Household Hints

Pierce link sausage with a fork before frying. This keeps sausage from bursting.

Going away? Stand your potted plants on bricks covered with water in the bathtub. The bricks absorb moisture. By so doing, they will help keep the plants moist.

Fre-heat a vacuum container before filling with hot foods or liquids. This will help to keep the foods hot for a longer period.

If you suspect a gas leak, brush a lather of soap on the pipes. The soap will bubble at the place where the leak is locified. Never use a match. That could cause an explosion.

Put a little sand in the bottom of your canary's bath bowl. Helps prevent slips.

Beauticians set march on Advance

Tuesday, Nov. 15, promises to be a red letter day in the history of Baltimore beauticians.

They plan to march at 10 a.m. on that day to the Advance Federal Savings and Loan Association, 1611 W. North Ave.

Aim is to open new accounts or to add to existing ones at this Federally - insured building and loan association, the only one of its kind in our city owned and operated by colored people.

* * *

AN APPEAL for beauticians to turn out strong was issued by Virgie Waters, president emeritus of the Md. State Beauticians; and Rogers Sanders, president of Rogers Beauty Supply Co.

Speaking for the Rogers firm, James H. Murphy, business manager, said: "Advance is one of the strongest financial institutions in Baltimore. Beauty shops are the largest single group of small business enterprises.

"If the beauticians of our city join in this march and open or increase their accounts, they will assure their financial future and support Advance, one of our leading institutions.

A&P

A practical gift, that's practically perfect

To some, a practical gift is as welcome as a rainy weekend. To others, it's just the right answer.

Here's a practical gift, that's practically perfect: an A&P Gift Certificate.

A handsome certificate with a mailing envelope, available in all A&P stores all year long. Offered in $5 and $10 denominations, these gift certificates will be honored in any A&P store in the United States.

When you think about it, practically anyone who buys food would welcome it.

And here's the best part—no one can ever get too many of them.
