SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH. THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different Stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 20 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost.

Call and see its operations, whether you wish to purchase or not.

SEWING MACHINES.

On all sides we hear the merits of the GROVER & BAKER'S CELEBRATED SEWING MACHINE extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our convictions of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? Next, we consider truly chiefly.

REAL ESTATE.

STATE AGENCY FOR THE DISTRIBUTION OF INFORMATION CONCERNING FARMS IN MARYLAND.

MARYLAND FARMS FOR SALE IN EVERY COUNTY. *From $1,000 to $60,000 and Upwards.*

The following is a partial list of Farms I have now for sale, comprising some of the most valuable Tracts and Finest Estates in Maryland:

FARM of 225 acres situated in Howard county, on the county road three miles west of the Relay House, 10 miles from the city of Baltimore. It is approached from the Washington turnpike on the south and from the county road from the west and north. The land is in good condition, twenty-five bushels of wheat per acre and other cereals in proportion, have been raised; has an abundance of pure spring water and is considered one of the healthiest places in the State; has an abundant supply of fruit of all kinds, about 2,500 trees just coming into bearing this season. The garden of about 3 acres has a large supply of grapes of various kinds; raspberries, Lanter blackberries, gooseberries, currants, strawberries, dwarf pears, &c., &c. Two never failing streams of pure spring water pass through the place, watering every field, one of which supplies a large pond from which the ice house is supplied with ice. The improvements are a close rough cast dwelling house 54 by 40 feet with very large back buildings built in the most substantial manner 8 years ago by the then owner for his own occupancy, and no expense is having been spared to make it complete in every respect. A wide piazza extends the whole front of the house. The first floor consists of a parlor, sitting room, dining room, library room, a large and substantial fire proof safe, and wide hall running through the centre of the house, ante room, large winter and summer kitchens, and wood house on same level. Second floor contains six large chambers in main building, two bed rooms, bath room, &c., in back building; every room except the parlor have large and very convenient closets; hot and cold water throughout the house, bells in each room, also gas pipes throughout the house; a large, dry cellar under the whole house; Chelson's largest size furnace, heats the entire house; cooking range, &c., in kitchen; in short, every convenience usually found in a modern built house. The house stands on an elevated position from which nearly all parts of the farm, and from the roof the city of Baltimore, as well as the surrounding country for many miles, can be seen, and is surrounded by oak, hickory and chestnut trees of large size, and well supplied with a profusion of evergreens. The other improvements consist of an ice house 20 feet square, now filled with the purest ice, winter and summer dairy, one of the best constructed barns in the county, 64 by 50 feet, which is supplied with water, overseer's house, gate house, &c. The barn house and corn crib are of unique construction and considered to be superior.

FARM OF 193 ACRES on Mill Creek, two miles from Annapolis, 150 acres under cultivation, balance in Timber. The soil is rich, and adapted to the growth of grain, fruit and vegetables. Would make a fine truck farm. The improvements are, dwelling house of five rooms, and manager's house, of four rooms, fine barn, corn-house, cattle-shed, stable for ten horses, ample feed and water for stock, carriage house and house for farm hands. The improvements are mostly new. There are three pumps of fine water on the premises, and the whole is enclosed with good fences. There is a fine lawn in front of the dwelling, with young fruit and ornamental trees. Within half mile of the place is an Episcopal and Methodist Church, Post office and School-house. Price $100 per acre.

FARM of 433 acres in Howard county, 12 miles from Baltimore, on the Washington railroad near Jessup's Cut. Fifty acres is under cultivation and the balance lying immediately adjacent to the railroad, is susceptible of easy cultivation. This tract will be divided into three farms if desirable, one of 150, one of 160, and the balance, 123 acres. The improvements, sold separately. Has an excellent water power and facilities for milling. Improvements are a good dwelling and outhouses. Price $30,000. Terms easy.

FARM of 400 acres on or at the mouth of the Threadhaven river, where it empties into the Chesapeake Bay; 300 acres of this is wheat or corn land or any kind of cereal, and about 100 acres of valuable timber. Improved by a fine mansion erected at a cost of $10,000, and all necessary outbuildings. Contains plenty of good fruit. The river covers two of the best ducking points in the State, with a plenty of all kinds of fish within fifty yards of the door. Price $100 per acre—liberal reduction for cash.

DESIRABLE RESIDENCE on the sea side seven miles from Snow Hill, Worcester county, opposite the Islands Tangier and Smith, beautiful dwelling, large and comfortable; about 16 acres of fine arable land attached; growing fruit of the choicest description; about 6 acres woodland. Price $2,500.

FARM of 1,011 acres, near Cove Point Light House, in Calvert county, 40 miles from Baltimore, and near one of the landings of the Patuxent line of steamers; 400 acres under cultivation, and balance in oak, hickory and chestnut timber. Improved by a good dwelling and Barn, good fencing, &c. Price $12 an acre.

FARM of 80 acres, about two miles southwest of Unity, in Montgomery county. Improvements consist of Dwelling, Stable, &c., in tolerable good condition. The principal attraction of the place is its excellent adaptation for Mills of any kind; at present a small Grist mill on the premises. Rented last year for $250.

FARM of 115 acres, 14 miles from Baltimore, on the Reisterstown road, near Owing's Mills, Baltimore county; 85 acres arable, balance in good timber. Improved by a good Frame Dwelling, Stone Spring House, &c. Excellent water in every field. Price $6,000. Terms easy.

FARM of 572 acres on the Annapolis and Elk Ridge Railroad, at the station known as Patuxent Furnace, 24 miles from junction with the Washington Railroad, at the head of Patuxent river; 400 acres are under cultivation, and the balance is in young timber. The land is of excellent quality, and the site unsurpassed in regard to health and scenery. Two apple orchards and other fruit trees are on the place. An unsurpassed water power site for a flouring mill, saw mill and manufactory, formerly used for a large iron furnace. Improvements consist of a large and substantially built mansion house, with a fourteen feet wide hall, and piazza in front, surrounded by grounds; the house contains 14 or 15 rooms, and was built at a cost of $9,000. The other improvements are a store at the Station, rented for $400, barns, tobacco house, &c. The whole improvements worth $6,000.

FARM of 500 acres, situated 30 miles south of Washington, very near the Potomac river and within half a mile of Clymont wharves. The steamboats are running from there to Baltimore and Washington every day.

The soil is of a fine and productive character, well adapted to the growth of Corn, Wheat and Tobacco, Melons and Fruit, and every kind of vegetables—it would make a splendid market garden. Four hundred acres are of arable land, and the other portion is oak, chestnut, cedar and pine. The Farm abounds in springs of never-failing water; it is situated in a healthy and pleasant neighborhood, convenient to churches of all denominations, post office, &c. It has on it a neat Dwelling House, good Out Buildings, such as a fine large Barn, stables, Corn House, Granary, Overseer's House, good quarters for laborers, Meat House, Ice House, and all other necessary outbuildings. There is also a fine stream of Grist Mill, with a stream of never-failing water. Price $60 per acre, cash.

920 ACRES PINE TIMBER LAND in the Pine region west of Pittsburg, in Allegany county. The improvements are a small barn, 40 acres cleared and fenced, about 100 acres heavily timbered with white pine hemlock and that very rare and valuable timber known as tamarack; it grows to great height, contains lightwood with strength, and especially valuable for tool ours, ship masts, saw mills, carriages and gates, and large frames; water power sufficient for sawing purposes is on it, and an abundance of good timber around it only accessable through it. The price is about $15 per acre; if sold soon a little less would buy it. At the present rates that pine timber is bringing, sawed up in a few years will exhaust it beyond a doubt, and remaining must become valuable. This tract especially so from the quality of the timber and other natural advantages; extensive borings for Petroleum are to be commenced in the same region. This tract is so good a show for it as any other in the county, but in this offer for sale nothing is claimed for it upon that score.

FARM of 137¾ acres, 7¾ miles from Hood's Mills and same distance from Sykesville, being on the Baltimore and Ohio Railroad. It is also distant 4 miles from the Frederick turnpike, 10 miles South, and 3 miles by the Liberty road, Hight North, within a mile or two of three good county grist mills, stores, smiths, and wheelwrights' shops, and distant 25 miles from Baltimore. Naturally fine soil, and well improved by lime and ashes; 110 acres cleared and in cultivation, now growing fair crops of wheat, rye, corn, oats, potatoes and grass, divided into six fields, supplied with pure water, (as is also the barn yard,) and all under good fencing, and as is also the wood lot, the latter containing 30 acres of black oak and hickory, two fine apple orchards of choice fruits, peaches and cherries.—Improvements:—Plain, comfortable dwelling, containing six rooms, and a small outbarn for hands, barn, stabling, two tobacco houses, dairy, with never-failing pure cold water quite near the dwelling, cow, smoke, carriage, and bee-house.—Price $70 per acre. Liberal terms.

A DESIRABLE COUNTRY RESIDENCE, three-quarters of a mile from the Relay House, on the Northern Central Railway, 14 acres of good improved land standing on rising ground 10 feet above the road. There is also a corn house, stable, spring house and ice house on the premises.—Fine location, having a full view of Swan Lake and adjacent country. Price $7,000 in cash, and time.

FARM of 110 acres in Caroline county, fronting on a public road, very convenient to post office, church, school, &c. There is a sufficiency of timber for all uses of the farm, fair fencing, apple and peach orchard and other fruits. Dwelling contains 3 rooms in good repair and well shaded. Out buildings are stables, corn house, granary, &c. Clay loam soil, clay bottom. One half down, balance to suit. Price $12,000.

FARM of 100 acres in Dorchester county, fronting on a public road very convenient to mills, store, post office, church, school, steamboat wharf, &c. 50 acres is woodland, two acres of meadow, balance arable land under good fencing. AYER'S CATHARTIC PILLS

Are the most perfect purgative which we are able to produce, or which we think has ever yet been made by anybody. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use.—They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, perfectly safe and best that can be employed for children.—Being sugar-coated, they are pleasant to take, and, being purely vegetable, are free from any risk of harm. Among the testimony which we present of their value, were they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen, and physicians have sent them, for the purpose to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our First Institution contributes immensely to the relief of our afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—

Costiveness, Sick Headache, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Dysentery, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising therefrom, Flatulency
