Cathedral Street house that was built after Civil War but looks stylistically Federal. Practically everything is original - chimney, tin roof,* modillion brackets, cornice, siding, window sash and mullion (2/2) (- side windows have 6/6), doorway. Is handsome (red with white trim) - on brick base - cobbled sidewalk - almost identical to No. 11. Important member of this charming Cathedral Street block. Like No. 11 much like farmhouse in layout.

* Roof was tin [illegible]
