CONSUMPTION.

☞ *Consumption, that fell Destroyer!* More Proofs of the efficacy of Doctor SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, in relieving afflicted Man.

To Dr. Swayne.

Dear Sir—The time has been, when I would not recommend a medicine advertised in the public prints over my own signature; I now feel different—I feel it my duty to inform the afflicted where they may find relief. I was reduced, by a protracted COUGH for six months, to a mere skeleton; no rest at night; soreness and pain in my breast, side, &c. Suffice it to say, I used your *Compound Syrup of Wild Cherry*, which in a few weeks relieved me effectually. I am certain, had it not been for your medicine (as life frequently depends on early attention to proper medicines,) I should now be in the silent grave. Let no person delay, but procure your Syrup and be relieved of their COUGHS and COLDS, as they are dangerous companions, and often lead to dangerous consequences

Your friend, ABRAHAM SKINNER,
Crawford county, Pa.

VALUABLE MILL PROPERTY AT TRUSTEE'S SALE.

IN pursuance of a decree of the High Court of Chancery of Maryland, the subscriber will offer at public sale, on TUESDAY, the 16th day of February next, at 2 o'clock in the afternoon, at the Court House door in Elkton, all that very valuable Property lying on Little Elk River, in Cecil county, Md. known as "The Rockville Paper Mills," with the tract of land on which the same are situated, containing about 83 acres and twelve perches of land. This property is situated but six miles from navigable water, and is in the midst of a well populated and abundant country. The improvements consist of a large STONE PAPER MILL, 80 by 40 feet, three stories high, and having all the requisite machinery for making the various kinds of paper; a Grist Mill, running two pair of burs; a Saw Mill, a Bark Mill, and a large stone Barn, with Stabling, Shedding, &c. Besides these, there is also a Manager's House, and five Cottages, sufficiently spacious for the accommodation of the hands employed in the several establishments. The water power is valuable—and is, in general, adequate to all the purposes of the Mills. The land is considered first rate farming land, being easily susceptible of profitable and permanent improvement, and is peculiarly adapted to the use of lime, plaster, &c. It is well enclosed and is divided into convenient fields, and is well watered with abundant springs of best water; about one half of it is in wood, and the rest in arable and meadow land. The title is indisputable, and a plat of the land may be seen upon application to the Trustee. The terms of sale, as prescribed by the decree, are that one-fourth of the purchase money shall be paid in cash on the ratification of the sale by the Chancery Court; one-fourth in six months; one-fourth in twelve months, and one-fourth in eighteen months, with interest from the day of sale, the credit payments to be secured by endorsed notes approved by the trustee, and upon the payment of the whole purchase money, a title will be made.

VALLIER'S FRENCH PILL, FOR THE CURE OF SECRET DISEASES. *One box of these inestimable Pills is worth all the Quack Medicines in the world.*

Comment. If we examine the nature of the above diseases, and the situation of the parts affected, we must consider it a very important object to be able to obtain a remedy at once certain in its action, and at the same time composed of such ingredients as will prevent the possibility of discovery while using it. It is a fact well known to many, that most of the remedies offered for these diseases are composed of such nauseous drugs, as to render it almost impossible to continue their use without creating a sickness at the stomach or other unpleasant consequences. Such being the case there can be no doubt but such a remedy as *Valier's French Pills*, will meet the universal approbation, being entirely free from those objections; pleasant in their operation, and prompt in removing the disease. The proprietor would here remark, that the efficacy of these Pills in the disorders alluded to, are not based upon supposition; on the contrary, it is founded upon rational experience, having used them in a successful practice for upwards of two years, he feels confident of their superiority over the remedies hitherto employed.

HANCE'S Compound Syrup of Horehound.

CERTIFICATE. Mrs. Williams, of Petersburg, Va. caught a very severe cold last fall, and thinking it would wear off in the course of time itself, neglected it to a very great extent. Finding, however, it did not leave her, she then tried various remedies, some of which subdued the cough in a measure, but none effectually cured it.

About a month ago, her husband thought she had better try a change of air, so she came to Baltimore, where she first became acquainted with the COMPOUND SYRUP OF HOREHOUND—the first bottle produced such relief, that before she had finished it she determined to purchase two bottles and return home. Price 56 cents per bottle.
