OPINION.

File No. 452 Continued.

687 the question. As I understand the ordinances, no property holder of Baltimore City is allowed to maintain a nuisance on his property, so that the question to be decided in this case is, who are the owners of the road bed upon which the nuisance complained of is situated ? When they are ascertained, then the notice to abate should be served on them.

Very truly yours,
(Signed) Albert C. Ritchie.
Third Assistant City Solicitor.
