Boy Scout' school night, Sept. 28

The official "School Night for Scouting" is Sept. 28.

The Baltimore Area Council, Boy Scouts of America, anticipates more than 15,000 new enrollees to the local Cub Scout, Webelos Scout and Scout programs. Last year, 15,000 boys signed up in the Baltimore Area Council.

The opportunity for boys eight through 18 to enroll in the newly updated Scouting program will be available in more than 350 schools according to Irwin E. Killian, president of the Baltimore Area Council.

Cub Scout Packs and Scout Troops in the area served by each school will be represented at the School Night for Scouting and will help parents register their sons as Scouts.

Scouting offers a variety of experiences for a boy, challenges his mind, and muscles, gives him an opportunity to develop self-confidence, and brings him the satisfactions of service to others and the fun of working together, Killian said.
