BIG FIGHT IN G. O. P. RANKS

Leaders Will Wage Stiff Battle to Gain Control of State Machine

That a fight will take place within the Republican ranks, for control of the party machinery, is believed by many to be contemplated.

"Al" Moreland, of East Baltimore, is said to be anxious to see William F. Stone lose his place as city leader. Then the continued sway of some of the Stone leaders in the various wards hangs by a slender thread, the anti-Stone folks say, particularly that of Harry S. Cummings, in the Seventeenth Ward.

Right after the November election, Senator France and Covington E. Weller took office jointly in the Calvert Building, right along side of those of Gov. L. Ty. Tait, republican State Chairman. Folks began to wonder what France and Weller meant.

France, William P. Jackson, Weller and Tait opposed the war loan bill and Governor Harrington gave out the personnel of the commission that is to handle the money.

Republican Leader Stone, who was appointed a moving picture censor by Governor Harrington and former Governor Goldsborough were together for now both urging the Republicans to vote for the Harrington war program.

That the political opposition engendered by Stone against Goldsborough still lingers, was indicated when Senator France, Weller and Tait refused to accept William T. Warfield as a member of the commission on the ground that he is too close to Goldsborough.

Weller is said to cherish the belief that he could have been elected Governor in 1922, but for lukewarm support in some quarters. The Presses folks, though sore, lined up with Harrington at the eleventh hour and the latter elected him. The State Grove then proceeded to lay off the Presses Method folks with relish.

BOY SCOUT ACTIVITIES

There will be a big Mass Meeting at Bethel A. M. E. Church, Lexington and Eutaw streets. We have secured four prominent speakers for the occasion.

Jay Murphy, Sr. Chief Scout, Dean Pickens, Morgan College.

Much interest is being taken in the Boy Scout troops concerning the Report of Jack Safe and Slate Cleopatra at Druid Hill Park.

Look out for the big gathering next Friday at Bethel A. M. E. Church, July 2. Every Scout Master of every troop will be there with his boys.

Much favorable comment followed the work of two Waters boys, Masters Charles J. Tait and Eugene Merritt, at the recent Children's Day Evening Service. A two part program was rendered. Part I, consisting of high grade recitations by the "little tots" and senior scholars. Part II, consisted of a series of hymns for congregational singing illustrated by stereopticon slides projected life size on a screen. The lantern used for the occasion was made by the above named boys assisted by Master Clarence Saunders of Waters and Master Charles Thompson of Sharp St. Memorial Church. The lantern as first patched and used at the late Boy Scout Memorial Service at St. Johns A. M. E. Church gave very good results, using a powerful quadruple burner consuming acetylene gas.

Recently however the lantern has been equipped with electricity and the results have been so gratifying that the boys feel doubly encouraged. The lantern is now being used nearly every Sunday at Waters Sunday School for special illustration of the International Lessons.

CONFERENCE AT EASTON, MD.

The A. M. E. Preachers' Union of the Easton District convened in its monthly session Tuesday, June 18, at Bethel A. M. E. Church, Easton, Md., Rev. John S. Collins, pastor.

Devotions were conducted by the following brethren: Revs. Herring, Thomas, Haman, Bailey and others.

Resolutions were presented by Revs. J. A. Young, R. S. Stansbury and E. T. Addison, concerning the death of Rev. B. C. Curtis, who fell at his post, in Winchester, Md. Memorial exercises then followed. Rev. C. H. Green spoke in the highest terms of his life's work in various fields of labor since entering the Baltimore Conference.

One of the most important features of the meeting was the adopting of a resolution presented by committee, to present ways and means whereby the Easton District can successfully maintain the Old Folk's Home during the months September, October and November.

Excellent papers were read and discussed on following subjects: 1. Proper Method of conducting a funeral service by Rev. John Hammond. 2. Can conscience be relied upon as a safe guide at all times? Rev. Maloney. 3. Can pastors well afford to take vacation, if so how should it be spent? by Rev. E. T. Addison. Discussions of same were lively, but the essayists held their own.

Mr. Harry Dobson of Easton in timely remarks gave us cheering words of welcome to Bethel Church. Response was made by Rev. Stansbury. Resolutions presented by Rev. E. T. Addison, chairman response committee. Next meeting in Preston, Md., third Tuesday in July, Rev. J. W. Wing, pastor.

Rev. J. S. Collins, president; Rev. J. H. Fitchett, vice president; Rev. J. J. Baker, secretary; Rev. J. W. Wing, treasurer; Rev. S. H. Cooper, presiding elder; Rev. J. A. Johnson, bishop.

Can't Lose Hair!!!

Twenty Years From Today a Bald-headed Man Will Be An Unusual Sight.

One of the most prominent druggists of America made a statement a few weeks ago which has caused a great deal of discussion among scientists in the medical press.

He said: "If the new hair grower, Mildredina Hair Remedy, increases its sales at it has during the past year, it will be used by nearly every man, woman and child in America within eight years."

When Mildredina Hair Remedy is used almost universally, dandruff will disappear and with its departing, baldness, itching scalp, splitting hair and all scalp diseases will follow and twenty years from now a bald head will be a rarity." Sample sent for ten cents to pay postage. Mail orders filled by Reid Drug and Chemical Co., Baltimore, Md.

IS THIS TRUE?
17 YEARS TORMENT
For 17 years I was tormented with a terrible skin disease which the doctors called ECZEMA. It set me at times almost crazy from itching. During those years, I went to hospitals and tried about 30 doctors without relief. The disease never checked. My son took me to Dr. Campbell, the specialist, 1369 N. Carey street, Baltimore, Md. He treated me seven months and I am now completely cured. If anyone happens to suffer with such awful skin disease, go to Dr. Campbell, who, I believe, can cure anything a person was not born with, and he is, to my mind, the best doctor in the world.
