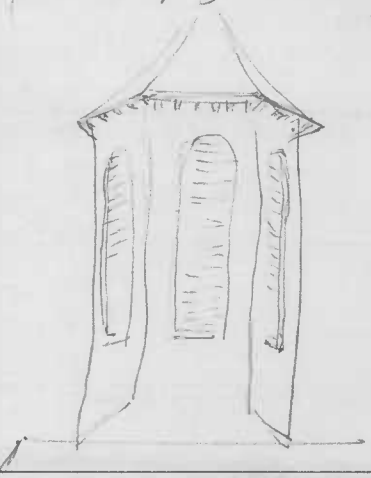
STATEMENT OF SIGNIFICANCE *(Include Personages, Dates, Events, Etc.)*

One of three parishes establishing The Church of England in Maryland by order of William and Mary in 1688. St George's was first built at Gravelly, perhaps as early as 1671, surely by 1681. This second location was chosen to follow the increasing population inland about 1718. The third building was finished in 1758. The fourth building standing today on the same foundations is of the same bricks (first ~~dated~~ in Harford County).



The grounds are given over in an un-planned and scraggly fashion - a good garden plan would be of ~~valuable addition~~ value.
