DR. JOHNSTON

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the Union! Based upon the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many treated with stagger in the head and even when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH.
THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 80 to 300. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost

extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

PROPOSALS FOR REMOVING WRECKS, &c., IN THE CAPE FEAR RIVER.

BUREAU OF CONSTRUCTION AND REPAIR,
NAVY DEPARTMENT,
April 12, 1865.

The Bureau will until the 15th day of May, 1865, receive proposals for raising and removing the vessels—supposed to be about 30 in number—sunk and beached in and about the mouth of Cape Fear river, North Carolina.

The hulls of the vessels are mostly of iron, and the machinery in many of them is represented as being in good order.

Separate and special offers covering a single vessel only will be received for raising and delivering in New York the "North Heath," "Ivy," "Ariel," "Fanny," "Chimmanga," with all the property that may be on board of them, on a salvage upon the net proceeds of the sale at public auction, the Government to be the sole judge in the matter.

For the remaining wrecks the proposals may be for a part of the whole of them, and must state the rate of salvage on the net proceeds of the sale at public auction, of the property to be raised and delivered at the United States Navy Yard, at Gosport, Virginia, without charge of any kind to the Government.

The rate bids recovered must be delivered at the navy-yard, with a separate invoice for each vessel.

Each offer must state the time within which it is proposed to complete the work, which must be executed under the control of the commanding naval officer, who will designate the vessels on which operations are to be first commenced, and who will have the right to have work not promptly commenced and diligently prosecuted, to annul the agreement, when all claim of the salvors to the property recovered will be forfeited to the Government.

The entire property will be placed in the hands of the Government, and sales will be made as may be deemed most advantageous to the Government and the parties concerned. Any other condition necessary for the protection of the public interests will be inserted in the agreement.

No proposition will be entertained from parties who do not furnish satisfactory evidence that they are prepared, with all the proper and necessary appliances, for the execution of work of this kind.

Parties who may visit Wilmington for the purpose of making a personal examination preliminary to making an offer will be permitted to do so by the naval officer in command.

The proposals will be received on the envelope containing them, "Proposals for raising wrecks in Cape Fear River."

DR. BRADSHAW'S INVIGORATING CORDIAL.

THE GREAT INVIGORANT,
THE GREAT NERVINE.
CURES, CURES, CURES,
NERVOUSNESS AND WEAKNESS
And all diseases arising from excesses and overexertion whether physical or mental.

To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility or from weakness, will find immediate and permanent relief from the use of this incomparable renovator.

A STIMULANT BY ORIENTALS NO REACTION.

Its force is never expended, as is the case with opium or alcoholic preparations, and it other excitants. The effect of these is brief, and it may well be said of him who takes them, "the last state of the man is worse than the first." But the Bitters is an exhilarant without a single drawback—safe in its operation, vesting in its happy influence upon the nerves, the mind, and the entire organization. In cases of neuralgia, headache, loss of memory, hypochondriasis dyspepsia, general prostration, irritability, nervousness, inability to sleep, liver complaint, and all diseases incident to females, hysterics, monomania, vague terrors, palpitation of the heart, burning in the constitutions, &c., &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

It is the only infallible remedy, yet discovered for Nervous Head and Mind Complaints. It is the metaphysic long sought for, and never before found, the only natural agent that can "administer to a mind diseased." In cases of Neuralgia, Headache, Vertigo, pain in the Nerves of the face, and and the various train of Nervous Affections, it will produce a cure in an astonishing short period of time; and it will also remove Depression, Excitement, a Tendency to Hilash, Restlessness, Sleeplessness, Dissaste of Society, incapacity for study or Business, Loss of Memory, Confusion, Giddiness, Blood to the Head, Melancholy, Mental Debility, Hysteria, Indecision, Wakefulness, Thoughts of Self-Destruction, Fear of Insanity, &c.
