KINK-INE

Great Hair Straightener and Grower

Most Wonderful Discovery ever made for curly, kinky and knotty hair. Makes hair grow long, straight, soft and silky; cures dandruff and stops falling hair. Kink-ine acts like magic on the hair.

Kink-ine Is No Experiment. It was discovered by R. Roberts, a famous English chemist, who has made a study of the scalp of colored people for the past 30 years, and who, after much time and experience, has prepared this great tonic for the colored people.

This chemist says that his experience and study have taught him that the scalp of the colored people requires a special treatment and after laboring and testing these many years he has discovered the greatest REMEDY the WORLD has ever known for the HAIR of colored people.

KINK-INE will make the hair GROW from one to three inches per month, if the directions and instructions are carefully followed out. We have many cases on record where the above results have been obtained, and we do not hesitate when we make these claims.

KINK-INE is the only safe preparation in the world that is guaranteed to make the hair straight and make dry hair smooth and stop it from breaking off and falling out; takes out all the kinks and knots, cures dandruff, makes the hair soft and silky, and by nourishing the roots gives it new life and vigor, restoring it to natural color.

Read what Miss Elizabeth Jones of Chicago says of KINK-INE: "My hair was not more than three inches long when I commenced to use Kink-ine, six months ago. I have used it steadily since that date and it has grown on an average of two inches each month and it is now more than fifteen inches long. Besides, my hair has become almost straight and I fully believe by the end of the year I will have the most beautiful head of hair of any colored lady in the world."

NELSON'S Hair Dressing

MAKES HARSH, STUBBORN HAIR SOFT AND PLIANT

REMOVES DANDRUFF

PROMOTES THE GROWTH OF THE HAIR

PREVENTS IT FROM SPLITTING AND BREAKING OFF

Not New or Experimental, but an Old, Reliable Preparation of Proven Merit.

Nelson's Hair Dressing is an ideal Hair Pomade. It contains no strong, dangerous chemicals that can in any way injure the hair. You can use it just as long as you wish, or stop it any time without any bad effects. It does not affect the color of the hair. **Nelson's Hair Dressing** softens harsh, stubborn, refractory hair, prevents it from becoming dry and brittle, and enables you to do it up in any style consistent with its length, at the same time giving it that rich, glossy look so much desired.

As a Hair Grower we consider **Nelson's Hair Dressing** the equal of anything made. It supplies the needed oil directly to the roots of the hair, softens and invigorates the scalp, thereby removing dandruff and promoting the growth of the hair. Stops the hair from falling out, breaking off and splitting at the ends, which is nearly always due to lack of natural oil in the hair.

Nelson's Hair Dressing is an excellent remedy for all kinds of Scalp Diseases such as Tetter, Itching and Scaling of the Scalp, Dandruff, &c.

Nelson's Hair Dressing is delightfully perfumed; put up in handsome 4-ounce square tin boxes (like one shown in cut), and sold everywhere by druggists and agents at 25 cents a box. If you cannot find it in your town, send us 30 cents in stamps and we will mail you a full size box, postage paid. Address,
