YOU CAN HAVE LONG STRAIGHT HAIR

If Anxious to Improve Your Hair and General Appearance Read This Carefully

There are so many so-called hair growers on the market, a large number of which are nothing more than perfumed grease, it is no wonder people get discouraged and lose faith in hair goods. In deciding of what [illegible] in sure and get Sempre's [illegible]

Quinain [illegible] chemists [illegible] some supervision [illegible] macist of many years experience.

Quinain stimulates and nourishes the roots of the hair causing a natural growth of long hair. It makes the hair soft, smooth and glossy, and easy to put up in the style desired.

To get the best results from the use of Quinain the scalp should be shampooed at regular intervals with Sempre's Quinasoap. Quinasoap is made entirely out of vegetable oils, principally cocoanut oil, and contains no animal fat of any kind. It lathers very freely and is a thorough cleanser. Quinasoap leaves the hair soft and fluffy and imparts a refreshing feeling to the scalp, unequalled by any other shampoo.

Do not accept any substitute, but insist on getting Sempre's Quinain and Sempre's Quinasoap, asking for them by the full name. If your druggist or dealer does not stock these two articles, ask him to obtain them for you from his wholesaler. The price is 25 cents each. Write to Sempre Drug Co., 79 East 130th street, New York City, for a sample, mentioning the name of this paper. Advertisement.

AS THIS TRUST
17 YEARS TORMENT

For 17 years I was tormented with a terrible skin disease which the doctors called ECZEMA. It set me at times almost crazy from itching. During those years I went to hospitals and paid about 20 doctors without relief. The disease never checked. My son took me to Dr. Campbell, the specialist, 1369 N. Carey street, Baltimore, Md. He treated me seven months and I am now completely cured. If anyone happens to suffer with such awful skin disease, go to Dr. Campbell, who I believe can cure anything a person was not born with, and he is the right kind the best doctor in the world.
