B. T. Fendall, Esq.,

City Engineer.

Dear Sir:-

708 I am in receipt of your favor of the 27th inst., asking me whether it would be proper for you to permit the Consolidated Gas Company to lay a main in the footway in front of the City's truck house corner of McMechen Street and North Avenue.

709 I answer that in my opinion the Consolidated Gas Company has a right to lay this main where it proposes to lay it, under the power conferred upon it by Section 110 of Article 23 of the Public General Laws of Maryland, subject, of course, to the obligations imposed upon it by ordinance as to filling up and re-paving after the work is done.

Truly yours,

(Signed) W. Cabell Bruce,

City Solicitor.
