HOLIDAY FACES — The Christmas season has a magic way of animating the faces of young people everywhere. Baltimore youngsters are no exception as proven by Kelley Morton, 4, Michael Langley, 3 and Brian Weil, 3.

Tormenting Rectal Itch Of Hemorrhoidal Tissues Promptly Relieved

Gives Prompt, Temporary Relief from Such Burning Itch and Pain in Many Cases.

The burning itch and pain caused by infection and inflammation in hemorrhoidal tissues can cause much suffering. But there is an exclusive formulation that in many cases gives prompt relief for hours from this itch and pain so that the sufferer is more comfortable again. It also actually helps shrink swelling of hemorrhoidal tissues caused by inflammation and infection.

Tests by doctors on hundreds of patients in New York City, Washington, D.C. and at a Midwest Medical Center reported similar successful results in many cases. This is the same medication you can buy at any drug counter under the name *Preparation H®*.

Preparation H also lubricates to protect the inflamed surface area and it doesn't sting or smart. In fact, it has very soothing qualities which make it especially helpful during the night when itching becomes more intense.

There's no other formula like Preparation H. In ointment or suppository form.

Mystery photograph answer

The correct answer to page one's mystery photograph is that the six Shropshire sisters and their schoolmate, Michelle Hawkins, will all spend their New Year's convalescing following the removal of their tonsils.

Mrs. Bernadine Shropshire of 1712 Springfield Ave., housewife and mother of nine, informed the AFRO that her daughters and their friend had been admitted to Provident Hospital Tuesday, for tonsilectomies.

The mass operations — more painful than serious — began about 8:00 a.m. Wednesday and continued in succession until their conclusion in the mid-afternoon of the same day. Dr. Turgot Jeudy was the hospital surgeon in charge for the occasion.

The girls, all in good condition following the tonsilectomies, were released to return to their families and homes where "I will be soup and ice cream for the next few days.uu

When asked her reaction to spending the Christmas vacation confined to a hospital bed, Joyce (next to oldest Shropshire sister) answered, "It's a nice hospital, a nice place to visit, but I wouldn't want to live here. It messed up my vacation."

Following suit, Michelle Hawkins, seemingly the most fearful of the group said, "I'll be glad when it's over."

Acting quite unconcerned, little Della added "I don't feel good and I don't feel bad."

Mrs. Shropshire is the wife of Bethlehem Steel employee, Leotone Shropshire, Sr.

In addition to six daughters, the Shropshires have three sons: Marvin, 13, Jerome Jr., 20 and Anthony, 19. The latter are currently fulfilling their military obligations in the Navy.
