TUESDAY, NOVEMBER 6, 1956

QUESTIONS

For — Against
Question No. 1
Constitutional Amendment

A constitutional amendment which proposes that Councils of Counties having a charter form of government, instead of sitting not more than one month in a year for the enacting of legislation, shall have the right to sit not more than 45 days, which need not be consecutive, and legislation may be enacted during those designated days.

For — Against
Question No. 2
Constitutional Amendment

A constitutional amendment which proposes to change the Constitution's method of submitting to the General Assembly that time of each odd-numbered year when a majority of all members of either House agree with approval of two-thirds of the members. The proposed change would limit the subjects which may be considered to those upon which rules, during the last 10 calendar days of even-numbered year 30-day sessions and the first 10 days of regular sessions of the Senate.

For — Against
Question No. 3
Constitutional Amendment

A constitutional amendment which proposes to change the Constitution's method of submitting to the General Assembly that time of each odd-numbered year, when a majority of all members of either House agree with approval of two-thirds of the members. The proposed change would limit the subjects which may be considered to those upon which rules, during the last 10 calendar days of even-numbered year 30-day sessions and the first 10 days of regular sessions of the Senate.

For — Against
