Louisville Journal says: The banks of this State have issued a circular to most or all of the banks in the Mississippi valley, proposing a convention, in Louisville, on the 25th of January, to confer in relation to the resumption of specie payments.

FIGHT WITH CLEAVERS. Two butchers of Philadelphia had a row on Thursday last; they fought with cleavers, meat axes, &c. To wind up the affray, one of the parties threw his cleaver at the other and wounded him severely, when the rencontre ceased.

☞Three counterfeiters were arrested in Savannah, Ga. a few days since, having in their possession bills from a genuine plate, of the Camden, S. C. bank, with forged signatures

☞Two persons were suffocated a few days since in a vessel in the port of New York, by charcoal. Their names were Alexander Morrison and John Morris.

☞We learn that a schooner was wrecked on the 20th ult. off the north of Hog Island, and all on board lost.

THE CALEDONIA steamship left Boston at three o'clock on Saturday last, for Halifax and Liverpool, with 54 passengers.

☞An equestrian named Dale, threw 51 somersets lately, without stopping.

COMPOUND SYRUP of HOREHOUND.

FOR the Cure of Coughs, Colds, Consumption, Bronchitis, Asthma, Spitting of Blood, Pain and Oppression of the Breast, and all Diseases arising from a disordered condition of the Lungs.

Perhaps there is no Medical Observation better established and none more generally confirmed by experience of the best Physicians of all ages in all countries, than the Fact, that many of the most difficult and incurable Consumptions originate in neglected colds. In a climate so variable as ours, where the changes of weather are frequently sudden and unexpected, it requires more care and attention to guard against this dangerous enemy to human life, than most persons are able and willing to bestow. The bills of mortality exhibit the alarming and melancholy fact, that the number of deaths by this disease are as five to one. Insamuch then as this fatal disease is increasing, and spreading so widely and fearfully, and bidding defiance often to the combined skill of the most eminent physicians, it is a gratification to the subscriber to be enabled to offer to all of consumptive habits, or those afflicted with distressing pains in the side or breast, or any affection of the breast or lungs, a reasonable and almost certain prospect of relief.

The COMPOUND SYRUP OF HOREHOUND is a medicine suitable to persons of all ages and sexes; and if taken on the appearance of the first symptoms, which are a COUGH or PAIN in the BREAST, will in nine cases out of ten afford relief, and effect a speedy cure.

Price 50 cents per bottle, Prepared and sold by SETH S. HANCE, corner of Charles and Pratt streets, Baltimore; and J. B. STANSBURY, Thames street, Fell's Point. d 12-y

LIVER COMPLAINT. This disease is discovered by a fixed obtuse pain in the right side under the short ribs, attended with heat, uneasiness about the pit of the stomach;—there is in the right side also a distension—the patient loses his appetite and becomes sick and troubled with vomiting. The tongue becomes rough and black, countenance changes to a pale or citron color, or yellow, like those afflicted with jaundice—difficulty of breathing, disturbed rest, attended with a dry cough, difficulty of laying on the left side; the body becomes weak, and finally the disease terminates into another of a more serious nature, which in all probability is far beyond the power of human skill. Dr. Harlich's Compound Tonic Strengthening and German Aperient Pills, if taken at the commencement of this disease, will check it, and by continuing the use of the Medicine a few weeks, a perfect CURE will be performed. Thousands can testify to the fact.

ELEGANT INCORRUPTIBLE

AFTER YEARS of incessant toil and endless experiments, I have succeeded in producing most splendid specimens of INCORRUPTIBLE MINERAL TEETH. They possess an exact resemblance to sound human teeth—and, being incapable of either discoloration or corrosion, forever retain their color and purity in the mouth.

These elegant Teeth are inserted from a single tooth to complete sets of twenty-eight, and the extremely accurate and delicate manner of adapting them to the mouth, renders them highly useful in restoring mastication and utterance. Having in process of manufacture upwards of 12,000 of these Teeth, embracing every imaginable variety of shade, size, and shape, I can match the contiguous systemic teeth with such nicety as to set at defiance the scrutiny of the most observant.

The recent discovery of a valuable mineral production, has rendered the manufacture of these teeth so much less expensive and tedious, that I am enabled to make a very great reduction on the charges usually exacted, and in a style noways inferior to any in the profession. Decayed Teeth permanently PLUGGED with Pure Gold. EXTRACTING, FILING or SEPARATING, CLEANSING, &c. &c.

☞Irregularities in children's teeth rendered perfectly symetrical. Gold PALATES accurately adapted, so as completely to restore articulation.

TOOTH-ACHE! TOOTH-ACHE!!

☞Sufferers by this distressing malady, find instantaneous relief by applying for my "TOOTH-ACHE REMEDY." The ingredients of which this valuable preparation is composed, are of such a nature as not to injure the sound teeth. In very few cases has this remedy been known to fail; should a failure occur, extraction will be performed without charge.

☞Price of the Remedy—50 cents per phial.

MACHINE PRINTING.

BULL & TUTTLE, BOOK & JOB PRINTERS, No. 7 N. GAY STREET, take this method of informing the public, and Printers generally, that they have now in operation, in their office, THE BELPER DOUBLE ACTION PRINTING MACHINE, recently imported by them from England, and that they are prepared to execute *PRESS WORK* thereon at lower rates of charge, and with greater despatch than can possibly be attained by any other Printing Press now in use.
