Guests gathered in her colorful club room for cocktails and to await the arrival of Dr. Alleyne (to whom the affair was a complete surprise). He had brought oodles of gifts which he opened after an elaborate and delicious piping hot supper.

Mrs. Hagan had invited some of his very close friends, including Mr. and Mrs. Nimrod Dalton, Drs. and Mesdames Ivan Higgins, Albert LaForest, Martin Rodgers and their guest Mr. Hoakey of Panama; Dr. and Mrs. Charles Campbell, the Mark Pattersons, Warren Parkers, Leon Hogans, Ernest Murphys;

Tormenting Rectal Itch Stopped In Minutes

Science Finds New Healing Substance That Promptly Stops Itching and Pain of Piles

New York, N. Y. (Special) — One of the most common afflictions is a condition known as "itching piles". It is most embarassing for the victim during the day and especially aggravating at night.

No matter what you've used without results — here's good news. For the first time, science has found a new healing substance with the astonishing ability to promptly stop the burning itch and pain. It actually shrinks hemorrhoids — without surgery. Medical science has proved this substance produces a remarkably effective rate of healing. Its germ-killing properties also help prevent infection.

In one hemorrhoid case after another "very striking improvement" was reported and verified by doctors' observations. This improvement was maintained in cases where doctors' observations were continued over a period of months! Among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' duration.

The secret is this new healing substance (Bio-Dyne*)—discovery of a world-famous research institution. This substance is now obtainable in ointment or suppository form known as Preparation H.* Ask for Preparation H suppositories (convenient to carry if away from home) or Preparation H ointment with special applicator. Absolute satisfaction guaranteed or money refunded.
