SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH. THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different Stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 30 to 300. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost.

Call and see its operations, whether you wish to purchase or not.

Samples of sewing with price list, sent free by mail.

SEWING MACHINES.

On all sides we hear the merits of the

GROVER & BAKER'S
CELEBRATED SEWING MACHINE

extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

The following is a partial list of Farms I have now for sale, comprising some of the most valuable Farms and Finest Estates in Maryland:

FARM of 255 acres situated in Howard county, on the county road three miles west of the Relay House, 10 miles from the city of Baltimore. It is approached from the Washington turnpike on the south and from the county road from the west and north. The improvements are a stone rough cast dwelling house 54 by 40 feet with very large back buildings built in the most substantial manner 6 years ago by the present owner for his own occupancy, and no expense having been spared to make it complete in every respect. A wide piazza extends the whole front of the house. The first floor consists of a parlor, sitting room, dining room library room, a large and substantial fire proof safe, and wide hall running through the centre of the house, ante room, large winter and summer kitchens, and wood house on same level. The other improvements consist of an ice house 20 feet square, now filled with the purest ice, winter and summer dairy, one of the best constructed barns in the county, 61 by 50 feet, which is supplied with water, overseer's house, gate house, &c. The hen house and corn cribs are of unique construction and considered to be superior.

FARM OF 149 ACRES on Mill Creek, two miles from Annapolis, 110 acres under cultivation, balance in timber; the land is easy and adapted to the growth of grain, fruit and vegetables. Would make a fine truck farm. MEDICAL.

AYER'S
CATHARTIC PILLS

Are the most perfect purgative which we know of, and the result of which we think has ever yet been made by anybody. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use—They are safe and pleasant to take, but powerful to cure. Their penetrating properties strengthen the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow diseases under favorable circumstances, stimulate organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and, being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were not such substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted, suffering fellow men.

The Agent hereby named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require only a mild cathartic for their cure, purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions.

Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand AYER's and take no others. The sick want the best and there is for them, and they should have it.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists. je 3-3m
