DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has selected some of the most astonishing cases that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, palpitations, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Denial, Love of Solitude, Timidity, &c., are some of the evils produced.

HASHEESH CANDY.

HASHEESH CANDY,
FOR
ASTHMA,
ASTHMA.

MR. WM. H. READ:
Dear Sir—I wish to inform you by this writing "I have been suffering with Asthma in its worst form for 20 years, spending within that time hundreds of sleepless nights in the most suffering manner. Everything failed to give relief until I obtained a box of HASHEESH CANDY, which proved the most wonderful curative agency I ever used, relieving me immediately in manner not attached by the disease. Many have been so severely attacked that I could with great difficulty breathe at all, and was incapable of lying down at night, having such terrible exacting sensations. Medical men of all schools failed to afford the least relief. Without any hope I resorted to this wonderful Candy in January, 1864, ever since which time I have slept without the least trouble by using some when ever threatened by an attack, and am thankful that such a remedy is to be found. I recommend it to all afflicted by Asthma, Hoarse Cold, Hay Fever, or diseases of that class.

JOHN R. WILKER,
11th District Baltimore Co., Maryland.

SEWING MACHINES.

ALL SIDES we hear the merits of the GROVER & BAKER'S CELEBRATED SEWING MACHINE. The ladies declare it the very best, we give it to us in many undeniable facts, we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so rapidly, hem so faultlessly, quilt so evenly, fell so accurately, gather so rapidly, operate so easily? None, we conscientiously affirm.

THE
BALTIMORE
WEEKLY CLIPPER,
THE CHEAPEST NEWSPAPER
IN THE STATE.
The undersigned would call the attention of all desirous of having a good Weekly Journal to the
BALTIMORE WEEKLY CLIPPER,
one of the largest and cheapest Papers published in this or any other State.
At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so.
CHEAPNESS.
When everything else almost has advanced in price more than one hundred per cent, is also a great requisite, and so it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the
WEEKLY CLIPPER
at the low price of
$1.50 PER YEAR.
Let those who need such a paper, remember that for this comparatively small amount, they are furnished
THIRTY-TWO COLUMNS
of closely printed matter per week—that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.
To accomplish the enterprise, however, and to do the work intended, and his subscribers full justice, he must have
PROMPT PAY,
and therefore no paper will be sent from the Office but what is
PAID FOR IN ADVANCE,
and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires. BILL IN THE CIRCUIT COURT FOR BALTIMORE CITY, NOVEMBER TERM, 1864.
George McIlvoy, George C. Penniman and Harriet Penniman his wife, vs. Harriet W. Ogston, Frank F. Ogston, Emily Mills Ogston and Alice Ogston.
The object of this suit is to procure a decree for the sale of certain property lying in the city of Baltimore, which was on the 23d day of April, 1852, conveyed to the complainant George McIlvoy, trustee, to indemnify the complainants Geo. C. Penniman and Harriet Penniman his wife, in case of loss or damage to them by reason of a mortgage of their property to secure a loan made by George W. Ogston from the Savings Bank of Baltimore. The bill states that by an antenuptial settlement executed by George C. Penniman and Harriet his wife, dated the 19th day of July, 1841, the said George McIlvoy was constituted a trustee to hold the legal interests provided for by said deed, and to carry out the purposes thereof, that the complainant at the request of the said George W. Ogston and for the purpose of enabling him to effect a loan at the said Savings Bank, on the day aforesaid, executed two separate mortgages to secure the payment by the said Ogston of eight thousand dollars, with the interest thereon accruing, payable half yearly. That it was a condition of the deed to the said execution of the said mortgages that the said George W. Ogston should execute to the said George McIlvoy a deed of his interest in certain other property in the city of Baltimore to indemnify the complainants against all loss, harm or damage which might happen to them in consequence of the execution of the said mortgages. And accordingly on the 23d day of April, 1852, the said Ogston did convey to the said George McIlvoy, Trustee, as aforesaid, all his right and interest in and to the following lots and parcels of land in the city of Baltimore, to wit: lot corner of Salisbury alley and Exeter streets; 2 lots at the southwest corner of Blanket and Second streets; lot at the northeast corner of Mulberry and Park streets; 1 lot on Second st. B. Smith to John Ogston, by deed dated Dec. 4th, 1825; 2 lots on the east side of Jones' Falls, leased by John Ogston to John B. Janney; 1 lot on Baltimore street, east of St. Paul street; 1 lot on Pitt street to have and to hold to the said George McIlvoy and his heirs to recover the rents, issues and profits, and to pay thereout annually to George C. Penniman $450, and the residue thereof to the said George W. Ogston; and in further trust that, should default be made by the said Ogston in the payment of the said interest or principal of the said loan to the said Savings Bank, so that the said George C. Penniman be compelled to pay the same or any part thereof, the said George McIlvoy shall apply the balance of said rents and profits towards the indemnity of the said Penniman, with power to the said trustee to sell out any or all of the said rents for the purpose of making such indemnification. The bill further states that the said George W. Ogston died on the 23d day of November, 1862, leaving the defendants, his widow and children, all of whom reside at Morristown, New Jersey. That the said George W. Ogston did, during his life, nor has any person since his death, paid any part of the interest or principal of the said mortgage to the said Savings Bank. George McIlvoy, as trustee, collect the said rents and profits, nor did he pay to the said George C. Penniman the said sum of $450 per annum from the 23d day of April, 1852, to the present time, with interest, is still due to the said George C. Penniman.
That the said Penniman did pay a part both of the principal and interest of the said mortgage debt to the said Savings Bank, for which he is entitled to be reimbursed out of the said property so conveyed for his indemnity.
That the said Savings Bank proceeded to sell the said mortgaged property, by which proceedings the said property so conveyed for your indemnity has become liable to be sold and ought to be sold to indemnify the plaintiff in premises.
It is therefore adjudged and ordered this 25th day of November, 1864, that the complainants, by causing a copy of this order to be inserted in some newspaper published in Baltimore, once in each week for four successive weeks, before the 25th day of December next, give notice to the said defendants of the nature and object of bill, and warn them to be and appear in this court in person or by solicitor, on or before the 1st day of April next, to answer the premises, and show cause, if any they have, why a decree ought not to be passed as prayed.

IN THE CIRCUIT COURT FOR BALTIMORE CITY—Jane Hutton vs. Frank Hutton, Mebert Hutton and others. The object of this suit is to procure a decree for the partition among the parties interested of certain property, No. 30, on the west side of Calvert street, in the city of Baltimore, by a sale, if necessary, with the enjoyment by the complainant, in severalty, of her legal half part thereof, and the investment of the other half in trust, under the will of James Hutton, deceased, by a trustee, to be appointed by this Court, in place of the defendant, Hutton, the surviving trustee for the complainant, whose removal is prayed on the ground of his non-residence.
The bill states in substance that the said North street property is owned one-half absolutely by the complainant, and the other half by the defendant, Gaun McH. Hutton, as surviving trustee, under the will of James Hutton, for the complainant and her heirs, and the parties who, in case of her death in this trust, come within the description, are the defendants, and that all the interest of the defendant, Hutton, in said property, under said will, or otherwise, is held and owned by the complainant under two deeds to her from him, and one from McAlderry and wife, and that the said Hutton has been for several years absent from the State of Maryland in foreign parts, and that a partition and sale and the investment of one half of the proceeds can effectually be made only by the intervention of this Court, that the said Hutton does not reside in the and State of Maryland.
It is thereupon this 21st day of November, 1864, adjudged and ordered that the complainant by causing a copy of this order to be inserted in some daily newspaper published in the City of Baltimore, once in each of four successive weeks, three months before the 1st day April, A. D. 1865, give notice to the said absent defendant of the object and substance of this bill, and warn him to appear in this court in person or by solicitor, on or before the 1st day of April, 1865, and show cause, if any he has, why a
