A&P DISCOUNT FOODS

DO YOU HAVE A DOUBT ABOUT THE QUALITY OF OUR "PRIVATE" BRANDS?

We know that some people do.
They still think that if the price is low the quality must be low.

And they can't understand how A&P can sell an A&P Brand for less than the top quality national brand . . . without sacrificing quality.

They overlook three eye-openers:

1. Aside from being the world's largest food retailer, A&P is also one of the largest *food processors*.
2. Even with products we don't process ourselves, we buy directly from the producer and eliminate many middlemen costs.
3. Every item which bears the A&P name is as good as . . . or better than . . . comparable national brands.

That last point is rigid policy from which we never deviate and is easy for you to prove without risking a nickel.

Just try a shopping-cart full of A&P Brands, now, while the big sale is on.

If you're not satisfied, we'll give you DOUBLE YOUR MONEY BACK.
