TREAD WEAR EXPECTANCY

Because of variable driving habits and road conditions under which tires are used, it is impractical for Montgomery Ward, and conceivably misleading to our customers, to guarantee any specific number of months or miles of tread wear. We can, however, indicate the wear potential we have built into our tires in terms of service in normal family use. If a Riverside tire wears down to the tread wear indicators during the Tread Wear Expectancy, Montgomery Ward will upon presentation of the tire and evidence of date of purchase replace the tire for the then current price less the following dollar allowance:

Tread Wear Expectancy	Tread Wearout Allowance
42,000 miles	Prorated on 40,000 Miles Driven
45 month	$13.00
40 month	10.00
37 month	8.00
36 month	6.00
33 month	5.00
30 month	4.00
24 month	3.00
18 month	2.00

Tread Wear Expectancy offer does not apply to tires used commercially.
