4. NOTABLE FEATURES, HISTORICAL SIGNIFICANCE AND DESCRIPTION

The Dr. Scott Farm house is an early 19th century frame house which appears to have been a double dwelling, with two center doors, having transoms, of a four-bay facade. It is two bays deep with two brick chimney within each gable and has a very steep "A" roof with no dormers. The dwelling stands on a fieldstone foundation and is covered with clapboard and shingles. Sash on the first story is 6/9 and those on the second story are 6/6. On the south side of the building is an enclosed leanto porch.

5. PHYSICAL CONDITION OF STRUCTURE Endangered no Interior Exterior fair
