DESCRIBE THE PRESENT AND ORIGINAL (*If known*) PHYSICAL APPEARANCE

This large farm house, frame, is covered with brown cedar shingles over clapboards. Three bays by ~~three~~, 2½ stories high, it faces south. A wing, two stories high, three bays by two, runs north from the east side of the house.

Three chimneys - at either end of the main house and from the back of the wing - all rise from no fireplaces indoors. The owner does not know whether they were built for stoves only or whether early fireplaces were completely removed and the built over in that area.

This comfortable farmhouse indicates the prosperity that most dairy farmers have known in this area for the past forty years. (The barn is switching over, partially, to beef.)

The setting is impressive, the view to the east, south and west ~~[illegible]~~ across ~~beautiful~~ Deer Creek is very beautiful.
