Your family is going to love the ground round flavor of *Great Ground!* A blend of 75% rich, red ground beef and 25% hydrated vegetable protein. *Great Ground* has less fat than regular hamburger. It doesn't "shrink" as much as it fries or broils, so you get more food yield per pound and more body-building protein per serving! Use it for all ground beef dishes—hamburger, meat loaf, stuffed peppers, meat balls, casseroles, sloppy joes—everything. Can be kept frozen, too. *Great Ground* Juicy and delicious. Rich with protein. Great savings too.
