BALTIMORE CITY COURT.

Present—*Judges Brice, Nisbet and Worthington.*

Saturday, Feb. 20, 1841. Jacob Keilholtz and William Gray were put upon trial, charged with having assisted in committing a riot, &c. in Wilk street, at the "Log Cabin," on a Sunday afternoon during the last election campaign. They were declared guilty. Each fined $5 and costs.

Jefferson Griffith alias John Alexander was charged with an assault upon Jacob Keilholtz.—The prosecution was unable to sustain the charge; consequently, he was declared not guilty.

Andrew Seiselberger was charged with committing an assault upon James H. League, a boy about 12 years of age. He was declared guilty. Fined $1 and costs.

Mary Ann Gilbert, negress, was placed upon trial, charged with stealing from Messrs. McLaughlin & Stanard, proprietors of the City Hotel, a large quantity of sheets, pillow cases, towels, &c. She confessed to Mr. Stanard the fact of the theft, and the property was found in her possession. The case was held over for the present.

John P. Youce, city bailiff, was charged with an assault upon Mrs. Newell. It appeared that Mr. Youce had an execution against her husband, and arrested him, and carried him before a magistrate; while the magistrate was making out the commitment, he escaped from the office, and Mr. Youce pursued him into his house, when his wife endeavored to protect him from arrest; and he merely took hold of her gently, in order to get her out of the way. The court acquitted Mr. Youce, and remarked that he was acquitted without the least suspicion.

Daniel Dickson, negro, was charged with assaulting Ann Colvin, negress. He was declared guilty, fined $1 and costs.

The court then adjourned until Monday morning, at 10 o'clock. The jury on this panel will be finally discharged.

FIRE IN PORTSMOUTH, VA. On Wednesday night last an extensive fire broke out in a range of wooden buildings in Portsmouth, which, with several dwellings and outhouses, were entirely consumed. The loss was not very heavy, and is divided among among several property owners.

NAVAL. The Norfolk Herald says that the U. S. ship Delaware is ready for service with the exception of four Paixhan cannon to be put on board. The Herald censures in very severe terms the use of such dishonorable means of warfare.

THE SMITHSONIAN BEQUEST. $500,000 in "British gold," sovereigns fresh from the British mint, has been invested in Arkansas bonds, and the money is now the capital of a bank in that State!

MYSTERIOUS DISAPPEARANCE. The son of Mr. Neff, one of the Commissioners of the district of Moyamensing, Philadelphia, left the house of his father on Wednesday morning, and has not since been heard of.

MISSOURIUM. The proprietor of the great Missouri Leviathan has arrived in New Orleans with the skeleton. It is of enormous dimensions; measures 32 feet in length and its height is fifteen feet.

TEXAS. By the steamer New York, at New Orleans, dates of the 7th were received.

Congress had ratified the treaty with Great Britain.

The offices of Secretary of the Navy, Post Master General, Quarter Master General, and Commissary General have been abolished.

FLYING DOGS. A dog *flew* at a man in Philadelphia on Friday last and bit him severely. So says the Ledger.

☞-John Howard Payne, accompanied by Chief Ross and the rest of the Cherokee delegation, arrived in New Orleans on the 10th inst. on their way to Washington.

☞-The Bank of Cincinnati has been reorganized, and is now open for business.

FIRE. The Barton Academy at Mobile was fired by some unknown person a few days ago, and would certainly have been destroyed, but for its early detection.

CONSUMPTION.

☞- *Consumption, that fell Destroyer!* More Proofs of the efficacy of Doctor SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, in relieving afflicted Man. To Dr. SWAYNE.

Dear Sir—The time has been, when I would not recommend a medicine advertised in the public prints over my own signature; I now feel different—I feel it my duty to inform the afflicted where they may find relief. I was reduced, by a protracted COUGH for six months, to a mere skeleton; no rest at night; soreness and pain in my breast, side, &c. Suffice it to say, I used your *Compound Syrup of Wild Cherry*, which in a few weeks relieved me effectually. I am certain, had it not been for your medicine (as life frequently depends on early attention to proper medicines,) I should now be in the silent grave. Let no person delay, but procure your Syrup and be relieved of their COUGHS and COLDS, as they are dangerous companions, and often lead to dangerous consequences

Your friend, ABRAHAM SKINNER,
Crawford county, Pa.

TO THE PUBLIC.

IT must be obvious to every one, that an Intelligence Office, when conducted under proper principles, and regulated upon an honest and equitable course, is of great convenience and utility to the citizens of a populous and thriving city like this. The subscriber, being aware of this fact, and with the knowledge that a degree of dissatisfaction has existed from the manner in which other offices of the kind have been heretofore conducted, he has therefore taken great pains to conduct his establishment in such a manner as to deserve public confidence, and be worthy of the public patronage.

PERSONS making application at this office for servants, or help of any other kind, will deposit, in advance, 50 cents each, for which they will have access to the records, properly kept for that pprpose, and on which they find the names, residences, references, &c. of the servants or other help—in case that neither of them answers the desired purpose, the money will be returned. Yearly subscriptions received at $1.50 each.

AGENCY. HOUSES, FARMS, VACANT LOTS, GROUND RENTS, LANDS, &c. bought and sold on commission. SLAVES, for life or a term of years, bought or sold on commission, and the highest prices obtained. Persons having slaves, which they wish to dispose of, will do well to apply at this office before selling.

N. B. All letters addressed to this office (post paid) thankfully received and promptly attended to.

The *Sawed Lumber* may be of white or yellow pine, with not more than an inch of sap on two edges of the stick; free from large knots, shakes or decay of any kind. A portion of the 4½x8 scantling may be proposed for to be furnished, of white oak, under the same conditions as to quality. The points of delivery may be at Baltimore, Georgetown, Harper's Ferry, Cumberland, or any other point upon the line of the road, and the proposal will state the places as well as times at which the Lumber will be furnished.

Proposers to whom more than one of the places just named are accessible, will separately state their prices for delivery at each; so as to allow an option to the Company in regard to them should the proposal be accepted.

The *hewn Timber*, intended for the cross-ties and support-blocks, may be of white oak, rock-oak or chestnut oak, or of chesnut. It must be sound wood, and straight in one direction. If the proposer prefers delivering it in the rough state, and does not wish to undertake the hewing of it to the required dimensions he can so word his proposal, and in that case the size of the sticks must be such as to permit them, when dressed, to be of the full dimensions specified, clear of bark and axe-kerf. If the timber is cut while the bark is loose, it must be stripped off before the delivery. The delivery may be made upon any point of the line, between Harper's Ferry and Cumberland, and the points between which it will take place must be stated. There are to every mile of track 31,680 feet board measure of 4½x8, and 26,400 feet of 3x10 scantling, 1056 cross ties dressed to 4½ inches thick, and 302 dressed to 3 inches thick. Proposals will not be received for a less quantity of any of the kinds of timber, than will lay a mile of track.

The *Castings* for the chairs and plates will be of an easy pattern—they must be of strong and sound metal, and smoothly cast—the contractor furnishing the patterns. The screw bolts and nuts will be of sound, tough iron and made with exactness to the required form and size. The washers will be of bar-iron, rolled with the proper section, cut off and punched for the passage of the bolt. The zinc plates similarly made. The hook-headed spikes to be of iron of as good a quality as that of the screw bolts.

The Iron Fastenings just described may be delivered at Baltimore, Harper's Ferry, Cumberland, or any point of the line of the road between the two latter places and the places and times of delivery will be stated in the proposals. There are to every mile of track 7656 lbs. of castings—1584 lbs. of bolts and nuts—591 lbs. of iron washers—105 lbs. of zinc plates, and 2217 lbs. of spikes. No proposal for a less quantity than will supply 10 miles will be received.

Monthly estimates will be made of the quantities of each kind of materials so delivered and four fifths of the value at the contract prices will be paid thereon—reserving to the Company the option of paying the said four fifths in Baltimore City 6 per cent stock at par—or in the stock orders of the Company at par; and also reserving the option of paying for the remaining fifth in like manner, when the delivery of the whole quantity contracted for shall have been completed according to the contract.

If the materials contracted for or any part of them are not furnished at the times required, the Company may dissolve the contract and retain the one-fifth due on any which may have been already delivered, and no estimates or payments shall be made or on account of materials delivered *before* the time specified for commencing the delivery of the same. The monthly payments shall be made at the Company's offices in Baltimore Cumberland, or Martinsburgh, Virginia, at the option of the contactor, and the final payments shall be made in Baltimore. The manner and times in which the materials shall be furnished on the different parts of the line will be specifically provided for in the contracts, and particulars will be given on application to the undersigned. It will be required that about one half of the whole quantity of materials shall be delivered as early as possible between now and the 1st of December next. A model of the rail and its supports and fastenings will be ready for inspection at the Company's office in Baltimore by the 20th current. The proposals will be directed under seal to the subscriber, either at Baltimore, Cumberland, or Martinsburgh—and will be received up to the 15th of March proximo. VALLIER'S FRENCH PILL, FOR THE CURE OF SECRET DISEASES. *One box of these inestimable Pills is worth all the Quack Medicines in the world.*

COMMENT. If we examine the nature of the above diseases, and the situation of the parts affected, we must consider it a very important object to be able to obtain a remedy at once certain in its action, and at the same time composed of such ingredients as will prevent the possibility of discovery while using it. It is a fact well known to many, that most of the remedies offered for these diseases are composed of such nauseous drugs, as to render it almost impossible to continue their use without creating a sickness at the stomach or other unpleasant consequences. Such being the case there can be no doubt but such a remedy as *Vallier's French Pills*, will meet the universal approbation, being entirely free from those objections; pleasant in their operation, and prompt in removing the disease. The proprietor would here remark, that the efficacy of these Pills in the disorders alluded to, are not based upon supposition; on the contrary, it is founded upon rational experience, having used them in a successful practice for upwards of two years, he feels confident of their superiority over the remedies hitherto employed.

CHILDREN TEETHING.

AT this important period, LITTLE CHILDREN suffer very much, and should not be neglected. *Mothers* and *Nurses*, who have the care of them, should be cautious and apply such means as will relieve them. Dr. PARIS' SOOTHING SYRUP, for CHILDREN CUTTING THEIR TEETH, is pronounced by *Thousands* to be the most efficacious medicine yet discovered; it gives immediate relief to those little ones, (if used according to directions,) thus preventing FEVER, CONVULSIONS, and other dangerous symptoms, which often prove fatal. It is highly important to be very careful of whom you purchase this medicine, and not mistake the spelling in the name of PARIS, as there are several individuals representing themselves as Agents, who palm on the unwary a different article, which is not only useless, but a *Dangerous Poison* to Infants. ☞- Remember, all genuine has the signature of Dr. PARIS blown in the bottles, and the labels and envelope contain an entry, "According to an act of Congress," with the *fac simile* of the proprietor on the envelope. Unless it contains as aforesaid, touch it not. Price 50 cents. For sale by
