Boating course offered

A course on boating safety will be offered free to the public beginning at 8 p.m. Tuesday, Feb. 28, in the auditorium of the Westinghouse Defense and Space Center.

The course, sponsored by Flotilla 12 of the U.S. Coast Guard Auxiliary, a civilian voluntary group, will have eight two-hour lessons on piloting, rules of the road, navigation aids, boating safety, legal requirements and first aid techniques.

The Defense and Space Center is located on Fort Meade Rd., near Friendship International Airport. Persons interested in the course should contact K. E. Greenhorn, Flotilla 12 public education.

When ironing embroidery work, lay it face down on a soft thick towel to make the embroidered pattern stand out.

A&P — SHOP A&P The Store That Cares About You!

why does the fish in Cap'n John's frozen fish dinners taste fresh-cooked?

Because you cook the fish.
It takes no longer than heating pre-cooked frozen fish ... only 20 minutes.
You see, we're sort of fanatics about fresh fish flavor. So we refuse to pre-cook the fish.
Here's what we do:
We dip the fillet in milk batter.
Bread it. Top it with butter.
We blanch the peas.
Partly cook the potatoes.
So everything's done at once (in only 20 minutes) when you cook it.
The result.
A fish dinner that tastes like the fish is fresh-cooked. It should. Because it is.
One important tip.
Be sure the oven is really pre-heated to 400° F.
Are our Cap'n John's Frozen Fish Dinners a good reason for shopping A&P? They're one of many.
