FOR REAL — "Yes, Santa Claus is back in town," is the answer to the question whispered by the tiny tot Rosalee Allen seems to be asking the bewhiskered visitor who arrived at Mondawmin Shopping Center last week-end. Just in from the North Pole complete with white beard, mustache, eyebrows and matching fur on his red suit, Santa has the name "Harold Saunders" which he uses in the summertime when he is not in his sled making Christmas visits to youngsters around the world. Asked what happens if Baltimore has no snow Christmas Eve, Santa tells each of the hundreds of little friends who sit on his lap every day, "Don't you worry. I'll be there to see you, if you're good."

BE KIND to somebody else this Christmas. Call AFRO's Mrs. Santa and make an appointment to come in and have your picture made with her as you present her your contribution. Call TODAY, 728-8200.

SHARE your good fortune with those less fortunate. Call AFRO's Mrs. Santa at 728-8200 and she will give you the name and address of a family you can adopt for Christmas.

## Household Hints

By United Press International

When washing knits, sort them in much the same manner as you sort regular laundry. Be especially cautious to wash light and dark garments in separate loads. Man-made fibers items have a tendency to pick up colors.

* * *

Like any napped fabric, brushed cotton denim should be washed wrong side out to avoid collecting lint.

What's the difference between low-lead gasoline and Lead-Free Amoco?
100 million pounds of lead in the air.

If every car and truck in the U.S. used low-lead gasoline, they would still be spewing almost 100 million pounds of lead into the air every year. But AMOCO believes in going all the way in the fight against pollution. That's why Lead-Free AMOCO is made with no lead. None. And it lengthens your spark plug, tail pipe and muffler life. And contains a special additive to protect your engine against possible valve wear. And only Lead-Free AMOCO comes in two grades, one for any car. Just pick the grade that's right for your car. Maybe someday the low-lead gasolines will follow Lead-Free AMOCO's example. It could mean a difference of 100 million pounds less lead in the air.

## Foster parents honored

Mr. and Mrs Samuel Batten of Arbutus will receive a citation on Sunday for five years as foster parents for children under the supervision of the Department of Social Services.

The award will be presented the couple by Director, Maurice Harmon at the Dec. 13 program at 4 p.m. at Cylburn Home, 2201 Cold Spring Lane.

Mr. and Mrs. Batten have cared for five children in their home and now have three small girls ages 10 months to five years who call them "Mother and Daddy."

The Battens also have a daughter of their own, Terri, age 14.

Congressman Elect Parren Mitchell is guest speaker at the reception which will also honor other foster parents who have opened their homes and hearts to youngsters through the years.

AT MEETING

Mrs. Mary Ann W. Franklin, Assistant Dean of the College of Morgan State College, who is serving as panelist on the Open Admissions committee attending the 40th annual meeting of the Middle States Association of Collegiate Registrars and Officers of Admission at the Hotel Dennis in Atlantic City from Dec. 1 through Dec. 3.
