Let's talk about budgets!

Budgeting is tough these days.
It seems that every time you turn arou
the cost of something is going up.
The economists tell us it's to be expected.
Maybe so, but it sure makes running a home difficu.

We wish we could tell you that A&P has the answer to all your difficulties, but we can't...no store can.
We can tell you this:

There is one guaranteed way to cut your food bill without sacrificing quality; buy A&P's own brands.
Hold it...don't scoff...we're serious.
We don't have our own private national brands just to have low prices.
If it isn't a quality product, it can't carry the A&P Seal.
Take A&P Brand Canned or Frozen Vegetables for example.
They're GRADE "A"...you can't buy better.

If you buy A&P Brands, we guarantee you'll reduce your total food bill.
We also guarantee every A&P product you buy...unconditionally.
