BALTIMORE CLIPPER.

BALTIMORE MARKET, May 25.

Flour.—We note a considerable improvement in Howard street Flour since our last report.—Sales of good common brands have been made at $5, but not to a great extent. We quote to-day at $4.90a$5. The stock on hand, we are informed, is light. There has been an advance in the wagon price. We quote now at $4.75.—Sales of City Mills were made at $5, but holders are now asking $5.25. We quote Susquehanna at $5.

Grain.—Wheat has likewise improved in price. We quote best Penna. reds at 108a109c.; Pennsylvania Rye will command 62½c.; Maryland, 58a60c., as per quality. We quote Maryland Oats at 37a40c.; Virginia, 34a35c. Sales of Maryland white Corn have been effected at 56a 58c., yellow 59c.

Provisions.—There is no alteration to note in the prices of Provisions which remain nominally the same as at the close of last week; the market being well stocked, with little or no demand. Sales of assorted Bacon have been made at 6a6½c on time, Sides 6a6½c, Hams 8a9c., Shoulders 5a5½c.; Mess Pork $12; Mess Beef $12½; Baltimore cured Hams have been sold at 10c.; packed Beef $12.50, &c. as to quality; Western Lard in kegs 7½a8c. In Butter there is very little doing, and no regular quotation price can be fairly obtained.

Cattle.—There is but a limited demand for Beef Cattle. We quote at $7,50a$7,75 per 100 lbs. This is a slight decline. Live Hogs are in abundance, and can be obtained at $4.75a$5 per 100 lbs.

Sugar and Molasses. The cargo of the schooner Gallant Mary was offered this morning at public sale, consisting of 140 hhds. Porto Rico Sugar, and 100 sold at $6.40a$8, balance withdrawn; 29 hhds. common Porto Rico at $6.05. At the same time, 45 hhds. Porto Rico Molasses were sold at 24a26c.

Whiskey.—We quote Whiskey in bbls, at 22½a23c. There have been no sales of hogsheads. The wagon price for barrels is 18c., exclusive of the barrel.

☞We learn from the Bangor Democrat that the President of the Frankfort Bank has been arrested on a charge of swindling, and bound over for trial. The substance of the charge against him is that he took the funds of the Bank, purchased stock of various persons at fifty per cent. sold it at par, kept the profits, and paid the Bank in wild land at $2 50 per acre that was worthless.

Rev. Dr. Bethune sailed on Monday last for the Mediterranean, with the object of improving his health.

Debt. Dow, Junior says, "one debt begets another. I have always observed that he who owes a man a dollar, is sure to owe him also a grudge; and he is always more ready to pay compound interest on the latter, than on the former."

"Brevity the soul of wit." The celebrated Doctor Abernethy was a man of uncommon brevity of expression. A lady who was acquainted with this peculiarity of the Doctor, once called upon him, with one of her arms badly burnt, for advice, when the following dialogue took place:

Mrs. B. [Exposing her arm.] "A burn."

Doctor. "I see it is; poultice it." [Here he wrote a prescription for a poultice and handed her.]

Second visit.—Mrs. B. [Exposing her arm as before.] "Better."

Doctor. "Glad of it; continue the poultice."

Third visit.—Mrs. B. [Showing her arm.]—"Well."

Doctor. "Very glad."

Mrs. B. "What's the fee?"

Doctor. "Nothing; you are the most sensible woman I have ever seen."

The Portland (Me.) Advertiser says—On one day last week, in the usual hours of working, there were produced from *one loom*, at the mill of the Brunswick Co., in Brunswick, *eighty yards* of the best quality of No. 14 sheeting, 37 inches wide.

This is said to be the greatest quantity of cloth ever manufactured by one loom in the same space of time.

The Jews. A society, the members of which are all Christians, has been formed at Brockville, in Canada, to assist in facilitating the return of the Jews to the Holy Land.

Specious. The suit commenced a few days ago against the Philadelphia Bank, to recover specie on one of its "Certificates," was compromised on Monday morning before Alderman Binns.

☞It is said that the British Queen steam-ship was not expected to sail before the 20th, if so soon. We shall therefore have news by the Acadia before her.

☞Green peas, and strawberries made their appearance in the Philadelphia market on Tuesday.

Love and Law. A young lawyer, who had long paid his court to a young lady, without much advancing his suit, accused her one day of "being insensible to the power of love."

"It does not follow," she archly replied, "that I am so, because I am not to be won by the *power of attorney*."

"Forgive me," replied the suitor, "but you should remember that all the votaries of Cupid are solicitors."

He might have added that lawyers in good practice are always *courting*.

Duelling. David G. Burnet, better known as Judge Burnet, formerly Chief Justice, and now President pro. tem. of "the Republic of Texas," and also President of the Texas Bible Society, lately challenged Gen. Samuel Houston, to fight a duel. He was publicly censured by a meeting of citizens called in reference to that subject.

TWO CHARMING PERIODICALS. 1st No. of a New Volume of the Ladies' Companion. Opinions of the Press, viz: New World.

The Knickerbocker for this month is out punctually on the first, and it is full to overflowing with good things. That capital story, the Country Doctor—far superior to the majority of the continuations in the English Magazines—goes on more amusingly than before. The number is embellished with a curious and appropriate engraving of "a Dutch Cottage in Beaver street, 1679."

The May number of the Ladies' Companion is embellished with a steel engraving that would do no discredit to Finden's Galleries. It is exceedingly beautiful, and is entitled "The Young Chief's First Ride." Such embellishments alone entitle this various and excellently edited magazine to the bountiful patronage with which it is favored. We notice certain typographical improvements in this number, which are indications of the good taste of the proprietor.

The literary merit of the Ladies' Companion seems to increase rather than diminish—and, with the editorial labors which are now bestowed upon it, it cannot fail to be pronounced highly creditable to the literature of the country.

TERMS—Knickerbocker, $5 per year, or $1.25 quarterly. Ladies' Companion, $3 per year, or 25 cts. each number. Single numbers for sale at

WEBB'S PATENT BURNERS,
AND CAMPHINE OIL.
FOR SALE AT No. 109 E. BALTIMORE STREET, between South and Calvert streets, where Burners of every description can be obtained. Those who are *sceptical* as to its *safety* or *economy*, would, I trust be perfectly satisfied by examining the opinion of Professor Locke, of Ohio, on "Webb's Camphine," or by referring to the Journals of the Franklin and American Institutes, of Philadelphia and New York. All those desirous of obtaining a clean, brilliant, and economical light, will find it greatly to their advantage by calling on the subscriber. The public may be assured of one fact, that we require no meters to ascertain the amount of Camphine consumed, as they register correctly and in plain English.
☞ASTRAL LAMPS ALTERED.
N. B. We have appointed Joshua Atkinson Agent, No. 22 Market street, F. P., where all orders will meet with immediate attention.
P. AUGUSTUS BAILEY, Agent
For the Proprietors.

The following letter to the Agent, exhibits the superiority of the Camphine over Gas or Oil light, in brilliancy and cheapness:

New York, March 23, 1840.

Dear Sir—I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB'S PATENT LAMP, in my opinion, is much superior to any Lamp now in use—the Camphine produces better light than Gas or Oil. I have burned Oil for five years, Gas for eleven, and Webb's Camphine for 20 months. I have a better light in my bar-room with five of Webb's burners than I had in the same room with eleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use.

Yours respectfully, THOMAS RILEY,

BALTIMORE LOCK DISPENSARY,
No. 17 HARRISON ST.
"NO CURE NO PAY."
DR. HUNTER'S RED DROP. This long established and highly valuable medicine is now no novelty. It has been before the public for a long time, and by its merits alone, has it risen to a degree of estimation not enjoyed by any other medicine, for the certain cure of the Syphillitic disease. Prompt and effectual in action, yet harmless to the constitution, is its well established character, having never failed to give entire satisfaction in all the many thousand cases, where it has been used as directed.—These absolute and undeniable facts speak trumpet-tongued to the afflicted, and are the basis of a well founded hope of the philanthropist, that this unequalled medicine may circulate far and wide for the benefit of the human race.

This medicine gives the prodigal a chance to repent. Thousands have been saved and radically cured, after suffering under the hands of impostors, by this medicine, and who with grateful hearts are ready to attest to its value, and have allowed themselves to be referred to.

Persons residing at any distance, can have medicine sent to them, packed secure from observation.

It was out of pure motives of philanthropy, that this medicine was first made public; the price always to remain $1 per Bottle, to be within the reach of the most unfortunate.

☞Letters addressed, (post paid) describing the case, mode of living, &c. will be promptly attended to. Direct No. 17 Harrison street.

MOFFAT'S LIFE PILLS
AND VEGETABLE BITTERS.
THE perfectly safe, unerring and successful treatment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered beyond all hope by their medical attendants.—Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow-citizens.

The Life Medicines are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases of dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription; in Fever-and-ague, Inflammation, Fevers of every description, Sick headache, heartburn dizziness in the head, pains in the chest, flatulency, impaired appetite, in every disease arising from an impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt greatly superior to any other mode of treatment.

All that Mr. Moffat asks of his patients is to be particular in taking them strictly according to the directions. It is not by a newspaper notice, or by any thing that he himself may say in their favor, that he hopes to gain credit, it is alone by the results of a fair trial. Is the reader an invalid, and does he wish to know whether the life medicines will suit his own case? If so let him call or send to Mr. Moffat's agent in this place, and procure a copy of the Medical Manual, designed as a domestic guide to health, published gratuitously. He will here find enumerated very many extraordinary cases of cure; and perhaps some exactly similar to his own. Moffat's medical office in New York, 375 Broadway, and for sale by the Agents. JAS. DAVIES' FAMILY PILLS.
[From Captain Parrish, who commenced to use them when diseased in August, 1839.]
Philadelphia, June 2, 1840.
☞To Dr. Davies: Dear Sir—I have had experience in the virtue of your Pills, sufficient to recommend them as a superior cathartic and excellent carminative, and also as a family medicine that every one should be in possession of. There is no doubt that if persons and families generally were acquainted with their efficacy, they might save many a dollar now paid for doctor's bills. Yours respectfully,
E. PARRISH.

Harper's Ferry, August 11, 1840.
Dr. Wm. Davies: Dear Sir—I am happy to inform you and the public, that I have been cured of that dreadful disease the Rheumatism, by taking your Family Pills. I had been laboring under that disease for more than a year, during which time I tried the skill of our best physicians without effect; at length I was induced to try your medicine—I found relief after taking half a box, I continued to take them until I had taken five boxes; my age is 71 years, and I consider that none but the old and rheumatic persons know how grateful I feel to the medicine that has restored me to health. Yours, respectfully, JOHN DYE.

We, the undersigned, are agents at Harper's Ferry for the sale of Dr. Davies' Family Pills, know our neighbour, Mr. Dye, said him the pills of which he speaks so highly, and believe his statement to be substantially true. Respectfully,

CONSUMPTION AND BLEEDING OF THE LUNGS CURED. Mr. Wm. Sheppard, residing in Beaver county, Pa. near the state line, relates as follows: "In the month of May last my wife was taken with Bleeding from the Lungs, coughing, night sweats, hectic fever, &c. She had taken a violent cold; having previously given symptoms of the approach of Consumption, I felt much alarmed and made immediate application to a physician. Under his treatment she became worse, instead of better, until the first of June, when I heard from an intelligent man of DR. SWAYNE'S SYRUP OF WILD CHERRY, and from his earnestness in recommending it I was induced to try one bottle. The effect exceeded my utmost expectations—she felt immediate relief. I then mounted my horse and rode to the office, No. 41 St. Clair street, Pittsburg, where it is kept for sale, and procured six bottles more, which I am happy to say has effected a perfect cure. ☞*24 hours in advance of any other Line.*

Passengers by this Line not only reach Charleston ONE DAY SOONER than by the Bay boats but they avoid being compelled to remain all night at Weldon, on the Roanoke, one of the most unhealthy places in the whole southern country, where, by the Bay Line, they are often delayed seventeen hours.

Passengers for Richmond and Petersburg will find this Line far the most expeditious, arriving at Richmond to lodge, (as will be seen from the above Schedule,) on the evening of the day on which they leave Baltimore, being from 16 to 18 hours in advance of those taking the Bay Steam Boats.

☞This is much the nearest, quickest, and cheapest route to the interior of Virginia, North and South Carolina—at Petersburg, Va. commences the route by way of Raleigh, N. C.—145 miles of Rail Road from Petersburg to that city. Stage Lines branch off from Raleigh Rail Road to the old Piedmont Line, to Milton Danville, &c., and to Knoxville, (Tenn.)

☞Passengers for the Raleigh and Gaston Rail Road pay through to Petersburg, Va. Fare lower than any other line. For further information and Through Tickets, apply at the office of
