STATEMENT OF SIGNIFICANCE *(Include Personages, Dates, Events, Etc.)*

This little stone house has not been modernized or added to in any way; not left to deteriorate. The sound masonry and slate roof are holding up against neglect, however.

Once standing in the middle of land that supported its owner, a farmer, it was then owned by a carpenter, and is now rented by to laborer whose interest is in racing motorcycles.

Just a little effort this could be a very attractive little place.
